Re N.W.¼ 12-47-3 W.4th M.,
a/c of H.E.M. Read, File D.D.62.

Dear Sir:-

In reply to your inquiry of the 20th instant, I beg to advise that no liens have been released without consideration except on the recommendation of the Seed Grain Adjustment Board.

In the case of the S.W.¼ 24-47-3 W.4th, patent issued to Charles W. Collins on the 4th May, 1911, subject to 1908 liens for $34.00, $5.35 and $5.65. The liens are still outstanding. Statements of the account were forwarded annually to the Secretary-Treasurer of the Municipal District of Merton No. 451, Dina, Alberta, up to the year 1930. Since then no annual statements of accounts have been sent out, but the charge still stands, and by concurrent mail I am inquiring of the Secretary-Treasurer as to whether this land has been sold, and if so, what provision has been made for payment of the account. Copy of letter attached.

Encl.

As regards the S.½ 14-47-3 W.4th, the lien for $121.50 charged against the S.W.¼ 14 for an advance made in 1915 to George F. Howard, was paid in full in the sum of $202.83 by the M. D. of Merton on the 21st July, 1928, and was discharged. On the same date, the M. D. of Merton also paid $459.12 to discharge the liens against the S.E.¼ 14 in the name of George Jeffrey Howard.

You will note from the above that the M.D. of Merton paid in full any liens which have been released in the cases cited, and any information to the contrary furnished by the Secretary-Treasurer has been given out without a proper search of his records.

Yours very truly,

J. Lorne Turner,

Re: Account of Chas. W. Collins,
S.W.¼ 24-47-3-W4.

Dear Sir:

During the year 1908 while homesteading the above mentioned land, Mr. Chas. W. Collins received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $152.91 of which $45.00 is principal and $107.91 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,

Re: Account of Chas. W. Collins
S.W.¼ 24-47-3-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1908 seed grain amounting to $45.00 was advanced to Chas. W. Collins on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$45.00	$107.91	$152.91

Patent was issued in the name of Charles W. Collins for the S.W.¼ 24-47-3-W.4th on the 4th of May, 1911, subject to the 1908 liens.

This quarter-section has never been revenue producing sufficiently to enable the repayment of the liens. In 1923 the homestead inspector in a report stated that the debtor had moved to Wappalo, Iowa, U. S. A. The land was lying idle, but there had been 100 acres broken at one time and it had all gone back to sod.

In 1925 title to the land was acquired by the Rural Municipality of Merton No. 451 under the Tax Arrears Act. They in turn disposed of the land by sale in 1931 to a Mr. W. P. Davidson of Earlie, Alberta, but the land has again become subject to forfeiture proceedings for tax arrears and as yet the Municipality have not seen fit to again acquire title.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

MEMORANDUM:-

I beg to submit the application of William Tuckett, dated April 20,1907, in which he requests permission to purchase the fractional N.W.¼ of Section 18, Township 51, Range 20, West 4th Meridian.

Applicant alleges there is a slough of about eight acres on his homestead and intimates his willingness to pay for the land applied for less the eight acres which he apparently considers should be granted him free. He also states that "the land would be of no use to any one else".

The land applied for viz. the N.W. fractional quarter of said Section 18, comprises about 47 acres, the balance of the Section being covered by the waters of Hastings Lake. This land is clear in the records of this Department It was formerly included in the Cooking Lake Forest Reserve but was subsequently withdrawn from the same. Appears on sketch attached colored red.

Mr. Tuckett's homestead viz: the S.W.¼ of said Section 18 comprises 160 acres for which he was granted entry April 20,1907. It also appears on sketch attached.

Memorandum:-

Mr. William Luckett, who at the time was homesteader of the S.W.¼ of Section 18, Township 51, Range 20, West 4th Meridian, made application to purchase the adjoining fractional N.W.¼ of the Section.

Mr. Luckett was advised by letter of the 9th September last, in accordance with the decision of the then Acting Deputy Minister, that he might purchase this fractional parcel, subject to his earning title to his homestead.

Mr. Luckett did not carry out the purchase, and the Agent of Dominion Lands at Edmonton now reports that Mr. Savard was granted entry for the fractional parcel in question, and asks whether the homesteader may have the fractional N.E.¼ of the Section added thereto.

The Agent reports, further, that Mr. Luckett has abandoned his homestead, and that his entry was cancelled on the 10th October, last.

The land applied for, shown hatched in blue on the sketch annexed hereto is vacant in the records of the Department. Mr. Savard's homestead, for which he obtained entry on the 12th December last, is shown coloured red on the sketch, and Mr. Luckett's former homestead hatched in red.

The S.E.¼ of the Section, adjoining the land applied for, is the homestead of Archie Rowland.

J. W. Greenway, Esq.,
Commissioner of Dominion Lands.

I

I do not think that the Agent should have granted entry for the fractional N.W.¼ of this Section without special authority from the Department, as its acquisition shuts off the person who may require the S.W.¼ from access to the water, and the same objection would apply to granting fractional NE¼ to any other than the contractor for the SE¼

MEMORANDUM:-

Mr. Theo. Savard, who was granted entry for the fractional N.W.¼ of Section 18, Township 51, Range 20, West of the 4th Meridian, made application to have the fractional N.E.¼ of the same section added to his homestead.

The Commissioner decided that the homesteader of the S.E.¼ of the Section in question should be offered the said N.E.¼ of the Section, (My Memorandum of the 29th February last, marked,) and the Agent of Dominion Lands was so advised.

In the meantime, the Agent reported the sale to Mr. Savard of the fractional N.E.¼ of the Section, and was asked to report under what authority he had made such sale. The Agent now states that there was no authority for the sale to Savard of the fractional parcel in question, and that he is unable to explain why such sale was made. He asks, therefore, whether the sale is to be cancelled.

Please see the sketch annexed hereto, on which the land entered for as a homestead by Mr. Savard is shown coloured red, and the parcel sold to him hatched in blue.

Fractional N.E.18-51-20, W.4

The decision in regard to this land was that it should be offered to the homesteader of the Fractional S.E.¼ of the Section. It was inadvertently sold to Mr. Theo Savard, the homesteader of the fractional N.W.¼ of the said Section. The Agent of Dominion Lands at Edmonton reported that Mr. Archie Roland, the homesteader of the said fractional S.E.¼ had been asked on the 16th October last to advise him as to whether or not he desired to purchase the fractional N.E.¼, but that nothing had been heard from him, and you decided, (my Memorandum of the 16th January last, marked), that Mr. Roland was to be given thirty days within which to avail himself of the privilege, the Agent to report at the expiration of that time.

The Agent now states that a letter was addressed to Mr. Roland on the 4th February last, giving him until the 2nd March following within which to purchase the parcel in question, and that such letter was returned marked "Uncalled for", and that nothing further has been heard from Mr. Roland.

Please see the Plan annexed hereto, on which the land inadvertently sold to Mr. Theo Savard, and offered to Mr. Roland, is shown hatched in blue, Mr. Roland's homestead hatched in green, and Mr. Savard's homestead colored red.

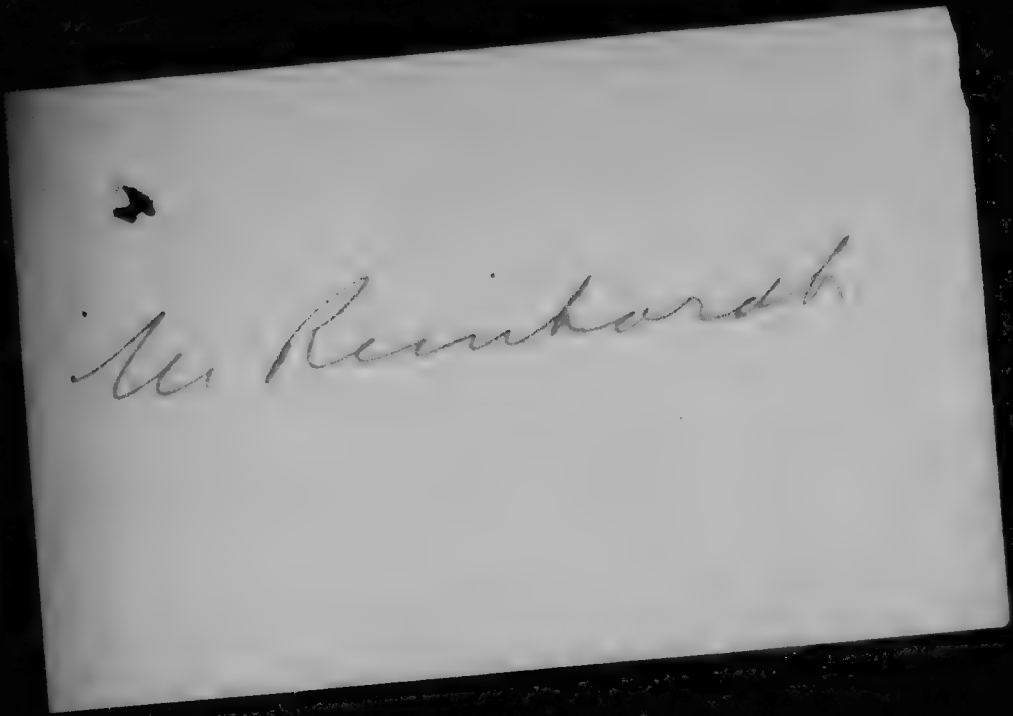

J.W. Greenway, Esq.,

Memorandum:-

Mr. Dixon,-

In his memorandum dated the 29th February, 1908, Mr. N. O. Cote expresses the opinion that entry should not have been granted for the Frac. N-W. ¼ of Sec. 10-----51-----20, West 4th M., without special authority from this Department, as its acquisition shuts off the person who may acquire the S-W. ¼ from access to the water.

Mr. Theodore Savard, to whom the entry in question was granted, has now abandoned this land, and the question arises,- whether the same should be made available for re-entry on the ordinary terms, or reserved for sale to whoever may acquire the S-W. ¼.

Please advise.

Respectfully submitted,

N. J. Ferguson.

Sir,-

I beg to send you herewith a schedule of lands in your district which it is desired to set apart for public shooting purposes. Please make a careful note of this matter in all your records relating to these lands.

The Head Office files relating to the lands are being called for, and you will be further advised in the case of individual parcels if the file shews any other disposition of the land.

If, in any case, you know of any reason why the land should not be reserved for public shooting purposes you should report fully to the Department.

Please report promptly to the Department when you have noted the reservation and checked up the attached list with your records. You should at the same time inform the Department whether there are any lands in your district other than those mentioned in the enclosed schedule which according to your records are being reserved for public shooting purposes.

In reference to the lands in the schedule which are held under entry please note that no further applications are to be received from any person to cancel existing entries. Where notice has already been issued to any registered applicant for cancellation calling upon him to come forward and make entry the right so conferred is not withdrawn, provided it is exercised within the time specified in the notice. Generally speaking this reservation will not be held to take away or impair existing rights on the part of any person by virtue of an application actually made by him or of a notice actually issued to him by the Department prior to the date upon which this reservation becomes effective.

Should any of the land now under other disposition become available by reason of the cancellation of the existing entry, etc., there being no applicant, you should refer here before disposing of the land, mentioning this letter.

Dear Sir:

Re: Account of Mrs. Jonas Ward,
N.W.¼ 18-51-20-W4.

During the year 1915 while homesteading the above mentioned land, Mrs. Jonas Ward received seed grain and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $168.83 of which $56.00 is principal and $112.83 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: Account of Mrs Jonas Ward,

Your Letter of Febuary 9th, was received and contents noted regards the above.

We are most anxious to clear this outstanding lien, but feel that due to the value of the land, plus the fact that a large portion has been covered by lake since the time of purchase makes the settlement rather high.

Only two years the municipality made a passable road (in good weather conditions) up to the farm, until then there was just a trail into the place, so that during the period of years there has been very little if any improvement to maintain a higher standard of living.

After due consideration I feel that the amount due should be reduced as I feel at this time I could possibly send you $100.00. If you feel this would clear the amount entirely I would be glad to send the remittance.

Kindly advise your thoughts.

Your truly,

Pete Ward

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and relief amounting to $56.00 were advanced to Mrs. Jonas Ward on the security of the above mentioned land. No payment was ever made on this account until the sum of $100.00 was received when the standing of the account was:-

On the 26th of June, 1956, Mr. Pete Ward of Tofield, Alberta, wrote us as follows:-

Your recommendation was that upon the payment of $175.00, the debt should be paid. The payment received by us was $25.00, representing our 50% share of a collection of $50.00. Actually there is a balance of $125.00, owing on this account and as soon as our 50% share of this balance is received, the Board Order will be dealt with.

Arthur Richards

Replying to y ur letters of the 16th and 17th ultimo, written by Mr. Christie, wherein reference is made to Board Order No. 11,221, we have checked our records and find that your share of this account has been remitted in full but an error has been made in quoting the reference.

Kindly be advised that your share of a payment of $125.00 which was received on March 3,1954 was included in our Cheque for $2,053.10 which was issued on March 4th,1954 covering collections for the Joint Relief from January 1st,1954 to April 5,1954. The statement attached to this cheque quoted the above land description but the name given therein was not that of the debtor but J. J. Jones who was the solicitor making the payment on behalf of Mr. Richards.

I trust that with this additi nal information you will be in a position to reconcile your records and obtain approval of your Department to Board Order #11,221. The error in this case is very much regretted.

Dear Sir:

Re: Arthur Richards
N.E. 24-52-8-W.4th.
Joint Relief Advances

The above party obtained the following Joint Relief Advance giving as security a lien on the title to the above described parcel of land.

April 12th,1920	$175.00
Interest to December 31st,1953	413.11
	588.11

The debtor is deceased, and the son through his solicitor has approached this office with a view to arranging a settlement of this account on a compromised basis and has tendered a payment of One hundred and seventy-five dollars ($175.00).

At the time of his demise in 1938 the debtor left an insolvent estate to his wife as executrix. The son has maintained his mother since that time and is still doing so, except for the Old Age Pension which she has been in receipt of since August 1953. The indebtedness of the estate both secured and unsecured has been discharged by the son.

The present sale value of the above parcel is given as Twelve hundred dollars ($1,200.00) and the assessed value is approximately the same.

The wife of the debtor due to her advanced years and inability to farm wishes to transfer to her son title to this parcel clear of encumbrance. This would in some measure compensate him for support provided for her during the past fifteen years.

In view of these circumstances it is my opinion that the offer should be accepted. I therefore recommend that upon application of the sum of One hundred and seventy-five dollars ($175.00) the account be so adjusted that it will be satisfied in full and the lien discharged.

Provincial Seed Grain Advances in the amount of Two hundred and twenty-four dollars and Ninety-eight cents ($224.98) together with accrued interest have already been cancelled.

Sir:- Re S.E. ¼--14--44--3--W,--4th--Mer.
Agency File #166511.

I beg to inform you that an unsigned communication has been received in the Department in which it is represented that Mr. James H. Doyle has not performed the requisite settlement duties on his homestead, the above described land, in a satisfactory manner, that he has not in fact performed one full term of six months residence.

As it would appear that Mr. Doyle has made application for patent, it is deemed advisable before taking further action in the matter to instruct you to detail a Homestead Inspector to visit the land as soon as possible and carefully investigate by inquiry amongst the settlers in the vicinity the manner in which the duties have been performed.

Your obedient servant,

Re: Account of Eugene L. Aizzier,
S½ 14-34-3-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Eugene L. Aizzier received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $299.48 of which $102.40 is principal and $197.08 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate Seed Grain, Fodder and Relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: Account of Eugene L. Aizzier
S½ 14-34-3-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain amounting to $187.50 was advanced to Eugene L. Aizzier on the security of the above mentioned land. A payment of $108.35 was received in 1917 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$102.40	$197.08	$299.48

Patent was issued in the name of Eugene L. Aizzier for the S½ 14-34-3-W.4th on the 26th of March, 1920, subject to the 1915 lien.

This half-section of land is not of high assessed value and has never been revenue producing sufficiently to enable the repayment of the lien. The land is described as rolling and very rocky.

In reply to our questionnaire of the 10th of January, 1952, Mr. J. H. Thomson of Local Improvement District No. 310, Department of Municipal Affairs, Province of Alberta, advised us that there was an accumulation of $345.07 arrears of taxes outstanding against the land which was assessed in the name of a Mr. E. Aizzier of 821 - 8th Avenue N.E., Calgary, Alberta.

The information obtained indicates that the land is such that it no longer offers any security of value for our lien. Under the circumstances and in view of the substantial payment already received, it is recommended that the balance of the indebtedness be cancelled and the lien discharged.

Dear Sir:

Re: S½ 14-34-3-W.4th

We wish to thank you for your letter of the 28th of October, 1956, informing us that you are willing to pay the principal amount in full settlement of the Federal indebtedness of Eugene Aizzier charged against the above land.

In view of the setbacks which you had last year, we believe that the Seed Grain Advisory Board will accept a compromise settlement in your case. In order to assist you in clearing your title, if you will remit the principal amount of $102.40 within a reasonable time, it will be recommended to the Board that the accrued interest of $197.08 be cancelled.

Your cheque or money order should be made payable to the Receiver General of Canada and forwarded in care of the undersigned.

Sir,-

Re N.W.¼ 28-7-29 W.4th Mer.

You are indebted to this Department for seed grain advanced to you in 1915 in the sum of $241.18, to which should be added interest on $172.20 at 5% from the 31st March, 1923 to date of payment.

You advised Homestead Inspector Wilcox who called upon you, with a view of making collection of this indebtedness, that you would make an effort to make some payment. Re I.R. 20-7-29-4.

The Agent of Dominion Lands at Lethbridge advises me that no acknowledgment has been received to his communications to you dated December 27th and February 21st last requesting payment of your Seed Grain indebtedness to this Department.

Although the Department is desirous of closing out these accounts on our ledgers it is not intended to inflict any undue hardship in collecting, but unanswered requests for payment can only be accepted as indicating your unwillingness to pay.

If you are not at present in a financial position to meet this obligation kindly advise and I can assure you that some satisfactory arrangement will be made as to an extension of time.

However I must impress upon you the necessity of making provision for liquidation of this account from the proceeds of this year's harvest.

May I receive yours in answer by return mail.

It is noted that when a Homestead Inspector interviewed you about December last, you were then unable to make any payment in connection with your outstanding Seed Grain indebtedness.

Since that time you have doubtless duly received the annual statement showing your indebtedness amounting to $275.62, and it is to be expected that if you have a reasonable crop this year you will make due provision for this account.

Re: Account of Alfred Smith
N.W.¼ 28-7-29-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to $172.20 were advanced to Alfred Smith on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$172.20	$353.03	$525.23

Patent was issued in the name of Alfred Smith for the N.W.¼ 28-7-29-W.4th on the 22nd of December, 1908.

According to an Abstract of Title dated the 13th of February, 1956, this quarter-section of land now stands in the name of a Mr. Joseph E. Glass of Pincher Station, Alberta, clear of any encumbrance.

As the liens are not registered against the land and there is no further security for our advances, it is recommended that the indebtedness be cancelled.

Solicitors acting for the estate communicated with this office last fall with respect to the encumbrances registered, as stated above, and advised that they wished to submit the case for a compromise settlement. The debtor died intestate and the estate will pass as to one-third to his widow and the remaining two-thirds to his three sons.

In addition to the above mentioned account the indebtedness of this estate consisted of Agricultural Relief Advances in the amount of approximately Seven Hundred dollars ($700.00) principal, loaned in the years 1937 to 1939 and taxes were Three Hundred and Sixteen dollars and Seventy-Two cents ($316.72). An old mortgage to the Standard Bank of Canada also existed, the principal amount of which is not available from my records. The Agricultural Relief Advances to the former Municipal District of Forty Mile were compromised by a payment of Two Hundred and Forty-Eight dollars and Forty cents ($248.40) and a tax cancellation of One Hundred and Eighty-Five dollars and Eighty-Three cents ($185.83) was also allowed. The Bank mortgage was settled by a payment of Seventy-Five dollars ($75.00).

The deceased suffered illness for a considerable length of time before his death and his assets except the Titles to these lands were practically used up for medical expenses prior to his demise.

The assessed value of both parcels is Fifteen Hundred dollars ($1500.00). An offer and payment of Four Hundred and Twenty-Seven dollars and Fifty-Six cents ($427.56) which is equal to the principal amount of both accounts listed above, has been made to this office by the widow of the debtor. These lands are located in the South East Section of the Province in an area which, for many years, suffered severe drought conditions and in view of these circumstances could not be considered a valuable piece of property.

In view of all these circumstances, I believe that the offer made should be considered a satisfactory settlement and would recommend that same be accepted. I would further recommend that upon application of this payment being made, the accounts be adjusted so that they will stand paid in full and the liens be released from the respective Titles.

Straight Provincial Seed Grain in the principal amount of Ninety-Eight dollars and Fifty cents ($98.50) together with accumulated interest has already been cancelled.

Yours very truly,

S. Cherkas,
CHIEF COLLECTOR.

Re: Account of A.J. Vines,
N.E.¼ 26-50-5-W5.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. A.J. Vines received relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $105.00 of which $35.00 is principal and $70.00 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or dher circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

G.K. LeCapelain,
Chief, Lands Division.

Re: Account of A.J. Vines

(File No. 1502394)

We bought this land and received title to it in 1950, at which time there was no notation on the Certificate of Title in the Land Titles Office in Edmonton indicating that there were any charges against it.

My understanding is that under the Torrens system of land registration in force in Alberta, the government guarantees the title and if there is a mistake made in the Land Titles Office, there is an assurance fund set up from which the injured party can claim.

My lawyers advise me that under these circumstances I am not responsible for the debt incurred by Mr. Vines as there was nothing on the title when I acquired the land to show that this debt existed. Apparently the Land Titles people failed to register your claim.

Under these circumstances I believe you can recover the monies due you from the province's assurance fund, but as I bought this land in good faith and for value, I cannot see how I can possibly be held responsible for a debt incurred in 1915 of which I have received no notice and of which it was impossible for me to know anything.

Dear Sir:

RE: N.E. ¼ 26-50-5-W.5th

We wish to thank you for your letter of the 4th of March, 1956, informing us of the extenuating circumstances which you believe warrant the cancellation of the account of A.J. Vines. You have stated that at the time you obtained title, there was no notation on the Certificate in the Land Titles Office, to indicate that there were any charges against it. However, a recent Abstract of Title shows that the seed grain lien was registered against this land on the 28th of December, 1916, under registration No. 487688.D.. The grantor is the Crown and the amount $35.00.

If you are quite certain that you are correct in your statement that you had the title searched in 1950 and you were informed that there were no liens registered at that time, you should submit an affidavit to this effect. Upon the receipt of your signed affidavit, it will be presented to the Seed Grain Advisory Board for consideration.

Dear Sir:

I am enclosing a copy of a letter received from Mr. Lynn Criss who is the present registered owner of N.E.¼ 26-50-5-W.5. I would be pleased to have your comments on this letter and to know if these Federal Seed Grain and Relief Liens are normally recorded on the Certificate of Title.

As you probably know, we are endeavouring to settle these outstanding liens and the Seed Grain Advisory Boards are making many reasonable adjustments. If there is sufficient justification to the claim of Lynn Criss we are prepared to recommend to the Board that this account be written off. On the other hand if it is a case of improper or insufficient examination of title we feel that the present owner of the land should be held responsible for this lien.

Dear Sir:

I have yours of the 20th March, 1956 regarding the North East of Section 26-50-5-W.5th, (File No. 1502394).

It appears that Vines obtained seed grain from the Dominion Government in 1915, and subsequently his homestead application was cancelled. Patent Title was issued to John Zaniewicz for this land, and the Lien was not shown on his Title. Criss purchased the land and his Title is dated 17th May, 1950. On the 2nd June, 1954 we discovered that the Lien had not been registered against this land, and we placed it on his Title. The result is that Criss did not know anything about the Lien until recently, and it seems to me that this might be a case for your consideration to right off the amount of the claim.

You wrote to us on the 4th of March, 1956, concerning the account of A.J. Vines charged against the above land. In view of the information you gave us, we made a further investigation of this account and it appears that at the time you obtained title, that the lien was not shown on it.

As it was impossible for you to have known that there was any account charged against this land at the time of purchase, we consider that you are not responsible for the debt.

We are therefore recommending to the Seed Grain Advisory Board that the balance of the indebtedness be cancelled. You will be advised in due course as to the Board's decision in this matter.

Re: Account of A. J. Vines
N.E.¼ 26-50-5-W.5th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 relief amounting to $35.00 was advanced to A. J. Vines on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$35.00	$70.00	$105.00

The N.E.¼ 26-50-5-W.5th was formerly the homestead entry of the debtor whose entry was cancelled. The land was later re-entered upon by a Mr. Jonn Zaniewicz to whom patent was later issued.

According to an Abstract of Title dated the 25th of January, 1956, this quarter-section of land now stands in the name of Lynn Criss and Kathleen Criss of Tomahawk, Alberta, subject to the 1915 lien.

On the 4th of March, 1956, Mr. Lynn Criss of Tomahawk, Alberta, wrote us as follows:-

"We bought this land and received title to it in 1950, at which time there was no notation on the Certificate of Title in the Land Titles Office in Edmonton indicating that there were any charges against it.

My understanding is that under the Torrens system of land registration in force in Alberta, the government guarantees the title and if there is a mistake made in the Land Titles Office, there is an assurance fund set up from which the injured party can claim.

On the 23rd of March, 1956, Mr. J. M. Thom, Registrar, North Alberta Land Registration District, Edmonton, Alberta, wrote us as follows:-

../2

"It appears that Vines obtained seed grain from the Dominion Government in 1915, and subsequently his homestead application was cancelled. Patent Title was issued to John Zaniewicz for this land, and the Lien was not shown on his Title. Criss purchased the land and his Title is dated 17th May, 1950. On the 2nd June, 1954 we discovered that the Lien had not been registered against this land, and we placed it on his Title. The result is that Criss did not know anything about the Lien until recently, and it seems to me that this might be a case for your consideration to right off the amount of the claim."

In view of the information received and as it was impossible for the present owners to have known that there was an account charged against this land and that they are not responsible for the debt, it is recommended that the indebtedness be cancelled and the lien discharged.

Dear Sir:

RE: N.E. 26-50-5-W.5th

Since writing to you on the 6th of April, 1956, the account of Mr. A.J. Vines which is charged against your land has been considered by the Seed Grain Advisory Board. The Board recommended that it be cancelled and the necessary authority to do so was received on the 3rd of May, 1956, under authority of Order-in-Council P.C. 49/660.

Recently we forwarded a withdrawal notice to the Registrar, Land Titles Office, Edmonton, asking him to remove our lien for $35.00, in the name of Mr. A.J. Vines from the title to your land. We expect by this time this will have been done.

Yours very truly,

Re: S.E. 31-10-10 W. 4.

We have your letter of September 1st, 1954, concerning the Federal and Joint Provincial and Federal accounts of E. A. Nevers charged against the above land. Our release of the Federal liens was forwarded to the Registrar, Land Titles Office, Calgary, Alberta, on 10th September, 1954, under the authority of Order in Council, P. C. 124-752 dated February 8th, 1952.

It appears that either no action was taken concerning the Joint Provincial and Federal accounts or that the Order in Council has been mislaid. Will you be good enough, therefore, to prepare another Board Order recommending that the Joint Provincial and Federal indebtedness of E. A. Nevers be cancelled. Upon the receipt of this we will endeavour to secure the authority of an Order in Council as soon as possible.

Under date of December 27th, 1954, you advised that you expected the necessary authority to discharge these Liens within a matter of days and if any action has been taken by your office the necessary documents have not yet reached us and may have been lost in the mail.

I would like to bring this matter to your attention at this time and would appreciate your early advice.

BOARD ORDER NO: 11,375.

Re: N.E.¼ 20-9-7-W. 4th Meridian,

Joint Relief Advances.

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated February 27th, 1957, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are, hereby APPROVED AND ACCEPTED.

Dear Sir:

Re: N.E.¼ 20-9-7-W. 4th Meridian,
Ben Benson Est,
Joint Relief Advances.

The above named party obtained advances as follows for which Liens were registered against the Title:

April 1st, 1920	$ 78.00	
March 24th, 1922	53.50	
	131.50	
Interest to 31/3/56	324.01	
Total		$455.51.

A Solicitor acting on behalf of this party has submitted an offer and made payment of One Hundred and Thirty-One dollars and Fifty cents ($131.50) as a full compromise settlement offer and requested that in view of the following circumstances this amount be accepted.

(Con't on Page 2)

According to our investigation the debtor is now 71 years of age and he has been in ill health and unable to work for the past 5 years. He has, therefore, been compelled to operate this quarter section farm on a rental basis and the income from that source has been relatively small but was supplemented by his wife's wages when she was able to obtain employment. He recently sold this parcel and will be required to furnish clear Title to the purchaser.

In view of the debtor's very limited financial circumstances and dependence for livelihood on pension I believe that the offer made should be considered satisfactory.

I would, therefore, recommend that upon application of the said payment of One Hundred and Thirty-One dollars and Fifty cents ($131.50) same be adjusted so that it will stand paid in full and the Liens be released from the Title.

Yours very truly,

S. Cherkas,
CROWN COLLECTOR.

Sir I am informed that some of the

office for forty five acres of the odd section 21 adjoining
the Indian reserve and I object to them having it
as I am going to settle on
it and improve my homestead and I am going to build on
the south east of my land and if they get you to grant
it for a cemetery and it would be close to my
house not altogether any thing about it they
have a cemetery at 10 Chain Point one eight of a mile
from my neighbors house and it is more convenient to
them as the Indian Village is not very close
to any other persons and I will not object
to it being done on the south west of the Cemetery
the one I also ask for the reserve as shown on the plan
that I sent in a petition as soon as I know
that I can get it I hope you will grant my petition

To be used for a Public Cemetary.

The District is settled up for many Miles arround. And a Village is Building up on Sec 16-T-10-R-13.
Two Deaths has already occured in our District. Which has prompted this step to be taken up with the Goverment

and as the above mentioned Deaths were of a Contagious nature. It was nescessary to Bury them at once

A Mass meeting was called on December the 23rd 1907
And a Majority of the Citizens were

were present. The above Location was decided upon unanimously. As the Best suited place for a Cemetary Being high and Dry. And Two Miles from the Station and Post Office and School

MEMORANDUM:-

A petition has been received here, signed by the Chairman and the Secretary-Treasurer of the Cemetery Committee, and a number of other persons, asking that a grant of land in the vicinity of Grassy Lake, namely, forty acres, in the N.E.corner of the N.E.¼ of Section 21, Township 10, Range 13, West of the Fourth Meridian, be made for a public cemetery.

The petitioners state that the district is settled up for many miles, and that a village is in the course of erection on Section 16, Township 10, Range 13, and urge, as burials have already been made on the land, owing to the fact that the deaths were caused by a disease of a contagious character, and immediate action was necessary, their application be promptly dealt with.

The petitioners represent further that it was decided at a mass meeting of the citizens, that the piece of land selected was the best location.

The surface rights of this quarter section are vacant in the records of the Department, but the under-rights have been disposed of.

Please say that when the application was made in January 1908 for a grant of pt of N½ 21-10-13 W2nd for ~~cemetery~~ purposes, it was decided to reserve 10 acres for such purposes

Mr John Searle, Asst Secy. Treas. of the Committee was advised that a grant would be made upon satisfactory evidence being filed here ~~that~~ of the incorporation of a Cemetery company. There would be however no objection to the grant being made in the name of The Village of Grassy Lake, assuming that it is incorporated under the Statutes in that behalf, that ~~all interested people~~ this would meet the views of all interested people. A patent fee of $10.00 would have to be remitted. It should also be stated if the 10 acres, described as being in the N.E. corner of the ~~N~~ section, are a square, otherwise the lengths of the sides would have to be given.

Dear Sir:

Re: Lot 20, Block 33,
Plan 4555-H, Grassy Lake.

We have been advised by Mr. H.C. French, Chief Collector, Department of Municipal Affairs at Edmonton that the above lot is encumbered by Crown liens in the amounts of $90.50 and $385.50 given by one William Salvage.

These liens were originally taken on the S.E. 21-10-13-W.4th to secure advances of seed grain and relief in the year 1915. There is now sufficient evidence in our records to indicate that these liens should not be held against the above lot and you are therefore authorized and requested to remove from Lot 20, Block 33, Plan 4555-H, Grassy Lake Federal Government liens in the amounts of $90.50 and $385.50 and in the name of William Salvage.

A copy of this letter is being forwarded to Mr. H.C. French for his information.

Re: Account of A.M. Doble,
S.W. 4-18-18-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and relief amounting to ~~$114.12~~ 157.00 was advanced to A.M. Doble on the security of the above mentioned land. A payment of $44.20 was received in 1915 and applied to the interest and principal. The present standing of this account is:-

Principal	Interest	Total
$ 114.12	$ 210.53	$ 324.65

Patent was issued in the name of A.M. Doble for the S.W. 4-18-18-W.4th on the 7th of March, 1913, later becoming subject to the 1915 liens.

In reply to our questionnaire concerning the S.W. 4-18-18-W.4th of the 15th April, 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"Title to the above parcel is presently vested in this department having been acquired through proceedings under the Tax Recovery Act. This land is located in that part of the Province designated "Special Areas" and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

As the land is such that there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing it no longer offers any security of value for the advances. In view of the circumstances it is recommended that the indebtedness be cancelled without the requirement of any payment and the liens discharged.

Sir,-

Referring to the cancellation proceedings pending against your pre-emption entry for the North-West Quarter of Section 9, Township 7, Range 25, West of the 4th Meridian, I beg to inform you that a report has recently been received from an officer of the Department and from the information contained therein it is evident your entry is clearly in default as residence performed by you on your purchased land, the North half of Section 22, Township 6, Range 25, West of the 4th Meridian, cannot be counted to your credit.

In view of the foregoing, the proceedings referred to will be held over for a further period of thirty days, within which time it will be necessary for you to satisfy the Local Agent at Lethbridge that you are in actual residence, either on your homestead or pre-emption, in a habitable house, with the intention of remaining there and completing the required duties.

Should you fail to satisfy the Agent as above required, he will cancel your entry summarily and make other disposition of the land.

Sir,-

With further reference to your letter dated the 3rd May last, I beg to inform you that a report, dated the 17th of the same month, has now been received from a homestead inspector, setting out that Mr. C. Hilliard has lived upon his homestead, the South West ¼ of Section 16, Township 7, Range 25, West of the Fourth Meridian, continuously from the 4th March last to date of report referred to, and that the improvements on his preemption, the North West ¼ of Section 9, in the same township, consist of one and three-quarter miles of fencing and thirty acres of breaking.

The Inspector further reports that, in his opinion, Mr. Hilliard is complying with the regulations.

In view of the foregoing, it would seem that Mr. Hilliard is performing his duties in accordance with the requirements of the Act in connection with his preemption, but the cancellation proceedings instituted on your behalf will be further held in abeyance for a period of thirty days from late, in order to afford you an opportunity of substantiating your statements, that Mr. Hilliard has only slept on his homestead once in a while and has in other ways neglected to comply with the conditions attached to his entry for the quarter section last mentioned.

THIS FILE WANTED

Sir

In reply to yours of July 31st I
beg to state particulars regarding seed
grain advanced by the Government to me.
I have been very unfortunate this year in my
crop I sowed the wheat the first week in
April and it came up nice and looked well
till about the end of April then the cutworm
started and cleaned up the whole field. I
then purchased One hundred and fifty
bushel and re-seeded the field again as
a good part of it was eat out. In June I reseeded
to oats and barley and will have some green feed
off that. The oats done a little better as I only
had to re-seed about half the patch;
Now Sir under the conditions I am sure as to for some
leniency this year in regard to payment

Seed Grain relief	366.30

Mr. Hilliard promised his payment out of the proceeds of his last year's crop, but sold same without turning over anything to us. We had great difficulty during the summer in getting him to sign an Extension Agreement converting the interest into principle and carrying the arrears over until the end of the period of the mortgage. He is reputed to be a bad payer and has recently written us stating that he has written to the Commissioner of Immigration asking that the payment of half his lien this Fall should not be insisted upon, as he had no returns from the seed grain he obtained. He states that his first sowing was eaten out by cutworms and he then bought seed grain from neighbors which was also eaten out and a third sowing which was too late and badly frozen, he got a very low grade and a very poor return. He promises payment of the interest and also to let us know the result of his letter to the Commissioner.

We understand that Mr. Hilliard has apee-emption on which a large portion of the seed grain was sown. This, of course, again raises the point of charging all the Seed Grain relief against all his property instead of against the land on which it was actually sown, which, in our opinion, is a great injustice. In this case we would much prefer that the Dept. of Immigration would not make a special concession to him

and allow the half of the seed grain relief to be carried over until next year. We would wish Mr. Hilliard to feel that it is of the utmost importance that he pays off his Seed Grain Lien as rapidly as possible.

Dear Sir, Re Seed Grain Liens.

On reference to the Department of Immigration here in Winnipeg we find that the whole of the records relating to Seed Grain Relief have been transferred to your care at Ottawa.

There are several properties in which we are interested and in which our borrowers have received relief, in which matters do not seem to be in such good shape as they should be and in which there is real hardship to the above Company. We should be very much obliged if you would look these cases up and give us a report as soon as possible, so that we may be able to form an opinion as to what we must do to protect ourselves. We enclose herewith a list with the facts as they are known to us.

Our File - Macleod No. 33.

The affairs of the above named farmer were dealt with by the Board of Review under the F. C. A. Act at Lethbrige on the 21st. of November, 1935.

The Netherlands Investment Company of Canada, Limited, have a first mortgage against the property for $3,260.55. This land was valued by the Board of Review at $2,400.00, and under the circumstances, the Applicant agreed that the Company should take the land in satisfaction of its indebtedness. There areregistered against the title, certain seed grain liens to the Crown for seed grain supplied in 1915 and 1916. In view of the fact that the Company is taking such a heavy loss, including the assumption of arrears of taxes, it has been suggested to the Board by the Company that the Crown should be asked for a release of the said liens.

Would you be good enough to take this case into consideration and let me know if you will accede to the application of the Company?

N.W. 9-7-25-4

In 1915, Christopher Hilliard obtained a fodder advance of $64.00 and a seed grain advance of $336.80 from the Department of the Interior. On December 7, 1925 he repaid $40.00 on fodder account.

After its application and with the addition of interest to March 31, 1926 the seed grain and fodder indebtedness amounts to $826.80.

Liens to secure it are registered on the certificates of title to S.W. 16 and N.W. 9-7-25-4.

Netherlands Investment Company of Canada Limited has applied for release of these liens from S.W. 16-7-25-4.

In support of the application, its solicitors have submitted that it will sustain a loss under a prior mortgage.

Corinne Hilliard, wife of the debtor, is registered owner of the property.

The mortgage held by the Netherlands Investment Company of Canada Limited is for $1800.00 and interest at 8% per annum and was registered on July 28, 1913.

As the result of proceedings under the Farmers' Creditors Arrangement Act, on the application of Christopher Hilliard and Corinne Hilliard, the Board of Review for the Province of Alberta

formulated and confirmed a Proposal which provides, inter alia, as follows:

"(1) With regard to the claim of Netherlands Investment Company of Canada Limited, in respect of a mortgage covering:

> The South-East quarter of Section Sixteen (16) in Township Seven (7) of Range Twenty-five (25), West of the Fourth Meridian, as more particularly described in Certificate of Title No. 41 L 190,

it was intimated to the Board at the hearing that the claim of the Company had increased from an original loan of $1,800.00 to $3,260.55, a sum considerably in excess of the valuation of the security which was agreed upon by the Applicants and counsel for the said Company at $2,400.00.

"The parties agreed at the hearing that the Applicants should execute forthwith and not later than the 15th day of December, 1935, consents in proper form to enable the Company to secure an order of foreclosure of the said lands before a Court of competent jurisdiction. The Company under the said arrangement is to accept an order of foreclosure of the said lands in full and complete satisfaction of its claim, and shall assume liability for all outstanding taxes. No share of the 1935 crop shall be delivered to the Company. Possession of the said lands shall be given the Company on or before the 15th day of December, 1935, to enable the Company to give possession to the proposed lessee hereinafter mentioned.

"Provided he so indicates to the Company in writing, prior to the 15th day of December, 1935, a willingness to lease the said lands and premises, one Robert Hilliard, a son of the Applicants, shall be entitled to a lease from the Company on the said lands and premises for a term of three years dating from the 15th day of December, 1935, and ending on the 14th day of December, 1938, at a yearly rental equivalent to a full one-third share of all crops of whatsoever kind or nature grown annually on the said lands.

"The said lease shall contain an option in favor of the said Robert Hilliard to purchase the said lands at the sum of $2,400.00 with interest at the rate of 6% per annum. If the said Robert Hilliard takes up the said option within the time herein provided, the agreement of sale shall be dated the 15th day of December, 1935, and shall bear interest from the said date at the rate aforesaid, and there shall be credited on the said agreement all rentals (being the proceeds of the said one-third shares of crops) paid by the lessee as fixed aforesaid, which said rentals shall be applied firstly on account of interest and secondly, if any, on account of principal. In the event of the said option being taken up, the said Robert Hilliard shall pay all taxes levied against the said lands from and after the first day of January, 1936.

This offer shall be open for acceptance up to, but not after, the 14th day of December, 1938.

"The amount of the cash payment shall be the sum of $400.00 but this payment shall not be required to be paid in cash provided the returns from the crop at the time of the acceptance of the option, after paying interest at the rate of 6% per annum on the sum of $2,400.00 calculated from the 18th day of December, 1935, and after paying the annual taxes to the date of the acceptance of the option, shall have reduced the said principal sum by $400.00.

"The terms of the said lease and the terms of the agreement of sale, including the times of repayment of principal, if the said option is taken up, shall, in the absence of agreement between the parties, be fixed by a Judge of the Supreme Court, on the application of either party on notice to the other."

As the result of this Proposal, Netherlands Investment Company of Canada, Limited has foreclosed under its mortgage and on April 21, 1938 obtained an order vesting title in it clear of all encumbrances subsequent to its mortgage.

Under and by virtue of the provisions of Chapter 14 of the Statutes of Alberta 1918, the seed grain and fodder liens will remain despite the vesting order.

In support of the contention that a loss will be sustained, Netherlands Investment Company of Canada, Limited has submitted a statement showing the amount owing under its mortgage as at the 1st of April 1938 under the following headings:

Principal	$1,851.36
Foreclosure costs	175.00
Simple interest at 6% per annum from last date when account was in good standing as to interest until the 1st of April 1938	462.28
	$2,488.64

It has also submitted that it holds no security but S.W.¼ 16-7-25-4.

From that statement it is obvious that in selling at the price indicated by the Board of Review, Netherlands Investment Company of Canada Limited will sustain a loss under its prior mortgage.

I therefore recommend that the liens be released from S.W.¼ 16-7-25-4 upon registration of the order vesting title in the

Netherlands Investment Company of Canada, Limited.

I also recommend that the seed grain and fodder indebtedness remain a charge on N.W. 9-7-25-4 and a liability of the debtor subject to further adjustment on the application of any interested party.

The liens to be released from S.W. 16-7-25-4 are listed hereunder:

Dear Sir:

RE: NETHERLANDS INVESTMENT CO. OF CAN. LTD. & CHRISTOPHER HILLIARD. S.W. of 16-7-25-W. 4th M. OUR FILE NO. 6461.

We are acting for Netherlands Investment Co. of Can. Ltd., the registered owners of the marginally noted property, the said company having obtained Title through foreclosure proceedings. We are informed that a recommendation has gone forward to you from the Seed Grain and Relief Adjustment Board at Edmonton for the release of the following seed grain Liens:

1. Seed Grain Lien, Christopher Hilliard to Crown $336.36 Int.5 PC 10.38 AM.6 July 1915.. 108 B.L.

2. Seed Grain Lien, Christopher Hilliard to Crown $84.00 Int.5 PC 11.13 AM.22 Nov.1915.. 1753 B.L.

3. Seed Grain Lien, Christopher Hilliard to Crown $336.36 Seed Grain. $84.00. Fodder Int. 5 PC. 2.29 PM. 27 Dec.1916.....6829 B.L.

We may say for your information that this matter came under the Farmers' Creditors Arrangement Act and our clients, the Netherlands Investment Co. of Can. Ltd., have already taken a very considerable loss in regard to their Mortgage debt.

We shall be glad to hear from you in due course.

Yours truly,

Re Christopher Williard,
S.W.¼ 16-7-25 W.4th M.,

MEMORANDUM

Mr. Turner.

This case was reviewed by the Seed Grain Adjustment Board of Alberta under date of the 25th July, 1936, and the Board recommended that the liens be released from title to the S.W.¼ 16-7-25 W.4th if and when title became vested in the name of the Netherlands Investment Company of Canada, Limited. The report was forwarded with a list and received in this office on the 17th November, 1936. On the 27th idem Messrs. Bugill & O'Keefe, Barristers, Calgary, Alberta, advised that the said company had taken title. They were advised that a memorandum had been addressed to Council requesting ratification of the recommendation of the Seed Grain and Relief Adjustment Board, and that action would be taken immediately on receipt of the Order in Council to clear title to the S.W.¼ 16. This letter was dated the 9th December, and the memorandum to Council, the 10th.

As you are aware, this memorandum to Council, together with a number of others, was returned, as it was desired that these cases be grouped so that several would be covered by Order in Council.

On the 29th December Messrs. Bugill & O'Keefe again wrote asking when they might expect title to be cleared of the liens, and were advised along the same lines as before. This was followed by letters dated the 18th January and 10th February, the last of which now awaits reply.

- The delay -

The delay occasioned through holding this case pending receipt of the new regulations, is no doubt causing sore inconvenience to the Netherlands Investment Company of Canada, Limited, and there are a few other cases in which it is evident that serious inconvenience is being experienced by settlers who are endeavoring to secure loans under the Farmers' Creditors Arrangement Act, in several of which the officials who are handling the loans have been pressing for action. This being the case, I would suggest that, in order to avoid further delay, an effort be made to have those cases which appear urgent dealt with by using the forms which have been in use in the past few years.

24th February, 1943.

C. A. Port, Esq., Farmers' Creditors Arrangement Act, Department of Finance, Victoria Museum, O t t a w a, Ont.

By letter of December 2nd you were kind enough to forward me a copy of the order of the Board of Review regarding the proposal of Chris and Corinne Hilliard, Macleod, Alberta.

Would it be possible to obtain a copy of the statement of affairs submitted by the Hilliards? For your information I might say that the settlement made with the Hilliards has an effect on a suggested settlement on other land and their statement is required for purposes of comparison in this office.

If you have a spare copy of this statement or could obtain one I should consider it a favour if you would forward it to this office.

J. Lorne Turner,
Registrar of Lands.

According to Mr. Hewlett's latest proposal and the Board's recommendation, this amount would be applied on a prorata basis as follows:-

First mortgage	-	$353.00
Bank of Montreal	-	100.00
Royal Bank	-	100.00
Taxes	-	144.00
Dominion	-	420.30

leaving $200 to Mrs. Hilliard for her own personal requirements. However, he recommends, on compassionate grounds, that a complete discharge of the indebtedness under the Dominion liens be granted upon payment of the sum of $420.30.

The claim of the Bank of Montreal, or the Royal Bank, should not be considered and the Dominion should certainly not be required to give a complete discharge of its liens registered against a full quarter-section and take a loss of approximately $345, in order to clear title to 47 acres, particularly in view of the fact that if it is so desired it can enforce payment of the full amount due, $934.65, by seizure and sale of the said land as provided in the Act previously mentioned. I see no objection to the amount of $1500 being applied as follows:-

Mortgage	-	$353.00
Taxes	-	$144.00
Dominion	-	600.00 - for clearance of title of its liens in so far as 47 acres only is concerned.

This would leave Mrs. Hilliard $203.00.

It must not be forgotten that for the last 20 years the Mortgage Company and the Banks have been collecting on their claims carrying interest at 7 or 8 per cent, while the Dominion got nothing on its claim bearing interest at five per cent only.

Memorandum:-

Mr. Gibson.

Re - Account Chris Hilliard,
SW. 16 & NW. 9-7-25-W.4th M.

In 1915 this Department advanced Chris Hilliard seed grain $336.30 and fodder $84.00 on the security of -

SW¼ 16-7-25-W.4th M. - mortgaged to Netherlands Investment Company.

NW¼ 9-7-25-W.4th M. - mortgaged to Guelph and Ontario Investments & Savings Society.

Accounts were sent him every year from 1917 to 1950, and although he was also contacted on many occasions in those years by Seed Grain Collectors, one payment only of $40 was made in 1924.

The lienee and his wife, Corinne Hilliard, made application under the P.F.A.A. in 1935. On the recommendation of the Dominion Seed Grain Adjustment Board, the SW¼ 16 was released from the registration effected by the Dominion liens. The Netherlands Investment Company foreclosed, obtained title to the said SW¼ 16, and entered into an agreement for sale with a son of the Hilliards, as proposed by the Board of Review, P.F.A.A.

On the 23rd November last, Wm. Hewlett, Supervisor, Collection Branch, Department of Municipal Affairs, and Secretary of the Provincial Tax Consolidation Board, Seed Grain and Relief Adjustment Board, who also acts as Secretary to the Dominion Seed Grain Adjustment Board, forwarded to this office Board Order No. 8092, recommending -

(over)

"That upon application of the sum of three hundred dollars ($300.00) to the advances received by Chris. Hilliard, more particularly described in the attached report, the liens be discharged and the balance written off."

In this connection please see attached, Mr. Howlett's report to the Board, copy of my reply, his further report of the 28th ultimo, and Board Order No. 6092 amended, recommending -

"That, upon application of the sum of four hundred and twenty dollars and thirty cents, ($420.30), to the advances received by the late Christopher Hilliard, more particularly described in the attached report, the liens taken for security for the same be discharged and the balance of the indebtedness be written off."

Mr. Howlett also states -

"I am afraid that I cannot agree that it would be reasonable to expect payment to be made in full out of the monies which are to be paid to Mrs. Hilliard for expropriation of the forty-seven (47) acres, and I believe that you will agree with this view when further particulars are given, as will be the case in a subsequent report."

The Dominion's claim under the liens, interest computed to the 31st December, 1942, is made up as follows:-

Principal	Interest	Total.
$420.30	$544.35	$964.65

and is secured by the registration of liens against the NW¼ 9-7-25-W.4th, which take priority over all other liens, taxes, charges and other encumbrances whenever created upon such real property. See "An Act respecting Seed Grain, Fodder and other Relief", Chapter 14, Alberta 1915, also Statutes of Canada, 5 George V, Chapter 20.

It appears that Mrs. Hilliard is anxious to clear title to 47 acres of this land which have been expropriated for an Air Port. The sum involved in the sale is understood to be in the neighbourhood of $1300.

(next)

According to Mr. Mewlett's latest proposal and the Board's recommendation, this amount would be applied on a prorata basis as follows:-

First mortgage	-	$353.00
Bank of Montreal	-	100.00
Royal Bank	-	100.00
Taxes	-	144.00
Dominion	-	420.30

leaving $200 to Mrs. Hilliard for her own personal requirements. However, he recommends, on compassionate grounds, that a complete discharge of the indebtedness under the Dominion liens be granted upon payment of the sum of $420.30.

The claim of the Bank of Montreal, or the Royal Bank, should not be considered and the Dominion should certainly not be required to give a complete discharge of its liens registered against a full quarter-section and take a loss of approximately $345, in order to clear title to 47 acres, particularly in view of the fact that if it is so desired it can enforce payment of the full amount due, $954.65, by seizure and sale of the said land as provided in the Act previously mentioned. Mortgage	-	$353.00
Taxes	-	144.00
Dominion	-	600.00 - for clearance of title of its liens in so far as 47 acres only is concerned.

This would leave Mrs. Hilliard $293.00.

It must not be forgotten that for the last 20 years the Mortgage Company and the Banks have been collecting on their claims carrying interest at 7 or 8 per cent, while the Dominion got nothing on its claim bearing interest at five per cent only.

Your Ref. F.C.Acc. 356. D.H.107.

You wrote on the 2nd ultimo forwarding Board Order 3092 amended.

The Dominion liens take priority over all other liens, taxes, charges and other encumbrances, as provided in the Act, Chapter 14, 1915 Alberta, and Statutes of Canada, 5 George V, Chapter 20, assented to the 15th April, 1915.

The claims of the Bank of Montreal and Royal Bank are in connection with mortgages registered subsequent to the Dominion liens.

We would recommend the acceptance of $200 by the Dominion for release of its liens in so far as the 47 acres only are concerned.

Re: Account of Christopher Hilliard,
N.W.¼ 9-7-25-W4.

Dear Madam:

During the year 1915 while homesteading the above mentioned land, Mr. Christopher Hilliard received seed grain and fodder as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $618.73 of which $379.80 is principal and $238.93 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Dear Sir,

Re: Account of Christopher Hilliard,
NW¼ 9-[illegible]-25 W. 4th Mer.
Your file Nos. 1534760 & 1677467

Mrs. Corrine Hilliard of Fort Macleod, Alberta, has referred your letter of February 28th to me for a reply.

In 1943 the Department of Transport expropriated approximately 49 acres of the above quarter section of land for a temporary Air Force landing field south of Fort Macleod. The Seed Grain Branch of your Department was advised in regard to the payment covering the expropriated land and the amount of the Seed Grain Lien, including accrued interest, was paid by Mrs. Hilliard out of the funds payable by the Department of Transport to her. She is now at a loss to understand why there is any indebtedness in respect of 1915 Seed Grain indebtedness.

Mrs. Hilliard is now an old lady, in poor financial circumstances and in ill health and your letter has caused her a great deal of worry and suffering.

I shall be pleased if you will look into this matter and I am of the opinion that the old Seed Grain indebtedness against the lands of herllate husband, Christopher Hilliard, has been paid in full.

Yours truly,

Dear Sir:

Re: N.W. 9-7-25-W.4th

This will acknowledge your letter of the 7th of March, 1956, written on behalf of the present owner of the above land, Mrs. Corrine Hilliard, concerning the seed grain account of her late husband, Christopher Hilliard, which is still charged against the above land.

You have referred to a settlement made in 1943 at the time that the Department of Transport expropriated approximately 49 acres of this land for a temporary Air Force landing. Mrs. Hilliard is, apparently, now of the opinion that the payment of $600.00 which she made at that time was in full settlement of our account. However, in checking our files we find that the Seed Grain Advisory Board agreed to release our liens from the 49.73 acres in the airfield only, the balance of the indebtedness to be held against the remainder of the land.

According to the information you have given us, the present owner is an old lady in poor financial circumstances and in ill health. Under these circumstances and in view of the previous payment, possibly the Board will be willing to give consideration to the cancellation of the balance of the account. We are taking this matter up with them within the next few days and as soon as they have reached a decision, you will be further advised.

Yours very truly,

C. K. LeCapelain,
Chief, Lands Division.

RE: Account of Christopher Hilliard
N.W. ¼ 9-7-25-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to $420.30 were advanced to Christopher Hilliard on the security of the above mentioned land. Payments of $40.00 and $ 600.00 were received in 1925 and 1943, respectively, and applied to the principal and interest. Under authority of Order-in-Council P.C. No. 63/7263 dated the 17th of September, 1943, 47.93 acres of this quarter section was released as security for the liens on the payment of $600.00 and the balance of the indebtedness has since remained as a charge against the remainder of the N.W. ¼ 9-7-25-W.4th. The present standing of this account is:-

Principal	Interest	Total
$379.80	$238.93	$618.73

Patent was issued in the name of Christopher Hilliard for the N.W. ¼ 9-7-25-W.4th on the 22nd of January, 1914, and the land later became subject to the 1915 liens.

Due to crop failures and drought this quarter section of land has never been revenue producing sufficiently to enable the repayment of the liens. In 1943 47.93 acres of this quarter section was expropriated for an airport at which time the sum of $600.00 was collected and applied to the principal and interest of the account.

On the 7th of March, 1956, Mr. G. Rider Davis, Q.C., Barrister, Solicitor, Etc., of Fort Macleod, Alberta, wrote as follows:

"Mrs. Corrine Hilliard of Fort Macleod, Alberta, has referred your letter of February 28th to me for a reply.

In 1943 the Department of Transpo t expropriated approximately 49 acres of the above quarter section of land for a temporary Air Force landing fiel south of Fort Macleod. ..... 2

In view of the poor financial circumstances of the present owner and the substantial payments already received, it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

This will acknowledge your letter of the 15th Sept., 1951, and in reply our previous offer was to recommend the withdrawal of our liens from N.W. 32-4-9-W.4th only. However, since you have no further interest in the N. W. 32-4-9-W.4th we should be willing to recommend to the Seed Grain Advisory Board that our liens be withdrawn from N.W. 25-1-15-W.4th and S.E. 22-2-15-W.4th on the payment of $412.35. In that case our liens would still remain against the title to the N.W. 32-4-9-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $642.35 were advanced to George Frank Kuhl on the security of the N.W. 32-4-9-W.4th and the N.W. 25-1-15-W.4 and later became attached to the S.E. 22-2-15-W.4th. In 1926, a payment of $159.45 was received and applied to principal and interest. The present standing of this account is:-

Principal	Interest	Total
$ 571.80	$ 986.36	$ 1558.16

On the 7th of June, 1951, George F. Kuhl, Milk River, Alberta, wrote as follows:-

"Re Dominion Seed Grain - N.W. 32-4-9-W.4th.

This indebtedness has been carried for quite some time. Would like to get the principal balance paid off. In regard the interest I would like to have cancelled. In regard the principal which was $571.80 H.E. Kuhl, the present owner has paid $159.45 on the $571.80 indebtedness. Leaving principal $412.35. This $159.45 has been paid some time ago and the last report I got concerning this account the $159.45 did not show it had been credited.

If you people will accept $412.35 in full settlement for my indebtedness I will mail you a Money Order for $412.35.

Please let me hear from you regarding this offer."

The sum of $412.35, has been received to release the N.W. 25-1-15-W.4th and the S.E. 22-2-15-W.4th as security for our liens and the balance of the indebtedness to be held as a charge against the N.W. 32-4-9-W.4th. Under the circumstances, this is considered equitable.

Dear Sir:

In April of last year, we exchanged letters regarding the most efficient way to handle settlements of outstanding seed grain, fodder and relief accounts. At that time, it was agreed that we would refer to you for investigation and recommendation all cases in Alberta, where there was a possibility of negotiating a cash settlement.

It has now come to my attention that we have effected a settlement with George F. Kuhl for his account and have recommended release of the N.W. 25-1-15-W.4th and the S.E. 22-2-15-W.4th while retaining the indebtedness against the N.W. 32-4-9-W.4th.

It is regretted that this account was not referred to your office and we will exercise greater care in the future.

RE: N.W. 32-4-9-W.4th

I recently obtained an Abstract of Title from your office which shows a number of Dominion liens charged against the above land in the name of George Frank Kuhl. Upon receipt of this Abstract we wrote to the present owner Herbert T. Kuhl with a view to negotiating a settlement on our account.

Mr. Kuhl replied that his copies of the title for this land showed that these liens were cancelled and withdrawn in 1929. It will be appreciated if you will let us know whether you have any record of our liens being withdrawn from the N.W. 32-4-9-W.4th at that time.

If it is considered that the said liens are not a proper charge against the land in which you are interested a statutory declaration should be filed here setting forth the circumstances, and I enclosem blank form of declaration which may be used for this purpose.

Re Lot 1, Blk.23, Raymond, Plan 2039-I.

Please see Messrs Bernard, Bernard & Goodall's letter of the 16th September on file hereunder, marked, respecting two seed grain liens against the W.½ 28-5-17-W.4th Mer. and which they wish to have removed from Lot 1, Blk.23, Raymond, Plan 2039-I.

The Department wrote in reply under date the 30th September that as the said liens were considered not a proper charge against the town property a statutory declaration should be furnished.

The firm have again written to the effect that client Geo. W. Hone had a claim of $580.00 due under a mortgage made by Geo. H. Zufelt over Lot 1 above referred to, and as there was no prospect of obtaining anything from the borrower their client took a transfer although the lot was not worth the amount of the claim; that in view of this they thought it possible the Government would withdraw the lien in so far as it affects the lot.

Please say what action should now be taken.

18/12/18.

Since writing the above Mr. Campbell has reported that no further payments have been received in connection with Mr. Zufelt's account. As the W.½ 28-5-17-W.4th M. comprise two patented quarter sections on which there were good improvements when the patents were issued possibly in view of the special circumstances in this case you would consider the lands

sufficient security for the payment of the balance due on Mr. Zufelt's liens. You will observe that Mr. Zufelt paid $102.50 on account in 1916.

The request has been made that a partial withdrawal of the liens shall be made so as to release the lot in question, and in order that the Department may be in a position to deal intelligently in the matter I beg to request that you will be good enough to furnish me with an historical abstract of title of the said Lot 1, Blk.23, Raymond, Plan 2039-I as well as of the W½ & S½ 28-9-17-W.4th Mer..

N.C.Cote, Esq., I.S.O.,
Controller.

Re Lot 1, Blk.23, Plan 2039 I. Raymond.

Referring to my memorandum of the 3rd December on file hereunder, marked, the Registrar has now furnished abstract of title of the said lot which shows that title to this property has stood in the name of Geo. H. Zufelt since the 29th April, 1903, until the 12th June, 1916, when transfer was made to Geo. W. Hone. In the meantime the liens for $200.00 and $183.15 given by Mr. Zufelt were registered against the title (on 22nd November, 1915, and 15th July, 1915, respectively).

It is observed that the Hone mortgage for $500.00 was registered on the 24th April, 1912, and according to the abstract the mortgage was merged in the Certificate of Title 13 F. 37 under the transfer registered on the 12th June, 1916, to Geo. W. Hone. Messrs. Bernard, Bernard & Goodall who have written to the Department in this case make the claim that their client, Geo. W. Hone, had a claim for $580.00 due under the mortgage, and as there was no prospect of obtaining anything from the borrower Geo. W. Hone took a transfer although the lot was not worth the amount of the claim; that in view of this they thought it possible the Government would withdraw the lien in so far as it affects the lot. The liens are registered against the W.½ 28-5-17-W.4th Mer. which are two patented quarter sections on which there were good improvements when the patents were issued. Mr. Zufelt paid $100.50 on account in 1916.

Please say whether in these circumstances you consider the liens may be removed in so far as they affect Lot 1, Blk. 23 above mentioned.

Lot 1, Blk. 23, Plan 2039 I, Raymond.

Please see Messrs. Bernard, Bernard & Goodall's letter of the 16th September last on file hereunder, marked, respecting two seed grain liens given by Geo. H. Zufelt against the W.½ 28-5-17-W.4th Mer. and which they wish to have removed from Lot 1, Blk. 23, Plan 2039 I. Raymond. The Department wrote in reply under date the 20th September that if the said liens were considered not a proper charge against the town property a statutory declaration should be furnished. The firm have again written to the effect their client, Geo. V. Hone, had a claim of $580.00 due under a mortgage made by Geo. H. Zufelt over Lot 1 above referred to, and as there was no prospect of obtaining anything from the borrower their client took a transfer although the lot was not worth the amount of the claim; that in view of this they thought it possible the Government would withdraw the lien in so far as it affects the lot.

Mr. Zufelt gave liens for $183.15, $100.00 and $100.00 on account of which he paid $102.50 on the 8th May, 1916. According to abstracts of title, which have been furnished by the Registrar, Mr. Zufelt's full indebtedness has been registered against Lot 1, Blk. 23, Plan 2039 I. Raymond as well as against the N½ & S½ 28-5-17-W.4th Mer. The abstracts do not show that Mr. Zufelt ever owned the W.½ 28 against which he gave the liens but he has filed a caveat in connection with the S½ 28, and a letter on file dated the 2nd January addressed to the Agent at Lethbridge by Mr. L.V. Jacobs, Barrister, Cardston, goes to show that Mr. Weiss, the owner of the property, gave Zufelt consent to encumber the W.½ 28 at least to some extent; it therefore appears that Zufelt has a substantial interest in the W.½ Sec.28. Please say whether in these circumstances you consider the Department would be justified in granting the request of Messrs. Bernard, Bernard & Goodall to release the Lot in Raymond from the liens in question. As before stated Mr. Zufelt has paid $102.50 on account and possibly this might be considered as a sufficient payment to release the town property as has been done by the Department in many similar cases.

MEMORANDUM:

Mr. Campbell.

Re Lot 1, Blk. 23,
Plan 2039 I, Raymond.

G. H. Zufelt received the following advances from the Department giving as security liens on the W.½ 28-5-17-W4th. On his application for Seed Grain he stated that this was purchased land.

Principal Seed Grain.....$183.15
Int. at 5% from 15-5-15 to date of payment.
Principal Relief.....$100.00
Int. at 5% from 15-5-15 to date of payment.
Principal Fodder and Relief.....$100.00
Int. at 5% from 15-5-15 to date of payment.

Against which a payment of $102.50 was made on the 8th May, 1916.

These liens are also registered against the lot above described which stood in the name of Mr. Zufelt at the time the advances were made.

Messrs. Bernard, Bernard & Goodall representing Mr. G. W. Hone have written the Department stating that their client had a claim of $580.00 due under a Mortgage made by G. H. Zufelt over this property but as there was no prospect of obtaining anything from the borrower he took a transfer although the lot was not worth the amount of the claim. In view of these facts they thought it would be possible for the Department to withdraw the lien in-so-far as it affected the lot in question.

The remaining security in this case, i.e., the W.½ 28-5-17-W4th stands in the name of one Hugo Weiss. The liens given by Mr. Zufelt are registered against this half section.

On the 6th January last the Agent of Dominion Lands, Lethbridge forwarded to the Department a letter received from E. W. Jacobs, Barrister, Cardston stating that Mr. Weiss, the owner of the W.½ 28 claims that he gave consent for only a portion of the encumbrances above mentioned to be registered against this land. He also requested that we furnish him with the date of the Order given by Mr. Weiss for the obtaining of the Seed Grain, Fodder and Relief.

It would appear from this that Mr. Zufelt has an interest in this half section. There is no evidence on file, however, to indicate just what this interest amounts to.

W.W. Cory, Esq., C.M.G.,

Re Lot 1, Blk.23, Plan 2039 I,Raymond.

G.H. Zufelt received advances in 1915, giving as security the W.½.28-5-17-W.4th., to the amount of Seed Grain $183.15 and fodder and relief $200.00, against which he has made a payment of $102.50.

Mr. Zufelt owned the above lot and Messrs. Bernard, Bernard & Goodall representing Mr. G.W. Hone stated that their client had a claim of $500.00 under a mortgage against the above lot and that he had no prospect of obtaining anything from Mr. Zufelt, and took a transfer of this lot. They request that the Department remove the liens insofar as they affect this lot.

The W.½.28-5-17-W.4th, which Mr. Zufelt have as security is owner by one Mr. Hugo Weiss, who states that he only consented to a portion of the encumbrances being registered against this land.

There is no evidence to show just what interest Mr. Zufelt had in the above section.

Under the above circumstances, I beg to suggest that Mr. Cuttle be requested to investigate as to what security the Department has in the W.½.28.

I am further of the opinion that as this lot was evidently owned by Mr. Zufelt at the time he received the advance from the Dominion Government that it should not be released until payment in full of the indebtedness has been received.

Respectfully submitted,

Controller of Revenue.

Re Lot 1, Blk. 23, Plan 2039 I, Raymond.

With reference to your letter of the 30th October last respecting the liens given by Geo. H. Zufelt in connection with the W.½ 28-5-17-4.4th Mer. which have been registered against Lot 1, Blk. 23, Plan 2039 I, Raymond, at present owned by Mr. Hugo Weiss, I may say that this matter has been taken into very careful consideration but it is not considered that the Department would be justified in removing the liens from the lot in question.

The liens given by Mr. Zufelt were, according to the invariable practice, registered against all the property standing in his name and as Lot 1, Blk. 23, Plan 2039 I, Raymond was evidently owned by Mr. Zufelt at the time he received the advance from the Dominion Government the liens in question are a proper charge against the lot referred to, and the Department cannot therefore release this town property until payment in full of the indebtedness has been received.

Sir,-

Re S.I 28-5-17-W.4th Mer.

With further reference to my letter of the 15th ultimo and 25th January requesting you to furnish certain abstracts of title in connection with seed grain and relief indebtedness, you forwarded with your communication of the 22nd ultimo, enclosing the abstracts of the S.I 28-5-17-W.4th Mer., a statement of account for $2.50 fees. It was presumed that this account was sent here under some misapprehension as it has always been understood that under the Alberta Seed Grain Act of 1915, Section 10, such abstracts would be furnished free of any fee or charge, and as a matter of fact this has been the invariable practice both in Alberta and Saskatchewan. I may add that you have furnished such on several previous occasions without making any charge.

(ANCL)

I am therefore returning the account for $2.50 above mentioned.

W. W. Cory, Esq., C. M. G.,
Deputy Minister of the Interior.

In reference to letter hereunder from Mr. W. H. Weedie, Calgary, Alberta, concerning liens registered against the above described property I beg to advise you that on the 15th September, 1918, Messrs. Bernard, Bernard & Goodall, Barristers, Calgary, Alberta wrote the Controller of the Land Patents Branch advising him of the liens registered against this lot. They were requested to furnish full particulars, and on the 30th October, 1918, wrote stating that their client, Mr. George W. Rone, had a claim of $[illegible] for under a mortgage made by George W. Imfelt over Lot 1, Block 22, Plan registered 2079-I, and had taken a transfer of the lot, which was not worth this amount, and in view of this they requested that the Department withdraw the liens as affecting the said lot. While there are registrations for seed grain, fodder and relief against this lot amounting to $[illegible] I find on investigation that the only advances made to Mr. Imfeld were seed grain, $185.15, and fodder and relief, 200.00, a payment of $102.30 having been received on the 8th May, 1915, to apply against the fodder and relief indebtedness.

The advances were made in connection with the W.½ 28-8-17 4th, but on obtaining abstracts of title to the quarter sections, it was found that George W. Imfelt

had registered a caveat against the interest of one, Hugo Weiss, in the S.W.28-5-17 W4th. and that Hugo Weiss was not the registered owner of either the N.W. or S.W.28-5-17 W4th, although he evidently had some interest in both quarters.

On the 8th March, 1919, Mr. Cote recommended the release of the lot from the above mentioned registrations, and the matter was referred to this office for a report. In view of the fact that there was no evidence to show just what interest Mr. Mafelt had in the W.½ 28, I recommended that as the lot was evidently owned by Mr. Mafelt at the time he received the advance, it should not be released until payment in full of the indebtedness had been received. Also that Mr. Cuttle be requested to investigate as to what security the Department held in the W.½ 28.

This was approved, and Mr. Cote wrote Messrs. Bernard, Bernard & Goodall, advising them of the decision. Nothing appears to have been done, however, in regard to referring the matter to Mr. Cuttle, and no further payments have been received on the account since May, 1916.

Respectfully submitted,

Controller of Revenue.

Re Geo. W. Imfelt,
W.½ 26-5-17 4th, &
Lot 1, Blk.23, Raymond Plan
[illegible] Alta.

Sir:-

The above man received seed grain in 1915 to the amount of $183.15 giving as security for same a chattel mortgage dated the 15th May, 1915, and fodder and relief to the amount of [illegible].00. The land mentioned on the security is the W.½ 26-5-17 4th, which Mr. Imfelt swears to have been farming in 1915, and in which he evidently had some interest, although he was not the registered owner. He stated on an application for relief dated the 6th October, 1914, that he had bought this land on crop payments and had title to a house and lot in Raymond. The liens are duly registered against the half section and the lot mentioned above.

According to abstracts of title the W.½ 26-5-17 4th stood in the name of [illegible] Pike of New Dayton, Alberta, from the 11th July, 1913, to the 10th November, 1916, when title passed to Hugo Meier; the South West quarter stands in the name of John W. Nelson and Hugo Meier, and there is a caveat against same lodged by George W. Imfelt as to the interest of Hugo Meier.

On the 15th September, 1919, Messrs. [illegible], Barnard & Woodall, Barristers, Calgary, Alberta, wrote the Controller of the Land Patents Branch advising him of the registrations against the above mentioned lot. They

Yours respectfully

W. J. Little, Esq.,

were requested to furnish full particulars, and on the 30th October, 1918, wrote stating that their client, Mr. George T. Rose, had a claim of $800.00 due under a mortgage made by George H. Mufelt over this lot, and had taken a transfer of same, which was not worth this amount, and in view of this, they requested that the Department withdraw the lien as affecting the said lot. In view of the fact that there was no evidence to show just what interest Mr. Mufelt had in the S.½ 28-1-17 4th the Department decided to hold the lien against the lot, and Messrs. Bernard, Bernard & Proctil were so advised.

On the 10th instant Mr. T.T.Tweedie, M.P., Calgary Alberta, wrote requesting that the Department remove their lien as affecting Lot 1, Block 22, Raymond Plan 3039 "I", or endeavour to collect the balance due from Mr. Mufelt. The Deputy Minister therefore requests that you investigate with a view to finding out what interest Mr. Mufelt has in the S.½ 28-1-17 4th and make a strenuous effort to collect the full amount of the indebtedness.

I might add that on the 25th April, 1917, Mr. W. A. Cruickshank, Lethbridge, Alta., wrote the Department stating that Mr. Mufelt only received seed grain, $145.15 and one ton of hay, $14.85 and relief to the amount of $100.00. I am, therefore, furnishing you with an itemized statement of the account, as follows:-

Deputy Minister of the Interior.

Adverting to your memorandum of the 25rd November, requesting that instructions be issued to Mr. Cuttle to investigate that interest Mr. Unfelt holds in the above described land, also that he should make a strenuous effort to collect the full amount of the indebtedness, I beg to refer you to letters hereunder from Mr. Cuttle dated March 1st and March 19th, the former enclosing a report of Mr. W. W. Wright of his office, from which it would appear that there is no prospect at the present time of making a collection. Mr. Cuttle states that Unfelt would appear to have had a certain equity in the S.E. 28-8-17 24th, but in view of the fact that there is $100. for provisions outstanding, he recommends that this indebtedness be paid before the liens are discharged from the house property. I might state that in one of his applications for relief, Mr. Unfelt specifically mentioned the house and lot in Raymond. In view of these facts I would recommend that the liens be held against the house and lot, Lot 1, Block 33, Raymond Plan [illegible] "I", until payment of the outstanding relief indebtedness has been received.

This is to inform you that the sum of $100.00 remitted with your letter of the 29th ultimo has been duly received in this Office and applied to the credit of Mr. Geo. H. Zufelt's Seed Grain, Fodder, and Relief account as per statement herewith showing how the matter now stands.

As to the Fodder and Relief part of the account I can only say that according to our records Zufelt held the land under an Agreement of Sale and had at least enough equity in it to cover the value of the advance at the time it was made.

STATEMENT

of Seed Grain, Fodder and Relief indebtedness.

George H. Zufelt,
W.½ 28-5-17 W.4th.
Lot 1,Blk.23,Plan Raymond 2039,I.

Federal.

As per statement attached.

The seed grain application stated 120 acres were under cultivation for which 100 bushels of wheat and 39 bushels of oats were supplied.

Provincial & Federal.

No record.

Security.

N.W.28-5-17 W.4th.

This quarter section was patented to Pauline Pike of New Dayton, Alberta, as personal representative of Albert Boynton Pike, deceased, on the 30th May, 1912, and on the 16th November, 1912, a caveat was lodged by Hugo Weiss as to all the quarter. The seed grain application of George H. Zufelt stated that the W.½ 28-5-17 W.4th was purchased from Hugo Weiss, $2,000 having been paid. On the 28th November, 1917, Title issued to Hugo Weiss. It has since been purchased by Mr. R. F. Blake. While the half section was sold to Zufelt for $20.00 per acre, our inspector, in 1921, stated that it was doubtful if that price could then be obtained.

S.W.28-5-17 W.4th.

This quarter was patented to Swen Magnus Lovendahl of Warner, Alberta, on the 21st August, 1911, and was transferred to John H. Nelson and Hugo Weiss on the 6th October, 1912. On the 23rd September, 1913, a caveat was lodged by George H. Zufelt as to the interest of Hugo Weiss. This quarter also has been purchased by R. F. Blake.

Lot 1, Blk.23, Plan Raymond 2039,I.

According to an application for relief dated the 6th October, 1914, George H. Zufelt held title to this house and lot in Raymond at the time he received the advances in question, and while the liens were given against the farm property, the town property is mentioned as security. On the 16th September, 1918, Messrs. Bernard, Bernard & Goodall Barristers, Calgary, advised that their client, Mr. George H.

- Hone -

Home, had a claim of $560.00 due under a mortgage given by George H. Zufelt against this lot and had taken a transfer of same; that the property was not worth $500.00, and that their client wished to have the liens removed from title as he was unable to sell same owing to the seed grain liens. It was decided to hold the liens as a charge against the lot in question until payment in full of the relief indebtedness was received. The payment of $100.[illegible] made in 1924 was remitted by Hugo Weiss, who at that time stated his intention of paying the indebtedness as soon as possible, but protested that the relief should be a personal debt of Zufelt's, who had left the country.

MEMORANDUM:-

Mr. Perrin,

Re.-George H. Zufelt,
Lot 1, Block 23, Plan
Raymond 2039 1.
W. ½, 28-5-17-W. 3rd.

This case has received the investigation and recommendation of the Seed Grain Adjustment Board of Alberta as per reports attached to file dated the 16th of October and 30th November last.

The indebtedness in this case consists of advances made by the Dominion Government to the extent of $383.15 on which the amount due as on the 1st of October last, amounts to $366.26.

It is represented that these liens are registered against the above property.

Messrs. Bernard, Bernard & Goodall, Barristers of Calgary, representing the mortgagee George William Hone who held a mortgage for the sum of $500.00, have applied for the cancellation of the liens against Lot 1, Block 23, Plan Raymond 2039 1.

It is also represented that the actual Capital Expenditure outstanding under said mortgage, amounted to $841.66 with additional charges for interest amounting to approximately $110.00.

The sale price of this lot has been established at $350.00.

The Committee therefore recommends that in view of the loss sustained by the mortgagee, the liens be released from said lot without payment.

In respect to the W.½, 28-5-17-W. 3rd, title stands in the name of Hugo Weiss who sold the property under agreement of sale. As no application for an adjustment of the liens in so far as they affect this property has been made, the Committee therefore recommends that the liens remain a charge against this land and an effort made to collect.

I presume therefore that it will be in order to prepare the necessary memorandum to Council.

E. J. Fream, Esq.,
Chairman, Seed Grain Adjustment Board,

Dear Sir:-

Re: Geo. H. Zufelt - Dominion Liens,
Lot 1, Block 23, Plan Raymond 2039 I.

George William Hone held a mortgage for the sum of $500.00 which was registered on the title of the above described property on 24th of April 1912. The registered owner of this property was then George H. Zufelt who later obtained the following advances from the Dominion Government in respect of certain land which he was then farming:-

1915	Relief,	$100.00
1915	Relief,	22.00
1915	Fodder,	78.00
1915	Seed Grain,	183.15

He has repaid altogether $202.50 and it has been applied on Relief and Fodder, leaving outstanding in respect of all the advances, with interest to October 31st 1928 the sum of $366.26.

Liens to secure these advances are registered against the above described property.

Messrs. Bernard, Bernard & Goodall, barristers of Calgary representing the mortgagee, applied for cancellation of these liens. They have informed me that Zufelt has made no payments on account of this mortgage since December 1st 1913 and on June 8th 1916 he habe a transfer of the land to the mortgagee which was registered on 14th June 1916 so that the title now stands in the name of George William Hone, subject to the Seed Grain liens already mentioned.

In respect of their application for cancellation of these liens, they state that the actual capital expenditure outstanding under their client's mortgage is as follows:-

Balance of principal,	$400.00
Solicitors costs in connection with (the transfer,	19.65
Taxes paid,	422.01
	$841.66

There are additional charges for interest which was in arrears at date of transfer and fire insurance premiums amounting to approximately $110.00.

This property consists of the lot in the town of Raymond on which is situated a shack in very poor repair. It is understood that the site is a very damp one owing to the proximity

- of -

of a canal and that the maximum value at the present time does not exceed $350.00. It is indeed doubtful if such a place could be sold. At the present time it is rented to a woman who is in receipt of indigent relief from the town of Raymond. The town authorities refuse to pay any rent and the woman has no effects which it is possible to seize.

It is clear that the actual capital expenditure outstanding by the mortgagee exceeds the present sale value of the property and invview of the ruling received from the Department of the Interior that no objection will be raised to cancellation of the Dominion liens when a prior mortgagee can establish that a loss is being sustained, it is recommended that the Dominion liens registered against the title to this property be unconditionally released.

The liens are also registered against the W.½ 28-5-17-4, title to which stands in the name of Hugo Weiss who has sold the land under agreement for sale. As no application for adjustment of the liens in so far as they affect this property has been made it is recommended that no further action be taken in connection with the liens more than is necessary to clear the title to Lot 1, Block 23, Plan"Raymond 2039 I."

Yours truly,

Re: Lot 1, Block 23, Plan 2039 I
Raymond, Geo. H. Zufelt.

The Seed Grain and Relief Adjustment Board, appointed under Order P.C. 2200, hereby recommends that the liens now registered against Lot 1, Block 23, Plan 2039 I. in the Townsite of Raymond, covering advances made to George H. Zufelt be unconditionally discharged without requiring the persons interested on said Lot to make any payment on amount of the said liens.

In support of this recommendation the Board submits the Report of the Acting Director, Debt Adjustment Act, dated October 16th, 1928, which shows:

1. That prior to these advances being made this property was mortgaged to C.W. Hone of Calgary to secure the sum of $500.00.

2. That the mortgagor made no payments on account of his mortgage since 1918 and that he has given a transfer of the property to the mortgagee.

3. That the actual capital investment of the mortgage is $841.66 while the fair value of the property is only $350.00.

4. That as the capital expenditure of the mortgagee under the prior mortgage exceeds the value of the property and the mortgagee will sustain a heavy loss if it is desirable that the liens be discharged.

The Board therefore recommends the unconditional discharge of the liens only in so far as they are registered against Lot 1, Block 23, Plan 2039 I Raymond.

Re: W.½ of 28-8-17-4.

The Board understands that the liens are also registered against the W.½ of 28-8-17-4 and it is recommended that the liens remain against this land and an effort made to collect same, the purpose of this recommendation being to secure the release of the lot situate on the townsite of Raymond only.

Re: Account of Geo. H. Zufelt,
NE 28-5-17-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Geo. H. Zufelt received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $685.64 of which $233.02 is principal and $452.62 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

RE: Account of Geo. H. Zufelt
W½ 28-5-17-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $383.15 were advanced to Geo. H. Zufelt on the security of the above described land. In 1915 and 1924 payments of $102.50 and $100.00, respectively, were received and applied to principal and interest. The present standing of this account is as follows:-

Principal	Interest	Total
$233.02	$452.62	$685.64

In reply to our enquiry concerning the Federal indebtedness charged against the land, Messrs. Davidson, Davidson & Williams, Barristers and Solicitors, Etc., Lethbridge, Alberta, on the 20th of July, 1956, wrote as follows:-

"Your letter of February 16th, 1956 addressed to Hugo Weiss has come to our attention through Mr. Anderson, our client, who is in possession of the lands in question.

The best information we can get with regard to Zufelt is that he left the country many years ago and that he subsequently died. Hugo Weiss apparently acquired the land from him and in 1931 sold it under an Agreement for Sale to Angus Anderson, who is still in possession, but who after 25 years has not been able to complete his payments to Weiss. In fact, if he had been able to make any payments, he would not have known where to make them, as Weiss seemed to have disappeared. We are considering making an application on behalf of Anderson for title by reason of adverse possession.

Our information is that the land is marginal and should not have been settled as a homestead.

We presume that any order we might get from the Court giving Anderson title as against Weiss would not affect the liens in question. In order to get them off the title, we are prepared to recommend to Mr. Anderson that he pays a nominal sum of $75.00. It seems to us that to all the circumstances and after a lapse of 40 years, this offer ought to be accepted."

The assessed value of this half-section in 1952 was only $1,330.00.

After negotations the nominal sum of $75.00 has been received in full settlement of our account. Under the circumstances and in view of the previous substantial payments, this is considered equitable.

W.J. Taylor.

MEMORANDUM:-

N. O. Cote, Esq., L.S.O.,
Controller.

Re Lot 1, Blk.23, Raymond, Plan 2039-I.

Please see Messrs Bernard, Bernard & Goodall's letter of the 16th September on file hereunder, marked, respecting two seed grain liens against the W.½ 28-5-17-W.4th Mer. and which they wish to have removed from Lot 1, Blk.23, Raymond, Plan 2039-I.

The Department wrote in reply under date the 30th September that if the said liens were considered not a proper charge against the town property a statutory declaration should be furnished.

The firm have again written to the effect that client Geo. W. Hone had a claim of $580.00 due under a mortgage made by Geo. H. Zufelt over Lot 1 above referred to. and as there was no prospect of obtaining anything from the borrower their client took a transfer although the lot was not worth the amount of the claim; that in view of this they thought it possible the Government would withdraw the lien in so far as it affects the lot.

Please say what action should now be taken.

18/12/18.

Since writing the above Mr. Campbell has reported that no further payments have been received in connection with Mr. Zufelt's account. As the W.½ 28-5-17-W.4th M. comprise two patented quarter sections on which there were good improvements when the patents were issued possibly in view of the special circumstances in this case you would consider the lands

(over)

sufficient security for the payment of the balance due on Mr. Zufelt's liens. You will observe that Mr. Zufelt paid $102.50 on account in 1916.

I beg to inform you that representations have been made to this Department that the liens given by Geo. H. Lufelt in connection with the W.½ 28-9-17-W.4th Mer. are registered against Lot 1, Blk. 23, Raymond, Plan 2039-I transfer of which has been obtained by Geo. S. Hone who had a claim of $380.00 due under a mortgage made by Mr. Lufelt over the said lot. The request has been made that a partial withdrawal of the liens shall be made so as to release the lot in question, and in order that the Department may be in a position to deal intelligently in the matter I beg to request that you will be good enough to furnish me with an historical abstract of title of the said Lot 1, Blk.23, Raymond, Plan 2039-I as well as of the W½ & S½ 28-9-17-W.4th Mer..

MEMORANDUM:-

W.C.Cote, Esq., I.S.O.,
Controller.

Re Lot 1, Blk.23, Plan 2039 I. Raymond.

Referring to my memorandum of the 3rd December on file hereunder, marked, the Registrar has now furnished abstract of title of the said lot which shows that title to this property has stood in the name of Geo. H. Zufelt ~~xxxx~~ the 29th April, 1903, until the 12th June, 1916, when transfer was made to Geo. W. Hone. In the meantime the liens for $200.00 and $183.15 given by Mr. Zufelt were registered against the title (on 22nd November, 1915, and 15th July, 1915, respectively).

It is observed that the Hone mortgage for $500.00 was registered on the 24th April, 1912, and according to the abstract the mortgage was merged in the Certificate of Title 13 F. 37 under the transfer registered on the 12th June, 1916, to Geo. W. Hone. Messrs. Bernard, Bernard & Goodall who have written to the Department in this case make the claim that their client, Geo. W. Hone, had a claim for $580.00 due under the mortgage, and as there was no prospect of obtaining anything from the borrower Geo. W. Hone took a transfer although the lot was not worth the amount of the claim; that in view of this they thought it possible the Government would withdraw the lien in so far as it affects the lot. The liens are registered against the W.½ 28-5-17-W.4th Mer. which are two patented quarter sections on which there were good improvements when the patents were issued. Mr. Zufelt paid $100.50 on account in 1914.

Please say whether in these circumstances you consider the liens may be removed in so far as they affect Lot 1, Blk. 23 above mentioned.

MEMORANDUM:-

Controller.

Lot 1, Blk. 23, Plan 2039 I, Raymond.

Please see Messrs. Bernard, Bernard & Goodall's letter of the 16th September last on file hereunder, marked, respecting two seed grain liens given by Geo. H. Zufelt against the W.½ 28-5-17-W.4th Mer. and which they wish to have removed from Lot 1, Blk. 23, Plan 2039 I. Raymond. The Department wrote in reply under date the 30th September that if the said liens were considered not a proper charge against the town property a statutory declaration should be furnished. The firm have again written to the effect their client, Geo. W. Hone, had a claim of $580.00 due under a mortgage made by Geo. H. Zufelt over Lot 1 above referred to, and as there was no prospect of obtaining anything from the borrower their client took a transfer although the lot was not worth the amount of the claim; that in view of this they thought it possible the Government would withdraw the lien in so far as it affects the lot.

Mr. Zufelt gave liens for $183.15, $100.00 and $100.00 on account of which he paid $102.50 on the 8th May, 1916. According to abstracts of title, which have been furnished by the Registrar, Mr. Zufelt's full indebtedness has been registered against Lot 1, Blk. 23, Plan 2039 I. Raymond as well as against the NW¼ & SW¼ 28-5-17-W.4th Mer. The abstracts do not show that Mr. Zufelt ever owned the W.½ 28 against which he gave the liens but he has filed a caveat in connection with the SW¼ 28, and a letter on file dated the 2nd January addressed to the Agent at Lethbridge by Mr. L. W. Jacobs, Barrister, Cardston, goes to show that Mr. Weiss, the owner of the property, gave Zufelt consent to encumber the W.½ 28 at least to some extent; it therefore appears that Zufelt has a substantial interest in the W.½ Sec 28. Please say whether in these circumstances you consider the Department would be justified in granting the request of Messrs. Bernard, Bernard & Goodall to release the Lot in Raymond from the liens in question. As before stated Mr. Zufelt has paid $102.50 on account and possibly this might be considered as a sufficient payment to release the town property as has been done by the Department in many similar cases.

MEMORANDUM:

Mr. Campbell.

Re Lot 1, Blk. 23,
Plan 2039 I, Raymond.

G. H. Zufelt received the following advances from the Department giving as security liens on the W.½ 28-5-17-W4th. On his application for Seed Grain he stated that this was purchased land.

Principal Seed Grain.....$183.15
Int. at 5% from 15-5-15 to date of payment.
Principal Relief.....$100.00
Int. at 5% from 15-5-15 to date of payment.
Principal Fodder and Relief.....$100.00
Int. at 5% from 15-5-15 to date of payment.

Against which a payment of $102.50 was made on the 8th May, 1916.

These liens are also registered against the lot above described which stood in the name of Mr. Zufelt at the time the advances were made.

Messrs. Bernard, Bernard & Goodall representing Mr. G. W. Hone have written the Department stating that their client had a claim of $980.00 due under a Mortgage made by G. H. Zufelt over this property but as there was no prospect of obtaining anything from the borrower he took a transfer although the lot was not worth the amount of the claim. In view of these facts they thought it would be possible for the Department to withdraw the lien in-so-far as it affected the lot in question.

The remaining security in this case, i.e., the W.½ 28-5-17-W4th stands in the name of one Hugo Weiss. The liens given by Mr. Zufelt are registered against this half section.

On the 6th January last the Agent of Dominion Lands, Lethbridge forwarded to the Department a letter received from Z. W. Jacobs, Barrister, Cardston stating that Mr. Weiss, the owner of the W.½ 28 claims that he gave consent for only a portion of the encumbrances above mentioned to be registered against this land. He also requested that we furnish him with the date of the Order given by Mr. Weiss for the obtaining of the Seed Grain, Fodder and Relief.

It would appear from this that Mr. Zufelt has an interest in this half section. There is no evidence on file, however, to indicate just what this interest amounts to.

W.W. Cory, Esq., C.M.G.,

Re Lot 1, Blk.23, Plan 2039 I,Raymond.

G.H. Zufelt received advances in 1915, giving as security the W.½.26-8-17-W.4th., to the amount of Seed Grain $163.15 and fodder and relief $200.00, against which he has made a payment of $102.80.

Mr. Zufelt owned the above lot and Messrs. Bernard, Bernard & Goodall representing Mr. G.W. Hone stated that their client had a claim of $560.00 under a mortgage against the above lot and that he had no prospect of obtaining anything from Mr. Zufelt, and took a transfer of this lot. They request that the Department remove the liens insofar as they effect this lot.

The W.½.26-8-17-W.4th, which Mr. Zufelt gave as security is owned by one Mr. Hugo Weiss, who states that he only consented to a portion of the encumbrances being registered against this land.

There is no evidence to show just what interest Mr. Zufelt had in the above section.

Under the above circumstances, I beg to suggest that Mr. Cuttle be requested to investigate as to what security the Department has in the W.½.26.

I am further of the opinion that as this lot was evidently owned by Mr. Zufelt at the time he received the advance from the Dominion Government that it should not be released until payment in full of the indebtedness has been received.

Respectfully submitted,

Controller of Revenue.

Gentlemen:-

Re Lot 1, Blk. 23, Plan 2039 I, Raymond.

With reference to your letter of the 30th October last respecting the liens given by Geo. H. Zufelt in connection with the W.½ 28-5-17-W.4th Mer. which have been registered against Lot 1, Blk. 23, Plan 2039 I, Raymond, at present owned by Mr. Hugo Weiss, I may say that this matter has been taken into very careful consideration but it is not considered that the Department would be justified in removing the liens from the lot in question.

The liens given by Mr. Zufelt were, according to the invariable practice, registered against all the property standing in his name and as Lot 1, Blk. 23, Plan 2039 I, Raymond was evidently owned by Mr. Zufelt at the time he received the advance from the Dominion Governme the liens in question are a proper charge against the lot referred to, and the Department cannot therefore release this town property until payment in full of the indebtedness has been received.

Re S.A 26-5-17-6.4th Mer.

With further reference to my letter of the 15th ultimo and 25th January requesting you to furnish certain abstracts of title in connection with seed grain and relief indebtedness, you forwarded with your communication of the 22nd ultimo, enclosing the abstracts of the S.A 26-5-17-S.4th Mer., a statement of account for $2.50 fees. It was presumed that this account was sent here under some misapprehension as it has always been understood that under the Alberta Seed Grain Act of 1915, Section 10, such abstracts would be furnished free of any fee or charge, and as a matter of fact this has been the invariable practice both in Alberta and Saskatchewan. I may add that you have furnished such on several previous occasions without making any charge.

I am therefore returning the account for $2.50 above mentioned.

2039 "T"- George H.Zufelt-G.W.Hone

I am in receipt of a letter from Messrs. Bernard, Bernard & Goodall in connection with the above described property and the seed grain lien recorded thereon, which reads as follows:-

"On the 21st April 1912 George H. Zufelt of Raymond Alberta mortgaged the above described property to our client Mr. G. W. Hone for the sum of $500.00 - Zufelt became much in arrear in his payments and his interest in the property was foreclosued, but on obtaining Certificate of Title, Seed Grain Liens were recorded thereon amounting to $583.00 for seed grain and relief in the year 1915.

The Seed Grain and relief were obtained by Zufelt for his farm (at Warner we believe) and of course could not be used on the Town lot the subject security given to our client.

We cannot sell the property at Raymond owing to the Seed Grain incumbrance and as a matter of fact the property to-day is not worth $500.00 and it appears to us a great hardship on our client Mr. Hone to be obliged to lose his money owing to the liens being registered

W. W. Cory, Esq., C. M. G.,
Deputy Minister of the Interior.

In reference to letter hereunder from Mr. T. M. Tweedie, Calgary, Alberta, concerning liens registered against the above described property, I beg to advise you that on the 16th September, 1918, Messrs. Bernard, Bernard & Goodall, Barristers, Calgary, Alberta, wrote the Controller of the Land Patents Branch advising him of the liens registered against this lot. They were requested to furnish full particulars, and on the 30th October, 1918, wrote stating that their client, Mr. George W. Hone, had a claim of $580.00 due under a mortgage made by George H. Zufelt over Lot 1, Block 23, Plan Raymond 2039-I, and had taken a transfer of the lot, which was not worth this amount, and in view of this they requested that the Department withdraw the liens as affecting the said lot. While there are registrations for seed grain, fodder and relief against this lot amounting to $583.15 I find on investigation that the only advances made to Mr. Zufeld were seed grain, $183.15, and fodder and relief, $200.00, a payment of $102.50 having been received on the 8th May, 1916, to apply against the fodder and relief indebtedness.

The advances were made in connection with the W.½ 28-5-17 W4th, but on obtaining abstracts of title to the quarter sections, it was found that George H. Zufelt

had registered

Department of the Interior

Canada

had registered a caveat against the interest of one, Hugo Weiss, in the S.W.28-5-17 W4th, and that Hugo Weiss was not the registered owner of either the N.W. or S.W.28-5-17 W4th, although he evidently had some interest in both quarters.

On the 8th March, 1919, Mr. Cote recommended the release of the lot from the above mentioned registrations, and the matter was referred to this office for a report. In view of the fact that there was no evidence to show just what interest Mr. Lufelt had in the W.½ 28, I recommended that as the lot was evidently owned by Mr. Lufelt at the time he received the advance, it should not be released until payment in full of the indebtedness had been received. Also that Mr. Cuttle be requested to investigate as to what security the Department held in the W.½ 28.

This was approved, and Mr. Cote wrote Messrs. Bernard, Bernard & Goodall, advising them of the decision. Nothing appears to have been done, however, in regard to referring the matter to Mr. Cuttle, and no further payments have been received on the account since May, 1916.

Respectfully submitted,

Controller of Revenue.

23rd November, 1920.

Dear Mr. Tweedie,-

I have your letter of the 10th instant, asking that the seed grain indebtedness of George H. Zufelt be discharged insofar as it affects Lot 1, Block 23, Raymond Plan 2039 "I".

I may say in reply that the indebtedness of Mr. Zufelt was incurred as a charge for seed grain, fodder and relief, in connection with the West ½ of Section 28, Township 5, Range 17, West of the 4th Meridian, in which land Mr. Zufelt evidently had only a possessory interest.

This matter was submitted for consideration sometime ago, and it was decided in view of the fact that only $102.50 had been paid, and as the lot was evidently owned by Mr. Zufelt at the time he obtained the advance, the property should not be released until payment in full of the indebtedness had been received. We have obtained Abstracts of Title to the West ½ of Section 28, Township 5, Range 17, West of the 4th Meridian, and neither quarter-section is registered in Mr. Zufelt's name, although sometime ago he registered a caveat against one of the quarter-sections.

We.....

Re Geo. H. Lufelt,
W.½ 28-5-17 W4th, &
Lot 1, Blk.25, Raymond Plan
2039 "I".

Sir:-

The above man received seed grain in 1915 to the amount of $183.15 giving as security for same a chattel mortgage dated the 15th May, 1915, and fodder and relief to the amount of $200.00. The land mentioned on the security is the W.½ 28-5-17 W4th, which Mr. Lufelt appears to have been farming in 1915, and in which he evidently had some interest, although he was not the registered owner. He stated on an application for relief dated the 6th October, 1914, that he had bought this land on crop payments and had title to a house and lot in Raymond. The liens are duly registered against the half section and the lot mentioned above.

According to abstracts of title the W.½.28 5-17 W4th stood in the name of Pauline Fife of New Dayton, Alberta, from the 11th July, 1913, to the 10th November, 1915, when title passed to Hugo Weiss; the South West quarter stands in the name of John W. Nelson and Hugo Weiss, and there is a caveat against same lodged by George H. Lufelt as to the interest of Hugo Weiss.

On the 16th September, 1918, Messrs. Bernard, Bernard & Goodall, Barristers, Calgary, Alberta, wrote the Controller of the Land Patents Branch advising him of the registrations against the above mentioned lot. They were requested

H. S. Cattle, Esq.,
Supt.of western Land Agencies,
Winnipeg, Canada.

were requested to furnish full particulars, and on the 30th October, 1918, wrote stating that their client, Mr. George W. Hone, had a claim of $580.00 due under a mortgage made by George H. Lufelt over this lot, and had taken a transfer of same, which was not worth this amount, and in view of this, they requested that the Department withdraw the liens as affecting the said lot. In view of the fact that there was no evidence to show just what interest Mr. Lufelt had in the W.½ 26-8-17 W4th the Department decided to hold the liens against the lot, and Messrs. Bernard, Bernard & Gordall were so advised.

On the 10th instant Mr. W.M.Tweedie, M.P., Calgary Alberta, wrote requesting that the Department remove these liens as affecting Lot 1, Block 33, Raymond Plan 2079 "I", or endeavour to collect the balance due from Mr. Lufelt. The Deputy Minister therefore requests that you investigate with a view to finding out what interest Mr. Lufelt has in the W.½ 26-8-17 W4th and make a strenuous effort to collect the full amount of the indebtedness.

I might add that on the 25th April, 1917, Mr. T. A. Spackman, Blakeville, Alta., wrote the Department stating that Mr. Lufelt only received seed grain, $193.15 and one ton of hay, $14.25, and relief to the amount of $100.00. I am, therefore, furnishing you with an itemized statement of the account, as follows:-

It is questionable if this half section would now sell for $20. per Acre though good crops would bring its value up later on.

Concerning the above party, I ascertained that he is now in Eureka Montana, with his three sons, 22, 21 and 18 years old. He went there last November to get work to support his family, Mrs Zufelt is living in the Town of Warner Alta, in a rented house with the two youngest children aged 13 & 15 she came here on October 15th 1919, from the farm. W½-28-5-17 W4 as there was no crop and the husband went to work in Coaldale

Mrs Zufelt states that they bought the ½ Section on half crop payments in 1914, at $20. per Acre, the owner being Hugo Weiss and he was to assume the two Mortgages for $1200. and $800. respectfully. There was a small crop in 1914 and 1915 of no value, all seed from the Government sowed on this half Sect, in 1916 there was an 18 to 20 bush crop and half of this went to Mr Weiss, in 1917 yield was only 7 bush and ½ went to Weiss, in 1918 and 1919 there was no crop, in 1920 last season, there was 100 Acres in Wheat and 30 Acres in Oats result was 900 bush Wheat but Oats were only fit for feed, (three loads) .The Bank manager took the Grain Checks and paid the Threshing Acct and Sec Treas for 1920 Seed and paid Weiss his half share.

There is no area ready for Crop this year but if the husband is financially able to he will put some in.

John H.Nelson is a brother-in-law to Weiss the latter lives in River Falls Wisconsin.

He has now reported, and you will now find attached a copy of same.

As Mr. Zufelt purchased this half section on half crop payments in 1914 at $20.00 per acre, I am of the opinion that he had a certain equity in the land, and that the seed grain indebtedness is a proper charge, and should be paid before the liens are discharged.

In reference to yours of the 14th instant, your file Nos. 1552237 and 1555269, regarding seed grain indebtedness against the above in connection with a release of the house and lot, Lot 1, Block 23, Raymond Plan 2039 "I", which stood in Mr. Zufelt's name at the time he obtained advance, I beg to say I am of the opinion that the relief indebtedness incurred by the above man should be paid in full before liens are discharged from the house property.

I notice there is certain provisions furnished as well as fodder amounting to $100.00, and I feel it best that this indebtedness be paid and then liens discharged from the house property. This would leave the principal seed grain lien registered against the land.

Re W.½ of 20-8-17-W.4th Mer.

This is to inform you that the sum of $100.00 remitted with your letter of the 29th ultimo has been duly received in this Office and applied to the credit of Mr. Geo. H. Zufelt's Seed Grain, Fodder, and Relief account as per statement herewith showing how the matter now stands.

As to the Fodder and Relief part of the account I can only say that according to our records Zufelt held the land under an Agreement of Sale and had at least enough equity in it to cover the value of the advance at the time it was made.

This quarter section was patented to Pauline Pike of New Dayton, Alberta, as personal representative of Albert Boynton Pike, deceased, on the 30th May, 1912, and on the 18th November, 1912, a caveat was lodged by Hugo Weiss as to all the quarter. The seed grain application of George H. Zufelt stated that the W.½ 28-5-17 W.4th was purchased from Hugo Weiss, $2,000 having been paid. On the 28th November, 1917, Title issued to Hugo Weiss. It has since been purchased by Mr. R. P. Blake. While the half section was sold to Zufelt for $20.00 per acre, our inspector, in 1921, stated that it was doubtful if that price could then be obtained.

This quarter was patented to Swen Magnus Lovendahl of Warner, Alberta, on the 21st August, 1911, and was transferred to John H. Nelson and Hugo Weiss on the 8th October, 1912. On the 23rd September, 1913, a caveat was lodged by George H. Zufelt as to the interest of Hugo Weiss. This quarter also has been purchased by R. P. Blake.

According to an application for relief dated the 6th October, 1914, George H. Zufelt held title to this house and lot in Raymond at the time he received the advances in question, and while the liens were given against the farm property, the town property is mentioned as security. On the 16th September, 1918, Messrs. Bernard, Bernard & Goode, Barristers, Calgary, advised that their client, Mr. George

It was decided to hold the liens as a charge against the lot in question until payment in full of the relief indebtedness was received. The payment of $100.[illegible] made in 1924 was remitted by Hugo Weiss, who at that time stated his intention of paying the indebtedness as soon as possible, but protested that the relief should be a personal debt of Zufelt's, who had left the country.

October 16th 1928.

There are additional charges for interest which was in arrears at date of transfer and fire insurance premiums accurting to approximately $110.00.

This property consists of the lot in the town of Raymond on which is situated a shack in very poor repair. It is understood that the site is a very damp one owing to the proximity of a canal and that the maximum value at the present time does not exceed $350.00. It is indeed doubtful if such a place could be sold. At the present time it is rented to a woman who is in receipt of indigent relief from the town of Raymond. The town authorities refuse to pay any rent and the woman has no effects which it is possible to seize.

It is clear that the actual capital expenditure outstanding by the mortgagee exceeds the present sale value of the property and in view of the ruling received from the Department of the Interior that no objection will be raised to cancellation of the Dominion liens when a prior mortgagee can establish that a loss is being sustained, it is recommended that the Dominion liens registered against the title to this property be unconditionally released.

The liens are also registered against the W½ 28-5-17-4, title to which stands in the name of Hugo Weiss who has sold the land under agreement for sale. As no application for adjustment of the liens in so far as they affect this property has been made it is recommended that no further action be taken in connection with the liens more than is necessary to clear the title to Lot 1, Block 23, Plan "Raymond 2039 I."

E. J. Fream, Esq.,
Chairman, Seed Grain Adjustment Board,
EDMONTON, Alberta,

Dear Sir;-

Re: Geo. H. Zufelt - Dominion Liens,
Lot 1, Block 23, Plan Raymond 2039 I.

George William Hone held a mortgage for the sum of $500.00 which was registered on the title of the above described property on 24th April 1912. The registered owner of this property was then George H. Zufelt who later obtained the following advances from the Dominion Government in respect of certain land which he was then farming;-

1915	Relief,	$100.00
1915	Relief,	22.00
1915	Fodder,	78.00
1915	Seed Grain,	183.15

He has repaid altogether $202.50 and it has been applied on Relief and Fodder, leaving outstanding in respect of all the advances, with interest to October 31st 1928 the sum of $366.26.

Liens to secure these advances are registered against the above described property.

Messrs. Bernard, Bernard & Goodall, barristers of Calgary representing the mortgagee, applied for cancellation of these liens. They have informed me that Zufelt has made no payments on account of this mortgage since December 1st 1913 and on June 5th 1916 he gave a transfer of the land to the mortgagee which was registered on 14th June 1916 so that the title nowstands in the name of George William Hone, subject to the Seed Grain liens already mentioned.

In respect of their application for cancellation of these liens, they state that the actual capital expenditure outstanding under their client's mortgage is as follows;-

Balance of principal,	$400.00
Solicitors costs in connection with the transfer	19.65
Taxes paid,	422.01
	$841.66.

BOARD ORDER No. 376

MR. PERRIN

5320935

Edmonton, Alta., November 30th, 1928.

COMMISSIONER DOMINION LANDS

RE: Lot 1, Block 23, Plan 2039 I
Raymond, Geo. H. Zufelt.

The Seed Grain and Relief Adjustment Board, appointed under Order P.C. 2200, hereby recommends that the liens now registered against Lot. 1 Block 23 Plain 2039 I. in the Townsite of Raymond, covering advances made to George H. Zufelt be unconditionally discharged without requiring the persons interested on said Lot to make any payment on amount of the said liens.

In support of this recommendation the Board submits the Report of the Acting Director, Debt Adjustment Act, dated October 16th, 1928, which shows:

1. That prior to these advances being made this property was mortgaged to G.T. Hone of Calgary to secure the sum of $500.00.

2. That the mortgagor made no payments on account of his mortgage since 1913 and that he has given a transfer of the property to the mortgagee.

3. That the actual capital investment of the mortgage is $841.66 while the fair value of the property is only 350.00.

4. That as the capital expenditure of the mortgagee under the prior mortgage exceeds the value of the property and the mortgagee will sustain a heavy loss if it is desirable that the liens be discharged.

The Board therefore recommends the unconditional discharge of the liens only in so far as they are registered against Lot 1 Block 23 Plan 2039 I Raymond.

RE: W.½ of 28-5-17-4.

The Board understands that the liens are also registered against the W.½ of 28-5-17-4 and it is recommended

that the liens remain against this land and an effort made to collect same, the purpose of this recommendation being to secure the release of the lot situate on the townsite of Raymond only.

MEMORANDUM:-

MR. PERRIN

INTERIOR
DOMINION LANDS
REGINA

Mr. Perrin,

Re.-George H. Zufelt,
Lot 1, Block 23, Plan
Raymond 2039 1.
W. ½. 28-5-17-W. 4rd.

This case has received the investigation and recommendation of the Seed Grain Adjustment Board of Alberta as per reports attached to file dated the 16th of October and 30th November last.

The indebtedness in this case consists of advances made by the Dominion Government to the extent of $383.15 on which the amount due as on the 1st of October last, amounts to $366.26.

It is represented that these liens are registered against the above property.

Messrs. Bernard, Bernard & Goodall, Barristers of Calgary, representing the mortgagee George William Hone who held a mortgage for the sum of $500.00, have applied for the cancellation of the liens against Lot 1, Block 23, Plan Raymond 2039 1.

It is also represented that the actual Capital Expenditure outstanding under said mortgage, amounted to $841.66 with additional charges for interest amounting to approximately $110.00.

The sale price of this lot has been established at $350.00.

The Committee therefore recommends that in view of the loss sustained by the mortgagee, the liens be released from said lot without payment.

In respect to the W.½, 28-5-17-W. 4rd, title stands in the name of Hugo Weiss who sold the property under agreement of sale. As no application for an adjustment of the liens in so far as they affect this property has been made, the Committee therefore recommends that the liens remain a charge against this land and an effort made to collect.

I presume therefore that it will be in order to prepare the necessary memorandum to Council.

Dear Sir:

In attempting to trace my citizenship status, I have been referred to you by our Local office.

My parents moved to Canada (in the vicinity of Tyrels Lake, Alberta) around the year 1908. I was born in 1910, and find that if my parents did not homestead or prove up on their homestead by the time that I was born, I am still a citizen of the United States (my father was a U. S. citizen). Do you have any record of Magnus Swen Lovendahl ever homesteading or proving up on a homestead?

Not being sure of my status, I registered under the Alien Registration Act and I would appreciate any definite information you might give to me, so that I in turn can prove my Citizenship to them.

Is it possible to get a Birth Certificate or any credentials of my birth needed for my use here?

I am enclosing a self-addressed stamped envelope for your convenience.

Thank you for any information that you might be able to forward. It will be greatly appreciated.

Re: Account of Geo. H. Zufelt,
NE 28-5-17-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Geo. H. Zufelt received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $685.64 of which $233.02 is principal and $452.62 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Your files No.1555269
and No.1552237.

Your letter of February 16th, 1956 addressed to Hugo Weiss has come to our attention through Mr.Anderson, our client, who is in possession of the lands in question.

The best information we can get with regard to Zufelt is that he left the country many years ago and that he subsequently died. Hugo Weiss apparently acquired the land from him and in 1931 sold it under an Agreement for Sale to Angus Anderson, who is still in possession, but who after 25 years has not been able to complete his payments to Weiss. In fact, if he had been able to make any payments, he would not have known where to make them, as Weiss seemed to have disappeared. We are considering making an application on behalf of Anderson for title by reason of adverse possession.

Davidson, Davidson & Williams

Our information is that the land is marginal and should not have been settled as a homestead.

We presume that any order we might get from the Court giving Anderson title as against Weiss would not affect the liens in question. In order to get them off the title, we are prepared to recommend to Mr.Anderson that he pay a nominal sum of $75.00. It seems to us that to all the circumstances and after a lapse of 40 years, this offer ought to be accepted.

Yours very truly,

This will acknowledge your letter of the 20th of July, 1956, offering the nominal sum of $75.00, to settle the Federal account of George H. Zufelt charged against the above land.

In view of the extenuating circumstances you have mentioned, we believe that the Seed Grain Advisory Board will be willing to accept a compromise settlement in this case.

If your client will remit the amount of the proposed offer, namely $75.00, within a reasonable time, it will be recommended to the Board that this sum be accepted in full settlement of the Federal indebtedness.

W½ 26-5-17-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $383.15 wereadvanced to Geo. H. Zufelt on the security of the above described land. In 1915 and 1924 payments of $102.50 and $100.00, respectively, were received and applied to principal and interest. The present standing of this account is as follows:-

Principal	Interest	Total
$233.02	$452.62	$685.64

In reply to our enquiry concerning the Federal indebtedness charged against the land, Messrs. Davidson, Davidson & Williams, Barristers and Solicitors, Etc., Lethbridge, Alberta, on the 20th of July, 1956, wrote as follows:-

"Your letter of February 16th, 1956 addressed to Hugo Weiss has come to our attention through Mr. Anderson, our client, who is in possession of the lands in question.

The best information we can get with regard to Zufelt is that he left the country many years ago and that he subsequently died. Hugo Weiss apparently acquired the land from him and in 1931 sold it under an Agreement for Sale to Angus Anderson, who is still in possession, but who after 25 years has not been able to complete his payments to Weiss. In fact, if he had been able to make any payments, he would not have known where to make them, as Weiss seemed to have disappeared. We are considering making an application on behalf of Anderson for title by reason of adverse possession.

Our information is that the land is marginal and should not have been settled as a homestead.

We presume that any order we might get from the Court giving Anderson title as against Weiss would not affect the liens in question. In order to get them off the title, we are prepared to recommend to Mr. Anderson that he pay a nominal sum of $75.00. It seems to us that to all the circumstances and after a lapse of 40 years, this offer ought to be accepted."

The assessed value of this half-section in 1952 was only $1,330.00.

After negotations the nominal sum of $75.00 has been received in full settlement of our account. Under the circumstances and in view of the previous substantial payments, this is considered equitable.

Mr. John Popel,

Winnifred, Alta.

Dear Sir,-

I am in receipt of your letter of the 27th., inst., and in reply beg to say that I have received a second amount on account of your indebtedness, to the Government as per receipt which I sent you.

The first payment was from the Lake of the Woods Milling Co., for $66.19. The next payment was from the Alta. Farmers Co-operative Co., for $47.90, this making a total of $114.09, and was applied against your total Seed Grain indebtedness, which was $258.30. Your account now stands as under a debt for Seed Grain, $258.30. To this must be added int. 5% per annum, from 26th., Feb., the date on which you signed the lien, to the date which you make payment. If you will then deduce the amount you paid $114.09, the balance would appear to be what you still owe.

Of course you are aware of the arrangments, with the farmers as to the payment of their liens, 50% with int. 5% for 6mos., being all that was required last fall.

Your obedient servant,

Controller of Revenue.

BOARD ORDER NO: 11,376.

Re: N.E. & W.½ 4-11-9-W. 4th Mer.,

BOARD ORDER
No. 11302

Mr. A. W. Morrison,
Chairman,
Seed Grain and Relief Adjustment Board,
EDMONTON, Alberta.

Dear Sir:

Re: N.E. & N.½ 4-11-9-W. 4th Mer.,
John Popel,
Joint Relief Advances.

The above named party obtained the following advances for which liens were registered against the titles to the lands described above:

April 8th, 1920	$ 301.72
November 29th, 1919	139.00
April 27th, 1921	50.00
November 23rd, 1921	29.45
December 12th, 1921	16.23
January 12th, 1922	13.85
February 9th, 1922	20.45
March 9th, 1922	35.15
March 22nd, 1922	91.50
April 1st, 1922	60.00
Sub Total	757.35
Interest to 31/3/55	1399.79
	$2157.14

The debtor has been deceased since August, 1953, and by the terms of his Will his estate will pass to his wife. The above described lands comprise the total assets of the estate.

An offer of Seven Hundred and Fifty dollars ($750.00) as a compromise settlement in full of the account has been received from a Solicitor acting for Mrs. Popel. Upon investigation and examin-

(con't on Page 2)

ation of the records it is found that the liens registered with respect to these advances were subsequent to the registration of a mortgage for Sixty-One Hundred dollars ($6100.00) to Emery William Douglas in July, 1913. The present assessed value of these lands totals Twenty-Two Hundred and Thirty dollars ($2230.00).

According to a letter from the Registrar of Lands at Ottawa, dated June 21st, 1941, there were Dominion Liens outstanding for Four Hundred and Forty dollars and Forty-Five cents ($440.45) principal which were released at the time but the basis of this settlement is not indicated in our records.

These lands are situated in that part of the Province which, for many years, suffered severe drought conditions and on the basis of the present assessment, would not be considered valuable parcels of land. I would consider that the amount offered would be a fair settlement by the widow.

I would, therefore, recommend that repayment of approximately the principal amount of the advances should be considered a satisfactory settlement and would recommend that it be accepted in full payment of the account outstanding. I would also recommend that upon application being made to the account, of the said payment of Seven Hundred and Fifty dollars ($750.00), the same be adjusted and the corresponding liens be released from the Titles.

Straight Provincial Seed Grain Advances in the amount of One Thousand, One Hundred and Ten dollars and Ninety-One cents ($1110.91) principal, together with accrued interest have already been cancelled.

Yours very truly,

S. Cherkas

ADDRESS REPLY
THE DEPUTY MINISTER OF MUNICIPAL AFFAIRS

Dear Sir:

Re: NE & W½ 4-11-9-W.4th
John Popel,
Dominion Advances

A Solicitor, who is dealing with the titles to the above described lands has obtained search letters from the Registrar, Land Titles Office, Calgary, dated the 13th instant with respect to all three parcels listed above.

These letters indicate that various encumbrances appear registered against each title. I am advising him with respect to the Joint Relief Advances account. It is noted that against the title to the W½, the Registrar shows lien No. 4587 B.G., registered on July 2, 1915 for $258.30 in favour of the Crown. According to a letter dated June 21st, 1941, from your Department, the above account was settled in full and a discharge filed on August 2nd, 1917.

It would appear that one lien has not been removed to date and I would ask that you kindly issue the necessary authority to the Land Titles Office, Calgary, for the removal of this encumbrance and a copy for our file would be appreciated.

Yours very truly,

S. Cherkas,

His argument is that he did not receive any seed grain at that time which is correct as we did not distribute any, but you will see that it was not possible for the agent to have fixed a seed grain price in the fall of 1914 for the spring of 1915, and that Mr. Bowe is endeavouring to take advance of an error on the part of the Agent and not pay his just indebtedness.

In September, 1914, when Mr. V.V. Bowe made application for Seed Grain, fodder and relief, the relief agent in error took a lien for $301.00, which he stated covered the above items.

Now as you are awnre, it was an absolute impossibility for the relief agent to tell at that time what the price of seed grain was going to be in the spring of 1915.

I have written repeatedly asking Mr. Bowe to state how much fodder and relief he got out of this $301.00, and he has never furnished this information.

I notice that you have credited the $301.00 with the amount of seed grain received in 1915. This you will see is not possible and there is no doubt in my mind but that Mr. Bowe is indebted for something over $100. for fodder and relief received in 1914.

I may say that until such time as Mr. Bowe furnishes the information requested or makes an effort whereby

I, Victor Vincent Bowe,

farmer do solemnly declare

That on or about the 21st day of September at Grassy Lake, Alberta, I signed a Lien for Seed Wheat and Oats, also for 75 bu. of Seed Oats, none of the foregoing was delivered to me at Grassy Lake.

In the Spring of 1919 at Burdett when the above Seed Grain and Feed Oats were delivered to me, I gave another Lien for $200.40 when said Grain had already been covered by a former Lien given at Grassy Lake.

I further contend that all Seed Grain, Fodder and Relief obtained by me has been paid in full, and that the item in question for $200.40 has been charged to me twice by two Liens given covering the same indebtedness.

And I make this declaration conscientiously believing the same to be true, and knowing it is of the same force and effect as if made under oath, and by virtue of The Canada Evidence Act.

With reference to your letter of the 27th ultimo, in regard to Seed Grain, Fodder and Relief indebtedness incurred by the above party we beg to forward enclosed a Statutory Declaration furnished by Mr. Bowe in regard to a lien for $269.40, executed by him on the 21st of September, 1914.

He would also advise that Mr. Bowe has the following receipts for payments on Seed Grain and Relief:

Dom. Lands Office Lethbridge, Feb 19,1917, for payment of Seed Grain 1911 $58.36-No.259491

Dom. Lands Office Lethbridge, Feb 19,1917, for payment of Seed Grain 1915 $292.45 No.259487

Dom. Lands Office Lethbridge, Feb 19.1917 for payment of Relief 1915 $307.61 No.259493

He was under the impression that the above payments covered the amount owing the Crown in full for Seed Grain, Fodder and Relief.

Will you kindly advise us in regard to the above as we are writing on behalf of Mr. Bowe.

I beg to acknowledge the receipt of your letter of the 4th ultimo enclosing a Statutory Declaration executed by Victor V. Howe having reference to the Seed Grain lien for $160.40 registered against the land above described.

In reply I beg to advise you that my letter of the 4th February last is incorrect. Owing to a clerical error the amount of the lien was quoted as $160.40 instead of $80.20.

Before any action can be taken in regards discharging the lien given by Mr. Howe on the security of this land it will be necessary for him to furnish a further Statutory Declaration setting forth the exact amount of Fodder and Relief received by him while and accepted to the lien for $160.40 above mentioned.

I might point out that a declaration in the nature of the one already submitted in this case is of no value to the Department. As stated above any declaration submitted must contain a detailed statement of the amounts of fodder and relief received and covered by the lien in question.

MEMORANDUM:

Mr. Hill.

Re S.W.19-10-11-W4th.

In the Fall of 1914 Vincent V. Bowe made application to the Department for Seed Grain, Fodder and Relief. On the 21st of September, 1914 he signed a lien for $301.00 which supposedly covered Fodder and Seed Grain received by him. In the Spring of 1915 he also made application for Seed Grain, Fodder and Relief and received advances amounting to a considerable sum.

Mr. Bowe protested that he did not receive Seed Grain in 1914, which is quite correct as the Department did not issue Seed Grain that year. He claims that the Seed Grain received by him in 1915, amounting to $265.80, is included in the lien for $301.00 and requests that this lien be reduced by that amount.

At various times he has been asked to furnish a Statutory Declaration giving details of the Fodder and Relief supposedly included in the lien for $301.00 and he has now submitted a Declaration to the effect that the lien in question is made up of $265.80 Seed Grain and $35.20 Relief. He also states that he received $63.75 worth of Seed Oats in 1914. He claims that he has paid the Seed Grain and still owes the Government the difference of $98.95.

I might here state that Mr. Bowe's 1915 account has been overpaid to the extent of $37.57 and there remains only the lien for $301.00 outstanding.

This matter, I may say, was taken up with the Agent of Dominion Lands, Lethbridge by Mr. Campbell, late of this office, and it appears from his letter that he was under the impression that Mr. Bowe was indebted to the Department for something over $100.00 for Fodder and Relief received in 1914 and was trying to get out of paying same, as Mr. Bowe has now admitted Fodder and Relief indebtedness, advanced in 1914, amounting to $98.95 and I would suggest that the Department charge Mr. Bowe with two liens for $35.20 and $63.75 respectively bearing interest from the 21st of September, 1914, against this the overpayment of $37.57 might be applied which would leave a balance of $63.75 still outstanding. Mr. Bowe might then be advised that upon payment of this balance plus the necessary interest the Department would cancel the lien for $301.00

STATEMENT

of Seed Grain, Fodder and Relief indebtedness,

Vincent Victor Bowe,
N.W.18-10-11 W.4th.
S.W.19-10-11 W.4th.

Federal.

As per statement attached.

In explanation of the credit of $165.00 for goods not received, the officer in charge of relief distribution at Grassy Lake, Alberta, took a lien from Mr. Bowe in the amount of $301.00 dated the 21st September, 1914, for "Provisions, feed and seed grain". It was evidently the intention of this officer to include the probable amount of seed grain to be advanced the following spring, and the same action was taken by the same officer in at least five other cases. The orders covering the feed oats, provisions and coal supplied were checked, on receipt of a statutory declaration from Mr. Bowe as to the facts of the case, and it was found that the actual amount received was feed oats, $75, and chicken & hog feed, $10.00, $85.00, from the Alberta Farmers' Co-operative Elevator Co., Burdett, provisions, $36.00, and 5 tons coal, $15.00, $51.00, from Messrs. Bigelow & Fletcher, Burdett. The lien was therefore reduced to $136.00. Had it not been for the disputed item, the account would have been paid in full in 1917.

The seed grain application gave the cultivation on the half section as 180 acres, for which 150 bushels of wheat and 46 of oats was supplied.

N.W.18-10-11 W.4th.

This is the homestead of Victor Vincent Bowe, patented in his name on the 17th June, 1912, subject to the 1911 lien. There is no recent report on file as to the value of the land, but Mr. Bowe would appear to be still on the land, although he suffered a number of crop failures from drought.

S...19-10-11 W.4th.

This is the pre-emption of V. V. Bowe on which there is a balance due of $200.83 to complete payment of the purchase price soon the 1st November, 1928.

- It is -

V.V.Bowe, N.W.18-
S.W.19-10-11 W.4th.

It is described as chocolate loam with clay subsoil, all fit for cultivation, 78 acres in crop to wheat last year.

In October, 1927, Mr. Bowe wrote the Agent Dominion Lands, Lethbridge, asking that the Department waive the interest on the purchase price of his pre-emption, as crops had been very poor in the district for the past ten years and he had had to pay for his seed and $396.00 for back taxes out of that year's crop. He was advised that there was no authority under which the entrant for pre-emption could be relieved of such payment.

Sir,-

Re - V. V. Bowe,
SW¼-19, & NW¼-18-10-11-W.4th.

I am in receipt of your communication of the 30th ultimo, written on behalf of Mr. V. V. Bowe, and in answer would advise that as payment of $658.42 made on February 19th, 1917, has been duly credited to his account, leaving a balance of $107.52, bearing interest at 5% from that date to date of payment.

I would, however, advise you that the matter of an adjustment of this balance was forwarded to the Adjustment Board of Alberta on October 30th 1928, but their investigation and report has evidently not as yet been completed. You will be further advised when their recommendation has been received.

Your obedient servant,

Dear Sir,

Re.V.V.Bowe, Seed grain & Relief A/c.

The above named person has put his affairs into the hands of the Official Receiver, J.Harper Prowse, Taber, Alberta, on Mr. Prowse obtaining abstracts and certificates from the Lands Titles Office in Calgary, he finds the following seed grain liens recorded against the S.E.18 & S.W.19-10-11-4 owned at that time by Mr.V.V.Bowe.

Mr.Bowe states that he paid off the seed grain and relief in 1917 and to prove this he furnished me with rec ipts issued bt the department of the interior at Lethbridge, Alta Feb.19th, 1917. as follows: Receipt No.259487 for 292.54 seed grai
" " 259490 " 30.36 " "
" " 259491 " 37.81, Relief

all were for S.E.18 S.W.19-10-11-4. and for 1916 issues.

The liens registered are as follows:

S.G.Lien: Victor V.Bowe to crown $60.00 " 18th, Sept. 1916 No.7681 F.B.
S.G.Lien: Victor V.Bowe to crown 8.00 " 20th, Oct. 1915 " I-79 B.L.
S.G.Lien: Victor V.Bowe to crown $68.00 " 27th, Dec. 1916 " 6822 B.L.
271.09 " " " " " "
$15.00 " " " " " "

The last two items are, apparently, Feed.

I was wondering if these liens are not a duplication of the old bond that was used in filing Dominion seed grain liens, if this is the case I would appreciate help in clearing up this case.

Thank you for the help that you can give in this matter and trusting that this will be available soon.

Yours truly,

A. Millar

Re: Account of Vincent Victor Bowe,
S.W.¼ 19 & N.W.¼ 18-10-11-W4.

Dear Madam:

During the years 1911 and 1915 while homesteading the above mentioned land, Mr. Vincent Victor Bowe received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $317.80 of which $107.52 is principal and $210.28 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: Account of Vincent Victor Bowe
S.W.¼ 19 & N.W.¼ 18-10-11-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1911 and 1915 seed grain, fodder and relief amounting to $860.39 were advanced to Vincent Victor Bowe on the security of the above mentioned land. Payments of $165.00 and $658.42 were received in 1915 and 1917, respectively, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$107.52	$210.28	$317.80

Patent was issued in the name of Vincent Victor Bowe for the N.W.¼ 18-10-11-W.4th on the 17th of June, 1912, and for the S.W.¼ 19-10-11-W.4th on the 13th of February, 1929, subject to the liens.

These two quarter-sections are of low assessed value and have never been revenue producing sufficiently to enable the repayment of the liens. This land is described as being in a very poor district where crops have always been poor due to numerous crop failures due to drought.

Title to the N.W.¼ 18-10-11-W.4th has since been acquired by the Municipal District of Bow Island No. 94 under the Tax Arrears Act; while the S.W.¼ 19-10-11-W.4th now stands in the name of Mrs. Isabelle Bowe of Burdett, Alberta. In reply to our questionnaire of the 28th of April, 1951, the Secretary-Treasurer of the Municipality of Bow Island No. 13 advised us that there was an accumulation of $173.08 arrears of taxes outstanding against the land.

Payments amounting to $823.42 were received by 1917, leaving only a balance of $107.52 principal outstanding against the land.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances and in view of the substantial payments already received, it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Sir

On account of the severe winter and Spring I find it impossible to do much breaking on my pre-emption claim. Likewise on account of my Homestead this season there is not a blade of grass started yet and the ground is as hard as ever. I am under the necessity of asking for an extension of time to get on the land. My Homestead is the N.W.¼ Sec 20 T. 12, R. 19 W of the 4th Meridian filed on the 31 January 1910

one of the reason for asking
this favour is my Mother

I dont know how long I

I return herewith the application for patent of Mr. C. S. Monson for the North West quarter of Section 20, Township 12, Range 19, West of the 4th Meridian, together with evidence by one extra witness.

In this connection I desire to point out that the witness in this case credits the applicant with having resided on his homestead from the 23rd December, 1910, to March, 1911, but does not give day of the month.

Kindly advise if the same may be accepted.

Entry granted 17th December, 1910.

It appears that the application for patent for the above mentioned land was not accepted owing to the evidence of one of the witnesses not being sufficient.

The agent now forwards here the evidence of a third witness.

This witness credits the applicant with having resided from December 23rd, 1910, to March, 1911, but does not give the date of the month of March.

May this evidence not be accepted as satisfactory in conjunction with that of the previous two witnesses?

The patent to this land issued in the name of Oscar E. Monson on the 26th June, 1914, and there is no evidence on file to indicate that Norman N. Nelson had any interest therein.

"Referring to your letter of 2nd November, 1927, we have been endeavouring to sell the above land ever since but without success as it is very light sandy stuff. Sir:-

In reply to your letter of the 31st ultimo, I beg to advise you that so far as our records show Norman E. Nelson had no interest in the N.W.¼ 20-12-19 W.4th. Unless Mr. Nelson was at some time the registered owner of this quarter section, the liens given by him will not charge against same. The transfers of encumbered property are not of record here, unless an abstract has been called.

Information on our files would indicate that Oscar Monson and Norman Nelson were partners in business, and that Oscar Monson owned the N.W.¼ 20 and Norman E. Nelson the N.E.¼ 20-12-19 W.4th. The land is included in the statement in view of the fact that the letter from the Bank asking for an adjustment quoted the N.½ 20.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1918, 1921 and 1922 seed grain amounting to $369.00 was advanced to David Pelletier on the security of the above mentioned land. A payment of $15.00 was received in 1924 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$369.00	$742.01	$1,111.01

The N.W. ¼ 17-9-22-W.4th was formerly the homestead entry of the debtor on which security he obtained the 1918, 1921, and 1922 advances of seed grain.

According to an Abstract of Title dated the 14th of February, 1956, this quarter section of land now stands in the name of a Mr. James Isadore McDermott of Coalhurst, Alberta, clear of any encumbrance.

As the liens are not registered against the land and there is no further security for our advances, it is recommended that the indebtedness be cancelled.

Re: Account of James Golding
N.W.¼ 32-2-12-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1918 seed grain amounting to $137.25 was advanced to James Golding on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$137.25	$260.23	$397.48

The N.W.¼ 32-2-12-W.4th was formerly the pre-emption entry of the debtor on which security the 1918 advance of seed grain was obtained.

According to an Abstract of Title dated the 31st of January, 1956, this quarter-section of land now stands in the name of Ivan Emerson Golding of Moberly Lake, British Columbia, and Ralph Waldo Golding of Jamestown, Kentucky, U. S. A., each in 1 undivided ½ share; clear of any encumbrance.

As the lien is not registered against the land and there is no further security for our advance, it is recommended that the indebtedness be cancelled.

S.E. ¼ of 22--3--12--W. 4th M.

Should $40.00 be refunded to O. A. Avron for work done by him for Mrs. I. Spicer who formerly held the above land as a homestead?

Mrs. Spicer's entry was cancelled in January last, and the land has been entered for by another person who has paid $125.00 for improvements, leaving a balance of $12.50 which the Agent has called on him to remit.

Mr. Avron stated that he hauled posts and wire and erected a fence for Mrs. Spicer at a cost of $40.00, and he has now filed a declaration giving the particulars of his claim, and he also states that he is unable to locate the former homesteader. Her mother is represented as stating that she does not know her daughter's address, but that Mr. Avron is entitled to the money.

A report has just been received from the Inspector giving the value of the improvements on the land when the present holder secured entry. These improvements include fencing worth $50.00, but the Inspector does not deal with Mr. Avron's claim.

MEMORANDUM:

Re Mr. Hume's memo of the 25th ultimo, the present entrant has now paid the full amount of the Homestead Inspector's valuation, namely $137.50.

The Homestead Inspector in a further report, dated the 31st ultimo, states that he heard from neighbours that Mrs. Spicer had left the country, and that it would appear that Mr. Arvon had done certain work for her, but he could not give the value, or whether Arvon had been paid.

All we have to go upon is a statutory declaration by Arvon taken before James Sergeant, J. P., the latter explaining in a letter that even the mother had no knowledge of Mrs. Spicer's address, but that she (the mother) knew Arvon had done the work and had not been paid the $40 due.

I would recommend that under all the circumstances the $40 be paid to Arvon.

RE: Various Joint Accounts

Dear Sir:

We have received our fifty per cent share of the full payments of the Joint Provincial and Federal accounts of Robert Wesley Henderson on the S.E. of 36-6-9-W.4th; J.W. Fnais on the S.E. of 12-25-2-W.4th; F.W. Crofts, W½ of 22-10-22-W.4th and James Conway on the S.E. of 22-3-12-W.4th.

In the past it has been the practice of the Alberta Government to discharge the liens from any Joint accounts which have been paid in full. It would, therefore, be appreciated if you would remove the Joint liens from these lands at your earliest convenience.

Yours very truly,

C.K. LaCapelain,

When I received it, it was mailed to the Department with covering letter of the 29th of April, which was inadvertantly worded incorrectly, as actual proceedings had not then been taken.

On the 3rd instant, cancellation proceedings were instituted on the application of Alfred Soderstrom, above referred, of which no doubt you have now received notice.

requiring him to do so. but to assure that it was necessary so to do he would undoubtedly have done so as he had already fenced and cultivated the early part of the spring.

The breaking by Tidsell has now been cut into by other settlers and through the stock rushed upon a considerable area as pasture & breaking.

As this fight has gone all the way across Tidsell's claim & is known to be his attitude as he has acted in good faith & might justly be considered that he be placed on fresh standing of five quarters, instead of homestead as he first applied for. This is the only way that at any rate a large side amount of breaking can be saved to him & a fresh start made.

Re: Account of Joseph W. Madill,
S.E.¼ 28-36-13-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Joseph W. Madill received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $331.21 of which $109.54 is principal and $221.67 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then revie w the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Dear Sir, Re Account of Joseph M. Ladill,

Your letter written to Mr C. Presett of Fleet, Alberta has been given to us for investigation. The above land was taken over by the municipality for arrears of taxes and resold to Mr Presett with his understanding that the title was clear. We would be pleased to be advised by you as to the status of this seed grain indebtedness after the title has passed through Tax Recovery.

Dear Sir:

RE: S.E. 28-36-13-W.4th

We have your letter of the 6th of March, 1956, written on behalf of Mr. G. Bressett of Fleet, Alberta, concerning the seed grain account of Joseph W. Madill charged against the above land. Apparently this land was taken over by the Municipality for arrears of taxes and resold to Mr. Bressett with the understanding that he was to get a clear title. As we informed Mr. Bressett the present standing of our account is as follows:-

Principal	Interest	Total
$109.54	$221.67	$331.21

Before we make any recommendation to the Seed Grain Advisory Board concerning this case, we would like to know the selling price of this land and the arrears of taxes and cost of obtaining title at the time the sale was made. When this information is received we should be in a position to let you know the minimum amount required to settle the debt.

Yours very truly,

C.K. LeCapelain,

Dear Sir:

RE: S.E. 28-36-13-W.4th

We have your letter of the 6th of March, 1956, written on behalf of Mr. C. Bresett of Fleet, Alberta, concerning the seed grain account of Joseph W. Modill charged against the above land. Apparently this land was taken over by the Municipality for arrears of taxes and resold to Mr. Bresett with the understanding that he was to get a clear title. While foreclosure proceedings wipe out certain debts they do not affect liens in the name of the Crown which require the authority of our Order-in-Council before they can be cancelled. As we informed Mr. Bresett the present standing of our account is as follows:-

Principal	Interest	Total
$109.54	$221.67	$331.21

Before we make any recommendation to the Seed Grain Advisory Board concerning this case, we would like to know the selling price of this land and the arrears of taxes and cost of obtaining title at the time the sale was made. When this information is received we should be in a position to let you know the minimum amount required to settle the debt.

Yours very truly,

O.K. LaCapelain,
Chief, Lands Division.

Dear Sir, Re SE 28 36 13 W 4th

The above land was sold in 1940 for $100.00 and at that time the arrears of taxes amounted to $209.98. The costs of obtaining the title would be $4.00 which is the cost of registration. As the purchaser bought this land with the understanding that the title was clear and as he should not be held responsible for the payment of another man's debts in order to get clear title, I would suggest that your recommendation to the Seed Grain Advisory Board be that in this case the full amount of the indebtedness be cancelled as uncollectible from the person rightfully charged with it. It is our understanding that the purpose of a lien is to prevent the owner from selling the land without paying up his debts but in this case where he lost his land for taxes I would consider the lien to be of no avail against him.

We would be pleased to be advised that you have given favorable consideration to our request.

Yours truly

Guy Tomlinson

Dear Sir:

RE: S.E. 28-36-13-W.4th

We wish to thank you for your letter of the 31st of March, 1956, supplying us with the information we had requested concerning the arrears of taxes, etc., with reference to the above land. You have suggested that this account be cancelled as uncollectable.

While we believe that the Council should have settled the indebtedness at the time the sale was made, in view of the length of time which has elapsed since the sale and particularly the low value of the land, we believe that the Seed Grain Advisory Board will be willing to give consideration to the cancellation of the balance of the Federal indebtedness.

We are therefore recommending to the Board that the account be written off. You will be informed in due course as to the Board's decison in this matter.

Re: Account of Joseph W. Madill
S.E.¼ 28-36-13-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain amounting to $213.75 was advanced to Joseph W. Madill on the security of the above mentioned land. A payment of $109.39 was received in 1915 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$109.54	$221.67	$331.21

Patent was issued in the name of Joseph Wixson Madill for the S.E.¼ 28-36-13-W.4th on the 12th of February, 1914, the land later becoming subject to the 1915 lien.

According to an Abstract of Title dated the 31st of January, 1956, this quarter-section of land now stands in the name of a Mr. George E. Bresset of Fleet, Alberta, subject only to the 1915 lien of Joseph W. Madill.

On the 31st of March, 1956, Mr. Guy Tomilson of the Municipal District of Paintearth No. 33, Castor, Alberta, wrote us as follows:-

> "The above land was sold in 1940 for $100.00 and at that time the arrears of taxes amounted to $209.98. The costs of obtaining the title would be $4.00 which is the cost of registration. As the purchaser bought this land with the understanding that the title was clear and as he should not be held responsible for the payment of another man's debts in order to get clear title, I would suggest that your recommendation to the Seed Grain Advisory Board be that in this case the full amount of the indebtedness be cancelled as uncollectible from the person rightfully charged with it. It is our understanding that the purpose of a lien is to prevent the owner from selling the land without paying up his debts but in this case where he lost his land for taxes I would consider the lien to be of no avail against him.
>
> We would be pleased to be advised that you have given favorable consideration to our request."

The information obtained indicates that the land is such that it no longer offers any security of value for our lien. Under the circumstances and in view of the substantial

../2

payment already received, it is recommended that the balance of the indebtedness be cancelled and the lien discharged.

With reference to your remarks in this case in the matter of the complaint made by Gardener I would point out that his letter is dated the 11th December last and we have a Homestead Inspector's report dated the 1st of the same month. Will you require another report in this case? You will notice that the homesteader does not claim residence on the land itself. You have not answered that part of the memorandum to you dealing with the cultivation.

Sir:

I beg to return herewith the application for patent of Mr. Phillip Heisdorf for the NW¼ of 28 - 41 - 4 W. 5th M., your reference 46536, and I enclose herewith a copy of a communication addressed to the Department by a Mr. Thomas Gardener complaining that the duties in this case have not been satisfactorily performed. Mr. Gardener's letter was submitted and the following remarks were made in regard thereto:

> "As Gardener makes a straight forward charge over his own signature the matter must be investigated. Tell Agent to instruct Homestead Inspector accordingly. He should call on Gardener and take his evidence and that of any witnesses he may produce."

Mr. Homestead Inspector Robinson's report dated the 1st December was submitted in this case and the following remarks were made in regard to this:-

> "The Homestead Inspector's report below does not touch on the question of residence performed or area cultivated in each year. Further particulars are required. He may be able to supply them from his notes. If not he should revisit the land and satisfy Department by careful investigation as to the manner in which duties have been done. Gardener says that homesteader is believed to have returned to Germany. Homestead Inspector should also state the area cultivated. He has omitted this detail. When full particulars are received the question of cultivation can be decided."

In reply I beg to inform you that in order to secure a discharge of the lien which is registered against the above land it will be necessary to make payment in full of the principal and interest todate.

On a previous occasion the Departmental records at Ottawa were carefully searched for a trace of a payment which you claim to have made but no record of any payment could be found. It is hoped you will realize it is to your advantage to make payment of this indebtedness now as the interest is steadily accumulating and has already reached a considerable amount.

Re: SW¼ 4-42-4-W5th , Province of Alberta - Thomas Gardner

There is a Seed Grain Lien registered on the above noted Title in the sum of $35.00 and was dated the 22nd day of April, 1908 and registered on the 7th day of March, 1910 as No. 2882Y, in the office of the North Alberta Land Registration District.

Mr. Gardner would like to have the discharge for this lien so that he can clear his title. He states that he is quite sure that this has been paid long ago. It is quite possible that the discharge of this lien was sent to him and that he failed to have it registered and it has since become lost. If this is the case, would you kindly send us a Duplicate Discharg of the lien and we will remit any costs to you.

If the lien has not been paid would you kindly advise us how much you would require to send us a discharge.

This will acknowledge your letter of January 21st, 1948, regarding the outstanding Dominion Government lien on the above noted quarter section.

With reference to Mr. Gardner's claim that he has at no time received a statement for this account, you are advised that the policy of this Department has been to forward statements every year until 1930. Our records shows that these statements were sent to Mr. Gardner at Leedle, Alta. In addition to these statements, the homestead inspector made several calls on Mr. Gardner in regard to settling these advances.

In order to assist you in clearing title to the S.W. 4-42-4 W. 5th Mer. if you will remit, within a reasonable time, the principal amount outstanding, plus one-half the accured interest to date, a total of $69.43, a recommendation will be made to the Seed Grain Adjustment Board that this be accepted in full settlement of our claim.

Kindly have payment drawn in favour of the Receiver General of Canada and forwarded to the undersigned.

RE: Account of Thomas Gardiner
S.W. [illegible]-[illegible]-[illegible]-W.[illegible]th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, substituting as required to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1908 seed grain amounting to $[illegible]0.00 was advanced to Thomas Gardner on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$[illegible]0.00	$[illegible]8.40	$118.40

Patent was issued in the name of Thomas Gardner for the S.W. [illegible]-[illegible]-4-W.[illegible]th on the 17th of January, 1910, subject to the 1908 lien.

In 1947 the debtor claimed that in 1920 he had paid off this lien and was requesting a [illegible] of the lien. In 1948 it was stated that he would not reduce his request and he instructed his lawyers not to pay the account and that he would rather take the matter to court.

The debtor is now deceased and it is considered that there is no possibility of collection. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

Re: Account of Thos. W. Woods
N.W.¼ 18-16-23-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain amounting to $84.00 was advanced to Thos. W. Woods on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$84.00	$169.40	$253.40

Patent was issued in the name of Thomas Wellington Woods for the N.W.¼ 18-16-23-W.4th on the 29th of November, 1912.

According to an Abstract of Title dated the 8th of February, 1956, this quarter-section of land now stands in the name of a Mr. Thos. B. Lebow of Vulcan, Alberta, clear of any encumbrance.

As the lien is not registered against the land and there is no further security for our advance, it is recommended that the indebtedness be cancelled.

Acknowledging your letter of the 30th ultimo, please be advised that the settlement you made on account of the above mentioned advances has been approved by the Seed Grain and Relief Adjustment Board. In view of the fact that some of the advances were for joint relief it is necessary that the authorities at Ottawa consent to the discharge of the respective liens and this matter will require several weeks.

Immediately upon receipt of acceptance by Ottawa of the settlement you made, we will undertake withdrawal of all liens and will advise you.

Dear Sir

I have received the
inclosed letter from Edmonton. and I
understand that the removal of the
mentioned liens for agriculture and
relief advances from my land
will require your consent. I trust
that you will supply the necessary
consent. as we have done the very
best we were able to do. We have
paid the liens in full according
to a compromised settlement
arranged at Edmonton. We have also
paid on account of $1.097.30 that
was against the land. to the Royal
Bank in Medicine Hat. The Bank
had the Title to the land. and we

optained the Title to the land
thought the Bank. There were
also certain advances registered
against the land that were
taken by Anton Teierk. my Father.
I have also paid these advances
in full on the compromised
addelment. however some of the
advances taken by Anton Teierk
were taken when the Bank already
held the Title

I also wish to state
that there are 4 members in the

the necessary consent in vain of

Dear Sir:

We have your letter of the 12th of November, 1954, concerning the removal of the agricultural relief liens of A. Teierle from the title to the above land. Mr. S. Cherkas, Chief Collector, Department of Municipal Affairs, Edmonton, has forwarded us the recommendation of the Alberta Seed Grain and Relief Adjustment Board that the payment you have made be accepted in full settlement of both the agricultural and relief advances made jointly by the Provincial and Dominion Government. The Board's recommendation is presently being referred to the Privy Council for the necessary authority to remove these liens.

We might say, that in addition to the Joint liens there is a Federal account for seed grain advanced to Anton Teierle in 1920. If you would like to clear up this account as well, will you kindly write to S. Cherkas and no doubt a satisfactory settlement can be negotiated with him.

Yours very truly,

RE: N.E. 2-15-2-W.4th

Dear Sir:

We wish to thank you for your letter of the 23rd of December, 1954, concerning the Federal account of Anton Teierle charged against the above land. You were also good enough to enclose a copy of a recent Abstract of Title.

Prior to the transfer of Natural Resources to the Provinces whenever patent was issued, we registered our Dominion liens against the title. However, after the transfer was completed the Government of the Province of Alberta did not advise us in each case when patent was being issued. Unfortunately, this has resulted in a number of our Dominion liens not being registered.

The copy of your Abstract of Title shows that our lien for $171.85 was not registered when patent was issued to Anton Teierle in 1935 and the title has now passed to his son, Carl Teierlè, free of any Dominion liens. Under the circumstances we believe that the only course the Seed Grain Advisory Board can take is to recommend the cancellation of our claim without the requirement of any payment.

We are preparing the necessary Board Order here and when authority has been obtained to write off our account you will be further advised.

Yours very truly,

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to $171.85 was advanced to Anton Teierle on the security of the above mentioned land. Payments of $100.00 and $50.00 were received in 1928 and 1929, respectively, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$127.10	$221.69	$348.79

Patent was issued in the name of Anton Teierle for the N.E. 2-15-2-W.4th on the 10th of October, 1935, and there is no record of the lien having ever been registered against the land.

According to an Abstract of Title dated the 22nd of July, 1954, the land now stands in the name of a Mr. Charles Teierle, clear of any Federal encumbrance.

As the lien was never registered against the land and there is no further security for our advance, it is recommended that the balance of the indebtedness be cancelled.

BOARD ORDER NO: 11,401.

Re: S.W. 5-11-7-W. 4th Meridian,
Robert McLean,
Joint Relief Advances.

The Seed Grain and Relief Adjustment Board appointed under Order P.C. 1752, dated November 23rd, 1955, having taken under consideration the attached report of the Chief Collector of the Collection Branch, Department of Municipal Affairs numbered 11,401, APPROVES the settlement outlined therein and DOES HEREBY RECOMMEND:

1. THAT, the Minister apportion and adjust the indebtedness more particularly described in the attached report, so that on application of the sum of Three Hundred and Fifty ($350.00) dollars to the credit of the Joint Relief Advances the debt will be paid.

CHAIRMAN, Seed Grain and Relief Adjustment Board.

Dominion Member, Seed Grain and Relief Adjustment Board.

The
Honorable,
Minister of Northern Affairs and National Resources,
Canada.

DEC 6 - 1957

-No-14

BOARD ORDER NO: 11,401.

Re: S.W. 5-11-7-W. 4th Meridian,
Robert McLean,
Joint Relief Advances.

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated November 28th, 1957, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

In accordance, therefore, with the previsions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are, hereby APPROVED and ACCEPTED.

CHAIRMAN, Agricultural Relief Adjustment Board.

TO:

The Honourable E. W. Hinman,
Provincial Treasurer,
Province of Alberta,
EDMONTON, Alberta.

3-No-14

November28th, 1957.

11401

Mr. A. W. Morrison,
Chairman,
Seed Grain and Relief Adjustment Board,
EDMONTON, Alberta.

Dear Sir:

Re: S.W. 5-11-7-W. 4th Meridian,
Robert McLean,
Joint Relief Advances.

The above named obtained the following advances for which Liens have been registered against the Titles:

May 20th, 1920	$ 357.50	
June 23rd, 1921	50.00	
June 2nd, 1922	48.50	
June 13th, 1922	100.25	
June 20th, 1922	60.00	
	616.25	
Interest to 30/6/57	1573.73	
Total		$2189.98.

A Solicitor acting for Mr. McLean communicated with this office and offered to settle the account in full on a compromise basis for One Hundred ($100.00) dollars. After considerable correspondence the offer was increased to Two Hundred ($200.00) dollars and finally to Three Hundred and Fifty ($350.00) dollars.

(Continued on Page 2)

The debtor is 71 years of age and in poor health. He owns a section of land assessed at Eight Hundred ($800.00) dollars per quarter which indicates quite clearly that it is not a particularly desirable farm unit. The land is situated in a part of the Province that suffered frequently from severe drought conditions. No effort has been made to collect the account for a great many years. Mr. Malcom was under the impression that it had been written off long ago. He claims he would have been better able to pay before his earning power became reduced through age, sickness and the continual struggle to make ends meet on a very low income.

Under these circumstances I feel that the offer made should be accepted. I would recommend that upon application of the sum of Three Hundred and Fifty ($350.00) dollars the account be adjusted so that it will stand paid in full and further that the Liens be released from the Title.

Straight Provincial Seed Grain Advances in the amount of Two Hundred and Ninety-Six dollars and Fifty-One cents ($296.51) together with accrued interest have already been cancelled.

Yours very truly,

A. R. Duff

Re N.W. 36-45-10-4.

Please see letter hereunder from the Agent of Dominion Lands, Edmonton, with reference to the Seed Grain lien for $90, given by Arthur White and which was registered in error against the N.W. 36-45-10-4, which is the patented homestead of Mr. B.J. This lien should have been registered against the N.W. 36-45-11-4 and according to information on file 135084 hereunder, this has been so registered, but the N.W. 36-45-10-4 is still encumbered with this lien.

Sir,- Re N.W.¼ 36-45-10-W.4th M.-

Representations have been made to this Office that the lien for $90.00 given to His Majesty in the right of the Dominion of Canada by Arthur White in connection with the N.W.¼ 36-45-11-W.4th M., has been improperly registered in the Land Titles Office against the N.W.¼ 36-45-10-W.4th M., standing in the name of F.J.Hansen, and that the said lien illegally clouds the title to the last mentioned land.

If registration has been made in the Land Titles Office as represented above, you are hereby authorized and requested to remove the lien for $90.00 from the N.W.¼ of section 36, township 45, range 10, West 4th Meridian.

In reply to your communication of the 19th instant I am to advise you that the right to a second free homestead is restricted by Act of Parliament to those only who completed the duties on their first homesteads to entitle them to patent on or before the 2nd of June, 1889.

It is noted you obtained homestead entry for your patented land, above described, in April, 1910, and cannot, therefore, be considered as entitled to a second free homestead. Re: Account of Arthur White
S.W.¼ 25-44-11-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain amounting to $90.00 was advanced to Arthur White on the security of the above mentioned land. A payment of $20.00 was received in 1918 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$85.70	$160.33	$246.03

Patent was issued in the name of Arthur White for the S.W.¼ 25-44-11-W.4th on the 4th of June, 1913.

According to an Abstract of Title dated the 31st of January, 1956, this quarter-section of land now stands in the name of a Mrs. Laura Jane Johnson of Lougheed, Alberta, clear of any encumbrance.

As the lien is not registered against the land and there is no further security for the advance, it is recommended that the balance of the indebtedness be cancelled.

W. J. Taylor.

Re: Account of Earl R. Gordon
N.E.¼ 17-3-12-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and relief amounting to $86.30 were advanced to Earl R. Gordon on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$86.30	$176.30	$262.60

Patent was issued in the name of Earl Raymond Gordon for the N.E.¼ 17-3-12-W.4th on the 1st of May, 1917, subject to the 1915 liens.

This quarter-section is of low assessed value and has never been revenue producing sufficiently to enable the repayment of the liens. In 1924 the homestead inspector reported that there had been no crop on this land for several years. In 1927 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title reverted to the Crown in the right of the Province.

According to an Abstract of Title dated the 30th of January, 1956, this quarter-section now stands in the name of Her Majesty the Queen in the Right of the Province of Alberta, as represented by The Minister of Municipal Affairs, subject only to our liens.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

DOMINION LAND OFFICE, OTTAWA. JAN 3 1908 REGISTRATION BRANCH

Sir,-

I hold as a homestead the N. W. 2 - 14 - 6 - W - 4th., for which I obtained entry on the 6th of July 1907. My six months in connection with same will expire on the 6th of January next. I also hold as a pre-emption, the North East quarter of this Section, for which I obtained entry in September last, and my six months in connection with this will not expire until the 10th of March next. On account of the illness of some of the members of my family, and as I myself am not in a satisfactory condition of health, I feel that I am unable to go into occupation of my homestead for some little time, and I would be grateful if you could see your way clear to grant me an extension of time in connection with the homestead, until the end of the six months in connection with my pre-emption, which will be on the 10th of March. I am prepared to take up residence as early as possible in the Spring. I have not, so far, completed any residence or improvements on this land.

Sir,—

Your application for seed grain has been approved. Enclosed please find order which states the amount of seed grain that has been allotted to you and which is sufficient to seed all of the unpatented land you have now ready for seeding.

Have the enclosed liens carefully and fully executed in duplicate before a Commissioner of Oaths; Justice of the Peace or a Notary Public. Sign where the black (x) is. Witness signs in three places, where the red (x) is. You will then deliver same to the party who is to supply you with seed, together with the enclosed order and letter of instructions to him. You will also sign the receipt attached, after satisfying yourself that the seed is of good quality, right weight, and free from foul seed.

No changes must be made in the liens or any other papers sent you. Any change made without authority from this office cancels all papers.

If you have made any other arrangements regarding your seed, you will return these papers to me at once, as the amount stated on the liens is now entered against your land.

You will kindly have this matter attended to at once.

Your obedient servant,

Commissioner.

GOVERNMENT OF THE PROVINCE OF ALBERTA

ADDRESS REPLY
THE DEPUTY MINISTER OF MUNICIPAL AFFAIRS
EDMONTON, ALBERTA

EDMONTON, ALBERTA
October 30, 1946.

Mr. J. W. Judge,
Chairman,
Seed Grain & Relief Adjustment Board,
EDMONTON, Alberta.

Dear Sir:

Re: N½ 2-14-6-West 4th Meridian.
Thomas E. Brown. Old Joint Relief.

In the year 1920 this party obtained an advance for Joint Relief in a sum of one hundred and four dollars and fifty cents ($104.50) and there is now due under this lien a sum of two hundred and ninety-four dollars and fifty cents ($294.50).

As security for this advance a lien is registered on title to the above described land and constitutes a first charge thereon, that title now vested in the Crown in the Right of the Province having been taken over under Tax Recovery Proceedings.

The Department of Municipal Affairs now informs me that the land has been sold for a sum sufficient to permit of payment of the original amount of the advance and has requested that this be accepted in full settlement.

Inquiries show that the property was sold at one dollar ($1.00) per acre which is reported to represent the fair sale value as it is situated in a very dry district and might be classified as poor grazing land.

I would, therefore, recommend that the offer be accepted, the lien released and as there is no further security the balance outstanding be written off.

Yours very truly,

W. Hamilton

ADDRESS REPLY
THE DEPUTY MINISTER OF MUNICIPAL AFFAIRS
EDMONTON, ALBERTA

EDMONTON, ALBERTA
April 24, 1947.

Dear Sir:

Re: N½ 2-14-6-West 4th Meridian.
Thomas E. Brown. Old Joint
Relief. Board Order 9604.
Your file #885817. ✓

Referring to your letter of the 15th instant we would advise that as the liens in respect of Joint Relief were registered by the Province in respect of Improvement Districts and by the municipality in respect of advances granted through the municipal authorities the Provincial or Municipal officials take care of discharging these old Joint Relief liens when settlement has been effected and, if a compromise, after the necessary authority is received from the Dominion authorities.

In this case the recommendation set out in the Board order has been ratified by Order-in-Council and advice has been forwarded to us to that effect, making it possible for us to issue the necessary release of the lien and no further action is, therefore, required by yourself in regard to the security.

I trust that the foregoing is the information required by yourself.

Yours very truly,

WM. HEWLETT,

BOARD ORDER NO: 11,296

Re: W.½ 1-15-20-W. 4th Meridian,
Robert Young,
Joint Relief Advances.

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated November 7th, 1955, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are, hereby APPROVED AND ACCEPTED.

CHAIRMAN, Agricultural Relief Adjustment Board.

TO:

The Honourable E. W. Hinman,
Provincial Treasurer,

November 7th, 1955.

Mr. A. W. Morrison,
Chairman,
Seed Grain and Relief Adjustment Board,
EDMONTON, Alberta.

BOARD ORDER
No. 11296

Dear Sir:

Re: W.½ 1-15-20-W. 4th Meridian,
Robert Young,
Joint Relief Advances.

The above party obtained the following Joint Relief Advances giving as security liens which were registered against the Titles to the above described lands.

January 26th, 1920 ———	$114.00
March 11th, 1922 ———	40.00
March 20th, 1922 ———	74.00
March 25th, 1922 ———	27.00
April 15th, 1922 ———	18.00
	273.00
Interest to March 31st, 1955 —	667.42
T O T A L ———	$940.42

In the year 1945 the debtor sold this land to Robert Fatelaid of Lomond under an agreement which required the purchaser to deliver 3,000 bushels of wheat and the assume responsibility for all encumbrances. In addition to the above mentioned Joint Relief Advances a mortgage of $2,000.00 at 5% was registered October 16th, 1918, making that encumbrance a prior charge on the land. The purchaser paid $545.00 to obtain discharge of the mortgage.

(con't on next page)

Solicitors acting for the purchaser have communicated with this office requesting a compromise settlement of the Joint Relief Advances account and state that the original debtor removed to California in the year 1945 and died there on the 7th of November, 1954. The estate is being administered by his son, Mr. J. W. Young, who resides in California and as soon as payment of a balance of approximately 1,300 bushels of wheat is received the estate will give a transfer of land to the purchaser.

Information obtained with respect to the circumstances of Robert Patchett indicates that he is a widower, 64 years of age and owns the S.E.¼ 1-15-20-W. 4th Meridian and operates his farm by hiring the work to be done each year. His financial circumstances are average. Any settlement he may be called upon to make with respect to the Joint Relief Advances will be in addition to his payments under the agreement of sale which will be approximately $3,965.00 for this half section. He has offered and remitted the sum of $400.00 as compromise settlement of the Joint Relief Advances account in full.

In view of the fact that the principal amount of these advances is $273.00 and a payment of $400.00 at this time would provide for full recovery of the principal together with $127.00 on account of interest charges. I would consider that the amount of agreed would appear to be fair and just as related to other compromise settlements negotiated under similar circumstances.

I would, therefore, recommend that the offer be accepted and after application is made of the said amount of ($400.00) the account be adjusted so that it will stand paid in full and the liens be released from the Titles. Straight Provincial Seed Grain Advances amounting to $774.72, together with accrued interest ~~are hereby~~ hereby cancelled.

Yours very truly,

L Sherbas

Dear Sirs:

Referring to your file 60967 A/1676693 and letter of the 21st March addressed to J. S. McRoberts, Vulcan Alberta, referring to SW5-18-22-W4th, McRoberts has requested us to advise you that he is still residing on the S½-6-18-22, and is working the quarter section above to the best of his ability, but as conditions during the past few years have been decidedly unfavorable, he has been unable to make payments on the land as he might desire, but he will do so as soon as possible.

We may say that we consider McRoberts one of the best and most conservative farmers in his district, and think that he will undoubtedly pay out on the land if conditions return to normal.

Yours truly,

Mr. Samuel McCord has protested against the entry which was granted for the East half of the East half of Section 17, Township 18, Range 21, West 4th Meridian, to Mr. Robert Rose, claiming that he is unable to carry on his farming operations on his soldier grant entry for the West half of the East half of this section. He states that his son is eligible to make homestead entry.

He is being communicated with by even date and advised that the South East quarter of Section 20, Township 17, Range 20, West 4th Meridian, appears to be vacant and available for entry in the Department and if his son wishes to obtain entry for this land he may apply for entry under the regulations.

With regard to the balance of the lands above mentioned, you might make a note in your records that if for any reason cancellation of any of the entries covering these lands is carried out and there is no prior applicant you should refer to the Department for instructions before disposing of the land in order that if the claim of Mr. McCord's son to homestead entry has not been satisfied he may be advised as to the date on which the land would become available for settlement.

In connection with the East half of Section 4, Township 17, Range 21, West 4th Meridian, which is reserved for public grazing, you might place the matter in the hands of a Homestead Inspector in order that he might make a further investigation and submit a report as to the needs of the

Sir,-

Referring to the cancellation proceedings pending against your pre-emption entry for the North-West Quarter of Section 9, Township 7, Range 25, West of the 4th Meridian, I beg to inform you that a report has recently been received from an Officer of the Department and from the information contained therein it is evident your entry is clearly in default as residence performed by you on your purchased land, the North half of Section 28, Township 6, Range 25, West of the 4th Meridian, cannot be counted to your credit.

In view of the foregoing, the proceedings referred to will be held over for a further period of thirty days, within which time it will be necessary for you to satisfy the Local Agent at Lethbridge that you are in actual residence, either on your homestead or pre-emption, in a habitable house, with the intention of remaining there and completing the required duties.

Should you fail to satisfy the Agent as above required, he will cancel your entry summarily and make other disposition of the land.

Dear Sir,-

Your letter of April 20th received a short time ago telling me the Homestead inspector would again visit N.W.¼ of section 9, & the S. W.¼ of Section 16, township 7 Range 25 West 4th Meridian.
I had a letter from the Agent of Dominion Lands at Lethbridge saying that this man would have till the 2nd of July.
What does the Government intend to do, hold it for this man for life

Adress Harold Wells,
MacLeod,
Alta.

& keep me waiting so I may never be able to get any homestead. I am not pleased with the way the Government is acting about this quarter section. It is very queer how one man can hold a place so long without living on it and another man has to live on his right at once. My father had to sell a fine comfortable home in Ontario & come out & live on his homestead. Mr Hilliard only sleeps on his Homestead once and awhile & his wife

& family have never slept on it yet. I am working in sight of this homestead & can see every thing he is doing. You can't imagine how much your delay has disappointed me. He has made some improvements so far. It is a year since I first gained it. Does the Government hold a place as long as that for every body. What way do you do residents duties to gain both a homestead & pre-emption. Kindly look this matter up very soon. Yours truly Harold Wells

I. M.

MEMORANDUM: 3.

Mr. Wells wrote on the 4th ultimo calling attention to the 30 days' final notice and says "he is not in actual residence on homestead or preemption. He is not in actual residence upon either quarter. He has only slept five nights on homestead in the 30 days himself. His wife and family have never slept a night on above land. I do not think they intend to." Mr. Link has been requested to again visit this land.

Mr. Wells again wrote on the 3rd instant and complained of Hilliard being allowed until the 2nd July and repeats his statement that Hilliard only sleeps on his homestead once in a while, and that his wife and family have never been there yet; that he himself is working in sight of the homestead and is seeing all that is being done. It looks as if Hilliard were trying to evade the law, and not only has his residence been in default right along, but he has not yet paid the interest due on the 12th of September last.

Interest is paid up to 12 Sept 1909. $23.40

I would suggest that if Mr. Hilliard is in default when Mr. Link visits this land, the preemption be immediately cancelled without further notice.

Approved - Link shd be asked to hurry report as this man is evidently trying to hold the land without complying with the Regulations.

Respectfully submitted,

L. A. Williams

I. M.

MEMORANDUM: 2.

and from 25th August to 8th November. He also claimed a $200 house, shed worth $50, 30 acres broken, all on the homestead; and 33 acres broken on the preemption.

Mr. Wells wrote on the 3rd February that neither the homesteader nor his wife or family were residing on the land, and on the 17th January last Mr. Homestead Inspector Link reported that Hilliard was living on his purchased land, and that he could not learn of any residence having been put in on either the homestead or preemption. The improvements on the homestead consisted of a $125 house apparently not been occupied; stable worth $10, posts and wire; on preemption one mile fencing and 30 acres of breaking; he added that the neighbors informed him that Hilliard had lived on his purchased land since making entry for his preemption.

On the 2nd March we gave Hilliard 30 days' final notice, and on the 28th of that month he executed a declaration that he had been living on the homestead since the 10th of March and the cancellation proceedings were held over until the 2nd July next.

Sir,-

With further reference to your letter dated the 3rd May last, I beg to inform you that a report, dated the 17th of the same month, has now been received from a homestead inspector, setting out that Mr. C. Hilliard has lived upon his homestead, the South West ¼ of Section 16, Township 7, Range 25, West of the Fourth Meridian, continuously from the 4th March last to date of report referred to, and that the improvements on his preemption, the North West ¼ of Section 9, in the same township, consist of one and three-quarter miles of fencing and thirty acres of breaking.

1913.

The Inspector further reports that, in his opinion, Mr. Hilliard is complying with the regulations.

In view of the foregoing, it would seem that Mr. Hilliard is performing his duties in accordance with the requirements of the Act in connection with his preemption, but the cancellation proceedings instituted on your behalf will be further held in abeyance for a period of thirty days from date, in order to afford you an opportunity of substantiating your statements, that Mr. Hilliard has only slept on his homestead once in a while and has in other ways neglected to comply with the conditions attached to his entry for the quarter section last mentioned.

Harold Wells, Esq.,
M a c l e o d,

If you

If you fail to satisfy the Department that your complaints are well founded, the proceedings will be abandoned and Mr. Hilliard allowed to complete the duties necessary to entitle him to patent for the quarter section in question.

Dear Sir,

Mr. Milliard came in in connection with this matter this morning and asked us to write you seeing if the time could not be extended till the first of December for the final payment on this land. As you are no doubt aware crops for the last three years in this district have been low in quantity and 1912 price has been bad, and the farmers throughout the whole District are having a very hard time. If your Department would grant Mr. Milliard an extension it would be very much appreciated.

In the matter of an application for the extension of time for payment with reference to the South West quarter of section nine (9) township eight (8) range twenty-five (25) West 4th. Meridian

I, Christopher Hilliard of the Medicine Province of Alberta farmer

do solemnly declare that I reside on the South West quarter of section 16-7-25 West 4th. Meridian.

1. The failure of crop for this district in 1910, the very poor crops for 1911 and 1912 have placed me in the position of being very short in funds. In addition the banking institutions of the community have absolutely refused to advance to any person any longer credit. These two reasons make it impossible to obtain money without very great sacrifice of property.

2. The South West quarter of section nine(9) above referred to is all fenced and under cultivation.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of *The Canada Evidence Act*.

Dear Sir:

Some time ago I wrote re the title to the N. w. ¼ of 9 - 7 - 25. West of 4th. M. in the name of Christopher Hilliard, and as it is some time since the final payment was made on this pre-emption, I shall appreciate very much your action on this title. Hilliard has called out this way, and wishes to make building arrangements for the Winter. Until the title arrives he cannot do this and you can understand the necessity of getting this matter through.

The title may be sent in care of this Bank, and an early reply will be very much appreciated.

Sirs: 310102

With further reference to correspondence in connection with the North West Quarter (N.W.¼) of Section Nine (9), Township Seven (7), Range Twenty Five (25), West of the Fourth Meridian, purchased homestead of Christopher Hilliard, I shall be glad to know when we may obtain certificate of title to this property. You will recall that in writing I explained urgency in connection with this matter, as it is essential that Mr. Hilliard obtains his title in order to raise certain money to permit him to exist. This condition of affairs is due to repeated crop failures. My object in advancing him certain moneys with which to clear off this title was to assist him in this matter, and I shall appreciate very much your giving this matter your immediate attention and forwarding on title without delay.

Dear Sirs,

With reference to Mr. Cote's letter of the 13th February last, file 1677467 regarding Quit Claim Deed from Christopher Hilliard to our Company covering the right of way on the above quarter section. We have since obtained from Hilliard a transfer of the right of way and I find that our Title is subject to the following:-

Seed Grain Lien dated 9th March, 1915, registered 6th July, 1915 Christopher Hilliard to the Crown, $336.30, registered No. 108 S.L.

Fodder Line Registered 22nd November 1915 -Christopher Hilliard to the Crown, $34.00, Registered Number 1753 S.L.

The consideration for this right of way was paid to Hilliard at the time the Quit Claim Deed was filed with the Department in 1913 and I presume under the circumstances you will recommend the removal of the Seed Grain and Fodder Liens insofar as they affect our right of way. The description of the right of way is as follows:-

DOMINION LIENS:

In the year 1915 the above party obtained advances for seed and feed from the Dominion Government in a total sum of four hundred and twenty dollars and thirty cents, ($420.30), against which a repayment was made in the year 1925, of forty dollars, ($40.00), leaving a balance now outstanding of eight hundred and twenty-six dollars and thirty cents, ($826.30).

As security for these advances a lien is registered on title to the above described lands, subsequent however, to a mortgage in favour of the NETHERLANDS INVESTMENT COMPANY OF CANADA, under which there is now due a sum of two thousand four hundred dollars, ($2,400.00).

Chris Filliard died some little while ago; and of recent date Mrs. Filliard approached the Board for a compromise settlement in respect of the Dominion liens, at which time she advised that forty-seven (47) acres of the N.W. 9-7-25-W.4th had been expropriated for an Airport which is in operation at Vegreod, for instructional purposes.

CONTINUED: TWO BOARD ORDER 8092 F.C.A.A. 356. D-H-107.

Owing to the very indefinite nature of the information Mrs. Hilliard supplied in making the application, the matter dragged out to considerable length, and it was not until a few days ago that more complete information concerning the case was supplied by Mr. G. Rider Davis, Barrister of Macleod, who is now looking after the interests of Mrs. Hilliard.

Mr. G. Rider Davis, advises that his client is prepared to pay the sum of three hundred dollars, ($300.00) in full settlement of this account, but has not immediate funds with which to effect payment. She can, however, apparently obtain sufficient funds from her bank, if assurance can be given that this sum will be accepted in full of the account.

It appears that the applicant is a lady of well advanced years, whose sole form of income is what share of crop she can secure from the above lands and that the first mortgagees and Banks which finance her from time to time have been quite a drain on the income. She is constantly under the Doctor's care, and actually needs immediate hospitalization to correct some long seated trouble.

While the lands in question are conveniently situated to the town of Macleod, the record of that district as far as crops are concerned has been very poor for years past, mainly on account of the drought conditions which frequently recur; and it is possible that the first mortgagees in event of foreclosure, might have had some difficulty in realizing from the sale of the property a sum which would have been sufficient to pay off their claim and leave monies available for subsequent encumbrances.

The sum being paid as compensation for the expropriation of forty-seven (47) acres is understood to be thirty dollars ($30.00), per acre, which is very much more than would ever be realized from the land if disposed of for farming purposes, and will give the lady monies with which to effect a settlement on a compromise basis with her creditors; enable her to give clear title to the forty-seven (47) acres afore mentioned; and leave her some funds for her immediate needs.

Yours of the 23rd ultimo with Board Order No. 8092 received. The report of the 14th ultimo to Mr. Soutter is headed as follows:-

"RE: Asst. Chris Hilliard,
SW¼ 16-7-25-W.4th.
NW¼ 9-7-25-W.4th.
SOLDIER LIENS.

In paragraph 2 it is stated -

"As security for these advances a lien is registered on title to the above described lands, subsequent however, to a mortgage in favour of the NETHERLANDS INVESTMENT COMPANY OF CANADA, under which there is now due a sum of two thousand four hundred dollars, ($2,400.00)."

When dealing with this man's indebtedness in 1936 your Board Order 7163, in respect of a mortgage held by the Netherlands Investment Company of Canada, covering the SW¼ 16-7-25-W.4th, it was stated in the 3rd last paragraph, page 3 - "It has also been submitted that it holds no security but the SW¼ 16-7-25-W.4th." At that time this Department authorised the Registrar to remove the registrations effected by the Chris Hilliard liens in so far as the said SW¼ 16-7-25-W.4th, was concerned - consequently that land, or the mortgage for $2,400, does not enter into the present transaction concerning clearance of title covering the 47 acres in the NW¼ 9-7-25-W.4. expropriated for an Airport.

(over)

As you know, these advances were authorised by "An Act respecting seed grain, fodder and other relief, Chapter 14, Alberta 1915, assented to the 17th April, 1915, also Statutes of Canada, 5 George V, Chapter 20, assented to 17th April, 1915.

The seed grain lien was registered in the Land Titles office on July 6th, 1915, No. 106, Book B.L. Folio 4, the fodder lien for $84.00 was registered the 22nd November, 1915 - both take priority over all other liens, taxes, charges and other encumbrances, whenever created upon such real property.

The Department has been exceptionally lenient in the matter of collection, and considering that approximately one-quarter of the area still held as security for its claim, which now amounts to -

I regret I have not be able to deal with your letter of the 14th ultimo prior to this owing to my absence from the office.

When preparing my report in this connection I regret to find that owing to a confusion in our files, and land searches being mixed, I miss-quoted the name of the prior mortgagee and it would seem that it will be necessary to re-construct the entire recommendation as there are other factors which have come to light since I prepared mine of November 14th, last, which was presented to the Board.

"I am afraid that I can not agree that it would be reasonable to expect payment to be made in full out of the monies which are to be paid to Mrs. Hilliard for expropriation of the forty-seven (47) acres, and I believe that you will agree with this view when further particulars are given, as will be the case in a subsequent report.

DEAR SIR:

RE: S.W. 16-7-25-W.4th.
N.W. 9-7-25-W.4th.
Christopher Hilliard Dec.
DOMINION LIENS:

In the year 1915 Christopher Hilliard obtained advances for seed and feed from the Dominion Government in a total sum of four hundred and twenty dollars and thirty cents, ($420.30), against which one payment of forty dollars, ($40.00) was made leaving a balance outstanding as at December 31st, 1942, of nine hundred and sixty-four dollars and sixty-five cents, ($964.65).

As security for these advances liens were registered on title to the above described land, subsequent however in the case of the S.W. 16-7-25-W.4th, to a mortgage in favour of the NETHERLANDS INVESTMENT COMPANY OF CANADA, and in the case of the N.W. 9-7-25-W.4th, to a mortgage in favour of the GUELPH AND ONTARIO INVESTMENT AND SAVINGS SOCIETY. In 1936 the Netherlands Investment Company made application for a release of the liens from title to the S.W. 16-7-25-W.4th, and obtained a discharge upon it being shown that the claim under their mortgage exceeded the value of the land. Board Order No. 7162 covering this discharge was duly issued and forwarded to the MINISTER OF MINES AND RESOURCES at Ottawa.

CONTINUED: BOARD ORDER No. 8092 Amended

Two.....

Mr. Hilliard died some little while ago and Mrs. Hilliard has approached the Board for a compromise settlement of the indebtedness under these liens in as far as they affect the N.W. 9-7-25-W.4th, as she is anxious to clear title to forty-seven (47) acres of this land, which have been expropriated for an air-port. The sum involved in the sale is understood to be in the neighborhood of one thousand three hundred dollars, ($1,300.00).

The late Christopher Hilliard was a pioneer of the Macleod district, having been an early member of the NORTH WEST MOUNTED POLICE, with which force he served for twenty years before taking his discharge to go farming. When he did he left his widow in very straitened circumstances. She is well advanced in years and constantly under the doctor's care, so that she is anxious to make such arrangements as will permit her to use a reasonable amount of the sale price for personal needs and hospitalization.

In addition to the first mortgage of the Guelph and Ontario Investment and Savings Society and the Dominion Liens , there are also registered against the N.W. 9-7-25-W.4th, two mortgages filed by the BANK OF MONTREAL and ROYAL BANK OF CANADA, respectively, and Tax Recovery notification filed by the Municipal District of Bright

The amount due under the first mortgage is six hundred and five dollars and eighty cents, ($605.80), and the Company is prepared to accept the sum of three hundred and fifty dollars, ($350.00), plus a discharge fee of three dollars, ($3.00), in full settlement of its claim, there by giving a very substantial reduction of two hundred and fifty-five dollars, ($255.00).

THE BANK OF MONTREAL will accept one hundred dollars, ($100.00) as a consideration for a discharge of its mortgage in respect of the forty-seven(47) acres expropriated, and will give additional credit of one dollar ($1.00) for each dollar paid.

THE ROYAL BANK OF CANADA is prepared to make a substantial reduction in the amount of its claim and will accept a part payment in its reduced claim.

TITLED:

The amount of taxes outstanding as at December 31st, 1942 is four hundred and sixty-four dollars and thirty cents, ($464.30), and doubtless a substantial payment will be required on these arrears in order to clear up the Tax Notification from the forty-seven acres, expropriated.

The payment required therefore, apart from the Dominion Liens will be approximately as follows:

First Mortgage:	$ 353.00	
Bank of Montreal:	100.00	
Royal Bank (say):	100.00	
Taxes (on pro-rata basis):	144.00	
		$697.00

This will leave six hundred and three dollars, ($603.00) to satisfy the Dominion Liens and Mrs. Williards own personal requirements.

In view of the circumstances as herein set out I am of the opinion that the principal amount due under the Dominion Liens namely, four hundred and twenty dollars and thirty cents, ($420.30), should be the maximum required of Mrs. Williard and this will only leave her a sum less than two hundred dollars ($200.00).

It is true that the quarter-section involved, and on which Mrs. Williard depends for a living, adjoins the Town of Macleod, but the crop record of that district has not been good as drought conditions and hail frequently recur and this tends to reduce the returns very considerably.

I would therefore, recommend on compassionate grounds, that a complete discharge of the indebtedness under the Dominion Liens be granted upon payment of the aforesaid four hundred and twenty dollars and thirty cents, ($420.30).

As security for these advances liens were registered on title to the above described land, subsequent however in the case of the S.W. 16-7-25-W.4th, to a mortgage in favour of the NETHERLANDS INVESTMENT COMPANY OF CANADA, and in the case of the N.W. 9-7-25-W.4th, to a mortgage in favour of the GUELPH AND ONTARIO INVESTMENT AND SAVINGS SOCIETY. In 1936 the Netherlands Investment Company made application for a release of the liens from title to the S.W. 16-7-25-W.4th, and obtained a discharge upon it being shown that the claim under their mortgage exceeded the value of the land. Board Order No. 7162 covering this discharge was duly issued and forwarded to the MINISTER OF MINES AND RESOURCES at Ottawa.

Mr. Hilliard died some little while ago and Mrs. Hilliard has approached the Board for a compromise settlement of the indebtedness under these liens in as far as they affect the N.W. 9-7-25-W.4th, as she is anxious to clear title to forty-seven (47) acres of this land, which have been expropriated for an air-port. The sum involved in the sale is understood to be in the neighborhood of one thousand three hundred dollars, ($1,300.00).

The late Christopher Hilliard was a pioneer of the Macleod district, having been an early member of the NORTH WEST MOUNTED POLICE, with which force he served for twenty years before taking his discharge to go farming. When he died he left his widow in very straightened circumstances. She is well advanced in years and constantly under the doctor's care, so that she is anxious to make such arrangements as will permit her to use a reasonable amount of the sale price for personal needs and hospitalization.

In addition to the first mortgage of the Guelph and Ontario Investment and Savings Society and the Dominion Liens , there are also registered against the N.W. 9-7-25-W.4th, two mortgages filed by the BANK OF MONTREAL and ROYAL BANK OF CANADA, respectively, and Tax Recovery notification filed by the Municipal District of Bright

The amount due under the first mortgage is six hundred and five dollars and eighty cents, ($605.80), and the Company is prepared to accept the sum of three hundred and fifty dollars, ($350.00), plus a discharge fee of three dollars, ($3.00), in full settlement of its claim, there by giving a very substantial reduction of two hundred and fifty-five dollars, ($255.00).

THE BANK OF MONTREAL, will accept one hundred dollars, ($100.00) as a consideration for a discharge of its mortgage in respect of the forty-seven(47) acres expropriated, and will give additional credit of one dollar ($1.00) for each dollarspaid.

THE ROYAL BANK OF CANADA is prepared to make a substantial reduction in the amount of its claim and will accept a part payment in its reduced claim.

The amount of taxes outstanding as at December 31st, 1942 is four hundred and sixty-four dollars and thirty cents, ($464.30), and doubtless a substantial payment will be required on these arrears in order to clear up the Tax Notification from the forty-seven acres, expropriated.

The payment required therefore, apart from the Dominion Liens will be approximately as follows:

First Mortgage:	$ 353.00	
Bank of Montreal:	100.00	
Royal Bank (say):	100.00	
Taxes (on pro-rata basis):	144.00	
		$697.00

This will leave six hundred and three dollars, ($603.00) to satisfy the Dominion Liens and Mrs. Hilliards own personal requirements.

In view of the circumstances as herein set out I am of the opinion that the principal amount due under the Dominion Liens namely, four hundred and twenty dollars and thirty cents, ($420.30), should be the maximum required of Mrs. Hilliard and this will only leave her a sum less than two hundred dollars ($200.00).

It is true that the quarter-section involved, and on which Mrs. Hilliard depends for a living, adjoins the Town of Macleod, but the crop record of that district has not been good as drought conditions and hail frequently recur and this tends to reduce the returns very considerably.

I would therefore, recommend on compassionate grounds, that a complete discharge of the indebtedness under the Dominion Liens be granted upon payment of the aforesaid four hundred and twenty dollars and thirty cents, ($420.30).

In the year 1915 Christopher Hilliard obtained advances for seed and feed from the Dominion Government in a total sum of four hundred and twenty dollars and thirty cents, ($420.30), against which one payment of forty dollars, ($40.00) was made leaving a balance outstanding as at December 31st, 1942, of nine hundred and sixty-four dollars and sixty-five cents, ($964.65).

As security for these advances liens were registered on title to the above described land, subsequent however in the case of the S.W. 16-7-25-W.4th, to a mortgage in favour of the NETHERLANDS INVESTMENT COMPANY OF CANADA, and in the case of the N.W. 9-7-25-W.4th, to a mortgage in favour of the GUELPH AND ONTARIO INVESTMENT AND SAVINGS SOCIETY. Macleod 33.

IN THE MATTER OF THE FARMERS' CREDITORS ARRANGEMENT ACT, 1934, and

IN THE MATTER OF AN APPLICATION by CHRIS HILLIARD and CORINNE HILLIARD, both of the Settlement of Macleod, in the Province of Alberta, Farmers.

BEFORE THE BOARD OF REVIEW) LETHBRIDGE, Alberta, Thursday the 21st day of November, A. D. 1935.

1. It was made apparent to the Board of Review that the Applicants were unable to reach an agreement with their creditors at the statutory meeting required to be held under the Act.

2. The Applicants therefore duly filed a request in writing that the Board endeavor to formulate an acceptable proposal to be submitted to them and to their creditors.

3. Pursuant to notice given the Applicants and their creditors disclosed the Board considered representations made by or on behalf of the Applicants and those of their creditors who appeared personally or through their agents or solicitors or made written representations to the Board.

4. The Board finds that the Applicants are farmers within the meaning of the said Act, that they are efficient producers and that they are unable to meet their liabilities as they become due.

5. Having considered the evidence submitted, the Board is of opinion that the prospective carability of the Applicants to pay their debts as disclosed and the productive value of their farm will not permit them to pay these debts in full as they become due.

6. Nothing contained in this proposal shall be deemed to revive or give validity to any debt in respect of which payment is at this date barred by the Statute of Limitations.

7. Except in so far as is necessary to give effect hereto, this proposal shall not release or discharge the Applicants from any acceleration clause or covenant, condition, or promise of any nature whatsoever contained in any deed or document in writing evidencing any indebtedness of the Applicants.

THE BOARD THEREFORE PROPOSES:

(a) That the Applicants shall, on or before the 15th day of December in each and every year commencing in the current year, pay the annual taxes levied against their lands, together with the instalment payable in respect of their tax consolidation agreement (if any).

(b) The Board directs that no tax enforcement proceedings shall be taken or continued against the Applicants until after the 31st day of December, 1936.

(c) That the Applicants shall have the privilege of paying in advance the whole or any portion of their indebtedness to any of their creditors named herein, at any time before maturity, without notice of bonus.

(d) In case any creditor hereinafter named is a mortgagee having a first charge, saving and except taxes and other statutory prior charges, on any land owned by the Applicants, or in case any creditor hereinafter named is a vendor having a prior lien or first charge over and above all other encumbrances save and except taxes and other statutory prior charges, on any land owned by the Applicants in respect of the

unpaid purchase of such land, then and in every such case the Applicants shall make available to such mortgagee or to such vendor as the case may be, a full one-third share of the crop grown on such land, after the year 1935.

Such mortgagee or vendor as the case may be shall be deemed to be and to have been the owner of such share from the moment of the sowing of the said crop.

(e) In case any creditor hereinafter named is a secured creditor, such creditor shall be deemed to have retained his or her or its security.

(f) That the Applicants shall immediately on the sale of any goods or chattels the subject of any security of whatsoever kind or nature, pay to the creditor holding such chattel mortgage or other security, the proceeds of the said sale, but nothing herein contained shall be deemed to confer upon the Applicants the right to effect such sale in the absence of the consent of the creditor holding the security.

(g) That the claim of the Municipal District of Bright, No. 6[illegible], in respect of taxes and all other charges levied against the Applicant's lands, including hail insurance premiums and advances for seed grain or for any other purpose, as of the 31st day of December, 1935, be reduced by the elimination of all interest charges and by the further elimination of all penalties and other additions to the amounts as originally levied or advanced, which arrears of taxes and other charges, so reduced, shall be payable on the same terms and in the same manner as provided in The Local Tax Arrears Consolidation Act of the Province of Alberta, provided, however, that this provision shall not take effect if the Applicants' taxes have been consolidated and such consolidation agreement is in good standing at this date.

(h) That the claim of Guelph and Ontario Investment and Savings Society be fixed at the sum of $528.47 as of the first day of December, 1935, which said sum shall bear interest at the rate of 6% per annum from the said date, and shall be payable as follows:

> The sum of $73.00 in cash, forthwith, which said sum, when paid, shall be applied in reduction of the principal sum as consolidated aforesaid, and thereafter, the sum of $50.00 on the principal sum remaining unpaid, and interest on the unpaid balance at the rate aforesaid, payable on the first day of December in each of the years 1936 to 1940, both inclusive, and the balance of the principal sum and interest, on the first day of December, 1941.

(i) With regard to the claim of Netherlands Investment Company of Canada Limited, in respect of a mortgage covering:

> The South-West Quarter of Section Sixteen (16) in Township Seven (7) of Range Twenty-Five (25), West of the Fourth Meridian, as more particularly described in Certificate of Title No. 41 L. 170,

it was intimated to the Board at the hearing that the claim of the Company had increased from an original loan of $1,800.00 to $3,260.55, a sum considerably in excess of the valuation of the security which was agreed upon by the Applicants and counsel for the said Company at $2,400.00.

The parties agreed at the hearing that the Applicants should execute forthwith and not later than the 15th day of December, 1935, consents in proper form to enable the Company to secure an order of foreclosure of the said lands before a Court of competent jurisdiction. The Company under the said arrangement is to accept an order of foreclosure of the said lands in full and complete satisfaction of its claim, and shall assume liability for all outstanding taxes. No share

of the 1935 crop shall be delivered to the Company. Possession of the said lands shall be given the Company on or before the 15th day of December, 1935, to enable the Company to give possession to the proposed lessor hereinafter mentioned.

Provided he so indicates to the Company in writing, prior to the 15th day of December, 1935, a willingness to lease the said lands and premises, one Robert Hilliard, a son of the Applicants, shall be entitled to a lease from the Company on the said lands and premises for a term of three years dating from the 15th day of December, 1935, and ending on the 14th day of December, 1938, at a yearly rental equivalent to a full one-third share of all crops of whatsoever kind or nature grown annually on the said lands.

The said lease shall contain an option in favor of the said Robert Hilliard to purchase the said lands at the sum of $2,400.00 with interest at the rate of 6% per annum. If the said Robert Hilliard takes up the said option within the time herein provided, the agreement of sale shall be dated the 15th day of December, 1935, and shall bear interest from the said date at the rate aforesaid, and there shall be credited on the said agreement all rentals (being the proceeds of the said one-third shares of crops) paid by the lessor as fixed aforesaid, which said rentals shall be applied firstly on account of interest and secondly, if any, on account of principal. In the event of the said option being taken up, the said Robert Hilliard shall pay all taxes levied against the said lands from and after the first day of January, 1936. This offer shall be open for acceptance up to, but not after, the 14th day of December, 1938.

The amount of the cash payment shall be the sum of $400.00 but this payment shall not be required to be paid in cash provided the returns from the crop at the time of the acceptance of the option, after paying interest at the rate of 6% per annum on the sum of $2,400.00 calculated from the 15th day of December, 1935, and after paying the annual taxes to the date of the acceptance of the option, shall have reduced the said principal sum by $400.00.

The terms of the said lease and the terms of the agreement of sale, including the times of repayment of principal, if the said option is taken up, shall, in the absence of agreement between the parties, be fixed by a Judge of the Supreme Court, on the application of either party on notice to the other.

(j) With regard to the claim of The Dominion Life Assurance Company, at the hearing before the Board a valuation of the lands and premises comprising the said Company's security, was submitted, in which the property was valued at considerably less than the principal amount of the Company's claim. This land is in a dry area where values have seriously depreciated.

Under these circumstances the Board is of opinion that the claim of the said Company should be fixed at the sum of $4,572.10 as of the first day of November, 1934, which said sum shall bear interest at the rate of 6% per annum from the said date, and shall be payable as follows:

> Interest only on the said indebtedness, payable on the first day of November in each of the years 1936 and 1937, and there-after, the sum of $200.00 on the principal sum, and interest on the unpaid balance at the rate aforesaid, payable on the first day of November in each of the years 1936 to 1938, both inclusive; thereafter, the sum of $300.00 on the principal sum remaining unpaid, and interest on the unpaid balance at the rate aforesaid, payable on the first day of November in each of the years 1939 to 1941, both inclusive; thereafter, the sum of $400.00 on the principal sum remaining unpaid,

and interest on the unpaid balance at the rate aforesaid, payable on the first day of November in each of the years 1942 to 1944, both inclusive, and the balance of the principal sum and interest, on the first day of November, 1945.

(k) That the claim of The Royal Bank of Canada in respect of the Applicants' direct liability, be fixed at the sum of $673.02 as of the 30th day of April, 1935, which said sum shall bear interest at the rate of 6% per annum from the said date, and shall be payable as follows:

One-fifth of the principal sum, and interest on the unpaid balance at the rate aforesaid, payable on the first day of December in each of the years 1936 to 1940, both inclusive.

Provided, however, that the said creditor shall credit the Applicants with an additional credit by way of bonus of 25 cents for each and every $1.00 paid by the Applicants to the said Bank up to and including the first day of December, 1940.

(l) That the claim of The Royal Bank of Canada in respect of the Applicant's indirect liability, be fixed at the sum of $608.67 as of the 30th day of April, 1935, which said sum shall bear interest at the rate of 6% per annum from the said date, and shall be payable as follows:

One-fifth of the principal sum, and interest on the unpaid balance at the rate aforesaid payable on the first day of December in each of the years 1936 to 1940, both inclusive.

Provided, however, that the said creditor shall credit the Applicants with an additional credit by way of bonus of 25 cents for each and every $1.00 paid by the Applicants to the said Bank up to and including the first day of December, 1940.

(m) That the claim of the Bank of Montreal be fixed at the sum of $450.42 as of the 21st day of November, 1935, which said sum shall bear interest at the rate of 7% per annum from the said date, and shall be payable as follows:-

The sum of $50.00 on the principal sum, and interest on the unpaid balance at the rate aforesaid, payable on the first day of December in each of the years 1936 to 1939, both inclusive, and the balance of the principal sum and interest, on the first day of December, 1940.

Provided, however, that the said creditor shall credit the Applicants with an additional credit by way of bonus of $1.00 for each and every $1.00 paid by the Applicants to the said Bank up to and including the first day of December, 1940.

(n) That the claim of the Department of Municipal Affairs of the Province of Alberta, be fixed at the sum of $86.19 as of the 21st day of November, 1935, which said sum shall bear interest at the rate of 5% per annum from the said date, and shall be payable on the first day of December, 1936.

That the claim of Garbutt Business College Limited in respect of [illegible], be fixed at the sum of $100.00 as of the 21st day of November, which said sum shall bear interest at the rate of 5% per annum from the said date, and shall be payable as follows:

The sum of $25.00 on the principal sum, and interest on the unpaid balance at the rate aforesaid, payable

on the first day of December in each of the years 1936 to 1939, both inclusive.

(q) That the claim of Cockshutt Plow Company Limited be fixed at the sum of $200.00 as of the 21st day of November, 1935, which said sum shall bear interest at the rate of 5% per annum from the said date, and shall be payable as follows:

One-third of the principal sum, and interest on the unpaid balance at the rate aforesaid, payable on the first day of December in each of the years 1936 to 1938, both inclusive.

(r) That the claim of International Harvester Company of Canada, Limited, be fixed at the sum of $60.00 as of the 21st day of November, 1935 which said sum shall bear interest at the rate of 5% per annum from the said date, and shall be payable as follows:

C. A. Port, Esq., Farmers' Creditors Arrangement Act, Department of Finance, Victoria Museum, O t t a w a, Ont.

By letter of December 2nd you were kind enough to forward me a copy of the order of the Board of Review regarding the proposal of Chris and Corinne Hilliard, Macleod, Alberta.

Would it be possible to obtain a copy of the statement of affairs submitted by the Hilliards? For your information I might say that the settlement made with the Hilliards has an effect on a suggested settlement on other land and their statement is required for purposes of comparison in this office.

If you have a spare copy of this statement or could obtain one I should consider it a favour if you would forward it to this office.

Re - Account Chris Hilliard,
[illegible] 16 & NE¼ 9-7-25-W.4th M.

In 1916 this Department advanced Chris Hilliard seed grain $336.30 and fodder $84.00 on the security of -

SE¼ 16-7-25-W.4th M. - mortgaged to Netherlands Investment Company.
NE¼ 9-7-25-W.4th M. - mortgaged to Guelph and Ontario Investments & Savings Society.

Accounts were sent him every year from 1917 to 1930, but although he was also contacted on many occasions in those years by Seed Grain Collectors, one payment only of $40 was made in 1924.

The latter and his wife, Catherine Hilliard, made application under the F.C.A.A. in 1935. On the recommendation of the Dominion Seed Grain Adjustment Board, the SE¼ 16 was released from the registration effected by the Dominion liens. The Netherlands Investment Company foreclosed, obtained title to the said SE¼ 16, and entered into an agreement for sale with a son of the Hilliards, as proposed by the Board of Review, F.C.A.A.

On the 23rd November last, Mr. Hewlett, Supervisor, Collection Branch, Department of Municipal Affairs, and Secretary of the Provincial Tax Consolidation Board, Seed Grain and Relief Adjustment Board, who also acts as Secretary to the Dominion Seed Grain Adjustment Board, forwarded to this office Board Order No. 8092, recommending -

(over)

"That upon application of the sum of three hundred dollars ($300.00) to the advances received by Chris. Hilliard, more particularly described in the attached report, the liens be discharged and the balance written off."

In this connection please see attached, Mr. Howlett's report to the Board, copy of my reply, his further report of the 28th ultimo, and Board Order No. 6092 amended, recommending -

"That, upon application of the sum of four hundred and twenty dollars and thirty cents, ($420.30), to the advances received by the late Christopher Hilliard, more particularly described in the attached report, the liens taken for security for the same be discharged and the balance of the indebtedness be written off."

Mr. Howlett also states -

"I am afraid that I cannot agree that it would be reasonable to expect payment to be made in full out of the monies which are to be paid to Mrs. Hilliard for expropriation of the forty-seven (47) acres, and I believe that you will agree with this view when further particulars are given, as will be the case in a subsequent report."

The Dominion's claim under the liens, interest computed to the 31st December, 1942, is made up as follows:-

Principal	Interest	Total.
$420.30	$544.35	$964.65

and is secured by the registration of liens against the NW¼ 9-7-25-W.4th, which take priority over all other liens, taxes, charges and other encumbrances whenever created upon such real property. See "An Act respecting Seed Grain, Fodder and other Relief, Chapter 14, Alberta 1915, also Statutes of Canada, 5 George V, Chapter 20.

It appears that Mrs. Hilliard is anxious to clear title to 47 acres of this land which have been expropriated for an Air Port. The sum involved in the sale is understood to be in the neighbourhood of $1300.

(next)

According to Mr. Howlett's latest proposal and the Board's recommendation, this amount would be applied on a prorata basis as follows:-

First mortgage	-	$353.00
Bank of Montreal	-	100.00
Royal Bank	-	100.00
Taxes	-	144.00
Dominion	-	420.30

leaving $200 to Mrs. Hilliard for her own personal requirements. However, he recommends, on compassionate grounds, that a complete discharge of the indebtedness under the Dominion liens be granted upon payment of the sum of $420.30.

The claim of the Bank of Montreal, or the Royal Bank, should not be considered and the Dominion should certainly not be required to give a complete discharge of its liens registered against a full quarter-section and take a loss of approximately $345. in order to clear title to 47 acres, particularly in view of the fact that if it is so desired it can enforce payment of the full amount due, $914.55, by seizure and sale of the said land as provided in the act previously mentioned. I see no objection to the amount of $420 being applied as follows:-

Mortgage	-	$276.00
Taxes	-	$144.00
Dominion	-	$300.00 - for clearance of title of its liens in so far as 47 acres only is concerned.

This would leave Mrs. Hilliard $253.00.

It must not be forgotten that for the last 20 years the Mortgage Company and the Banks have been collecting on their claims carrying interest at 7 or 8 per cent, while the Dominion got nothing on its claim bearing interest at five per cent only.

Dear Sir: Re: R.C...F. Field -.Standoff, Alta.
Pt. N.W. 9-7-25, West 4.

I am arranging to secure title to a portion of this quarter section for use by the Dominion Crown for the Airfield at Standoff, Alberta, and the title is subject to a number of Dominion Seed Grain Liens contracted by Christopher Hilliard in 1915 and 1916. There are three Liens registered in the Land Titles Office, No. 108 B.L. July 6, 1915, No. 1753 B.L. November 22, 1915, and No. 6829 B.L. December 27, 1916.

I have requested the vendor of this land, Mrs. Corrine Hilliard, to obtain discharge of these Liens and, in all probability, she will want me to deduct the amount required to satisfy these liens from the compensation. In the meantime, would you be good enough to let me have a statement of the actual amount owing under the Liens.

As requested in yours of the 17th instant, a statement is attached herewith showing the amount due this Department in connection with indebtedness incurred by the late C. Hilliard, secured by the registration of liens for $64.00 and $356.30 against the land above described.

We have had some correspondence with Mr. Wm. Hewlett, Secretary, Seed Grain Adjustment Board, Edmonton, concerning the claim of this Department and have advised him that we would recommend the acceptance of $600 by the Dominion for the release of those liens in so far as the 47 acres taken for the Air-field only are concerned. This offer was made to Mr. Hewlett on the understanding that the sum involved in the sale is approximately $1,300. Would you please advise if that is the amount of the consideration.

MINUTES of a MEETING of the TAX CONSOLIDATION BOARD and the SEED GRAIN AND RELIEF ADJUSTMENT BOARD held at the OFFICE OF THE SECRETARY, ADMINISTRATION BUILDINGS, EDMONTON, Alberta, on WEDNESDAY, the TWENTY-FIRST (21st) day of APRIL, A. D. 1943 at the hour of TWO (2:00) O'CLOCK in the AFTERNOON.

Present:

A. Soutter	Chairman
H. Allam	Dominion Member
Wm. Hewlett	Secretary

Prior to presenting the new cases which have been prepared for the consideration of the Board, the Secretary brought forward for discussion file D-H-107 dealing with a request for compromise from Mrs. Hilliard, and in which connection Board Order No. 8092 amended had been passed in February last.

This Board Order recommended a settlement of the indebtedness of Mrs. Hilliard amounting to $964.65 by payment of the principal sum, namely, $420.30 and that upon application of this sum to the account, all liens be released.

Under date of the 2nd of March, 1943, the Secretary received a letter from the Registrar of Lands, Department of Mines and Resources stating that a sum of $600.00 would be expected as consideration for the release of the liens inasfar as 47 acres of the N. W. 9-7-25-4 were concerned, this being the land expropriated for the establishment of an air field.

The Board again reviewed the report prepared by the Supervisor Collection Branch and were unable to find justification for any alteration in their recommendation under Board Order 8092 for the following reasons:

n the Proposal formulated by the Board of Review, Farmers' Creditors Arrangement Act, November 21st, 1935, claims of other creditors holding a lien as security were reduced, while no such action was taken in respect of the claim under the Dominion Liens.

2. THAT, in order to permit of a transfer being given to the purchasers of the 47 acres previously mentioned it will be necessary to obtain a discharge of all encumbrances including the Bank mortgages and taxes, and that it is reasonable to expect some consideration will be demanded by each creditor for such release.

3. THAT, payments to the Banks called for under the provisions of the Proposal formulated by the Board of Review are in arrears and some payment should be made.

4. THAT, the holder of the first mortgage registered prior to the Dominion Liens is granting a further substantial cut over and above that provided for by the Board of Review and that the Banks are prepared to give a credit of two dollars ($2.00) for every one dollar ($1.00) paid.

5. THAT, the settlement recommended by the Board is in line with the basis of compromise generally accorded other applicants in respect of these old Dominion Liens.

6. THAT, the applicant is an aged woman in straightened circumstances and in urgent need of the small sum, which will be accruing to her under the terms of Board Order No. 8092.

TWENTY-NINE (29) reports, covering adjustments were then presented to the Board, and the recommendation of the Supervisor of the Collection Branch approved in each instance.

THE MEETING ADJOURNED AT HALF-PAST FOUR (4:30) O'CLOCK IN THE AFTERNOON.

OTTAWA 3rd May, 1943.

Re: Account Chris Hilliard,
NW¼ 9-7-25-W.4th Mer.

Yours of the 21st ultimo forwarding a copy of the Minutes covering the Board Meeting which dealt with my letter to you of March 2nd, has been received.

It is noted that the Board reviewed the report prepared by you and were unable to find justification for any alteration in their recommendation under Board Order 8092, for a number of reasons. These reasons will be dealt with in their order -

1. In the Proposal formulated by the Board of Review, Farmers' Creditors Arrangement Act, November 21st, 1935, claims of other creditors holding a lien as security were reduced, while no such action was taken in respect of the claim under the Dominion Liens.

According to the Statement of Affairs, Form A. filed by the Hilliards on October 30th, 1934, and the proposal formulated by the Board of Review, Farmers' Creditors Arrangement Act, when the case was heard on November 25th, 1935, very slight reductions, if any, were made in connection with the claims of other creditors carrying a much higher rate of interest (than the claim of the Dominion), and many of which were unsecured. For example -

Name	Amount of Claim	Settlement proposed by Board of Review, F.C.A.A.
Guelph & Ontario Investment & Savings Society.	$502.22	$528.47 Int. at 6%
Bank of Montreal	$531.00	$450.42 Int. at 7%
Royal Bank	$656.00	$673.02 Int. at 6%

This latter claim was referred to as the applicant's direct liability. There was another claim of the Bank of Montreal not mentioned by the Hilliards, but by the Board of Review, referred to as the applicant's indirect liability. This latter claim was fixed at $608.67 as of the 30th April, 1935, with interest at 6%. There were other unsecured claims apparently settled at 100 cents on the Dollar, such as the Garbutt Business College. The Hilliards did not disclose their debt to this Department, consequently the Board of Review did not deal with it. As a matter of fact it was not until late in March, 1936, that we learned of the Hilliards' application under the F.C.A.A.

APPROVED
LEGAL

2. THAT, in order to permit of a transfer being given to the purchasers of the 47 acres previously mentioned it will be necessary to obtain a discharge of all encumbrances including the Bank mortgages and taxes, and that it is reasonable to expect some consideration will be demanded by each creditor for such release.

(Over)

Instead of paying the Dominion liens, amounting to $420.30, with interest at 5%, the Milliards very substantially reduced the mortgages for -

$1400	at 8%	registered	1914
$1920.85	at 8%	"	1920
$1039.15	" 7%	"	1932

It will be noted the latter two were not registered for many years after the Dominion liens, which take priority over all other liens, taxes, charges and other encumbrances, as provided by An Act respecting Seed Grain, Fodder and other Relief, Chapter 14, Alberta 1915, also Statutes of Canada, 5 George V, Chapter 20. The Dominion could foreclose at any time, and still can, in order to recover.

3. THAT, payments to the Banks called for under the provisions of the Proposal formulated by the Board of Review are in arrears and some payment should be made.

It is my understanding that the purpose of the Farmers' Creditors Arrangement Act is to enable the Board of Review to reduce the obligations of the farmer by formulating a proposal based on the present and prospective capability of the debtor to perform the obligations prescribed and the productive value of the farm, to a point where he can meet the same having due regard to priorities, and that the Board should certainly give effect to any priority. That may not have been done in this case. Moreover, we did not concur in the recommendation of the Board of Review. The Dominion liens were removed from the S½ 16-7-25-W.4th, on the recommendation of your Board.

4. THAT, the holder of the first mortgage registered prior to the Dominion liens is granting a further substantial cut over and above that provided for by the Board of Review and that the Banks are prepared to give a credit of two dollars ($2.00) for every one dollar ($1.00) paid.

If the information supplied by Mrs. Hilliard and her husband when filing application for a proposal under the Farmers' Creditors Arrangement Act is correct, the holder of the mortgage which carried interest at 8%, and the Banks, have been well taken care of.

5. THAT, the settlement recommended by the Board is in line with the basis of compromise generally accorded other applicants in respect of these old Dominion liens.

This does not necessarily follow in all cases - no hard and fast rule has been established. As a matter of fact this Department has been most lenient and it has been on rare occasions that your Board has been asked to reconsider. In this case it has been necessary to do so on two occasions - first, when acceptance of $300 was recommended, Board Order 8092, and later when acceptance of $420.30 was recommended by Board Order 8092 amended.

6. THAT, the applicant is an aged woman in straightened circumstances and in urgent need of the small sum which be accruing to her under the terms of Board Order No. 8092.

When Mrs. Hilliard and her husband made application under the F.C.A.A. their stock and machinery were listed as follows:-

(over)

STOCK - Four milk cows
Two yearling steers
Three calves
Twelve work horses
Three pigs.

MACHINERY & PERSONAL PROPERTY

One tractor - Two binders - One tractor disc.
Three bottom plow - One seed drill - Half interest in threshing separator.
One sulky plow - One mower - One windmill
One disc plow - One rake - One cook car
One set of harrows - Two wagons - One bunk car.

Moreover, they farmed three quarter-sections, the NW¼ 9-7-25-4, S½ 21 & N½ 16-7-25-W.4th, in addition to the S½ 16-7-25-4, foreclosed by the Netherlands Investment Company and later sold to Robert Hilliard, a son of the applicant, for an amount stipulated by the Board of Review in its proposal.

The Dominion's claim, amounting to $971.55, is fully secured by the registration of liens as a first and prior charge against the NW¼ 9-7-25-W.4th. It is about to pay $1300 for only 47 acres of that quarter-section for an Airfield, which is very much more than would ever be realised from the land if disposed of for farming purposes. Your Board has recommended that the Dominion accept $420.30 as payment in full and discharge its liens in order that other creditors occupying secondary position only with regard to registered security, may be reimbursed, and also in order that Mrs. Hilliard owner of a fair stock and complete line of farm equipment, whose land is being farmed on a crop arrangement plan, may be provided with funds for her immediate needs.

In view of these facts and also that the monies advanced to finance Dominion liens represent funds appropriated from the taxpayers of Canada for that particular purpose, it is considered that the offer to recommend acceptance of $600 for removal of the liens in so far as the 47 acres only is concerned, was a most equitable one.

Would you please resubmit this case to the Seed Grain Adjustment Board. It is thought that with this additional information the Board will agree and change its recommendation to $600 for clearance of title of Dominion liens in so far as the 47 acres only is concerned, instead of $420.30 for a complete discharge of the liens.

Re: Account Chris Hilliard,
[redacted] 9-7-25-W.4th Mer.

Yours of the 21st ultimo forwarding a copy of the Minutes covering the Board Meeting which dealt with my letter to you of March 2nd, has been received.

It is noted that the Board reviewed the report prepared by you and were unable to find justification for any alteration in their recommendation under Board Order 8092, for a number of reasons. These reasons will be dealt with in their order -

1. In the Proposal formulated by the Board of Review, Farmers' Creditors Arrangement Act, November 21st, 1935, claims of other creditors holding a lien as security were reduced, while no such action was taken in respect of the claim under the Dominion Liens.

According to the Statement of Affairs, Form A. filed by the Hilliards on October 30th, 1934, and the proposal formulated by the Board of Review, Farmers' Creditors Arrangement Act, when the case was heard on November 20th, 1935, very slight reductions, if any, were made in connection with the claims of other creditors carrying a much higher rate of interest (than the claim of the Dominion), and many of which were unsecured. For example -

Name	Amount of Claim	Settlement proposed by Board of Review, F.C.A.A.
Guelph & Ontario Investment & Savings Society.	$502.22	$528.47 Int. at 6%
Bank of Montreal	$531.00	$450.42 Int. at 7%
Royal Bank	$656.00	$573.02 Int. at 6%

This latter claim was referred to as the applicant's direct liability. There was another claim of the Bank of Montreal not mentioned by the Hilliards, but by the Board of Review, referred to as the applicant's indirect liability. This latter claim was fixed at $603.37 as of the 30th April, 1935, with interest at 6%. There were other unsecured claims apparently settled at 100 cents on the Dollar, such as the Garnett Business College. The Hilliards did not disclose their debt to this Department, consequently the Board of Review did not deal with it. As a matter of fact it was not until late in March, 1936, that we learned of the Hilliards' application under the F.C.A.A.

2. That, in order to permit of a transfer being given to the purchasers of the 47 acres previously mentioned it will be necessary to obtain a discharge of all encumbrances including the Bank mortgages and taxes, and that it is reasonable to expect some consideration will be demanded by each creditor for such release.

(Over)

Instead of paying the Dominion liens, amounting to $420.30, with interest at 5%, the Hilliards very substantially reduced the mortgages for -

$1400 at 8% registered 1914
$1920.35 at 8% " 1920
$1039.15 " 7% " 1932

It will be noted the latter two were not registered for many years after the Dominion liens, which take priority over all other liens, taxes, charges and other encumbrances, as provided by An Act respecting Seed Grain, Fodder and other Relief, Chapter 14, Alberta 1915, also Statutes of Canada, 5 George V, Chapter 20. The Dominion could foreclose at any time, and still can, in order to recover.

3. THAT, payments to the Banks called for under the provisions of the proposal formulated by the Board of Review are in arrears and some payment should be made.

It is my understanding that the purpose of the Farmers' Creditors Arrangement Act is to enable the Board of Review to reduce the obligations of the farmer by formulating a proposal based on the present and prospective capability of the debtor to perform the obligations prescribed and the productive value of the farm, to a point where he can meet the same having due regard to priorities, and that the Board should certainly give effect to any priority. That may not have been done in this case. Moreover, we did not concur in the recommendation of the Board of Review. The Dominion liens were removed from the S½ 16-7-25-W.4th, on the recommendation of your Board.

4. THAT, the holder of the first mortgage registered prior to the Dominion liens is granting a further substantial cut over and above that provided for by the Board of Review and that the Banks are prepared to give a credit of two dollars ($2.00) for every one dollar ($1.00) paid.

If the information supplied by Mrs. Hilliard and her husband when filing application for a proposal under the Farmers' Creditors Arrangement Act is correct, the holder of the mortgage which carried interest at 8%, and the Banks, have been well taken care of.

5. THAT, the settlement recommended by the Board is in line with the basis of compromise generally accorded other applicants in respect of these old Dominion liens.

This does not necessarily follow in all cases - no hard and fast rule has been established. As a matter of fact this Department has been most lenient and it has been on rare occasions that your Board has been asked to reconsider. In this case it has been necessary to do so on two occasions - first, when acceptance of $300 was recommended, Board Order 8092, and later when acceptance of $420.30 was recommended by Board Order 8092 amended.

6. THAT, the applicant is an aged woman in straightened circumstances and in urgent need of the small sum which be accruing to her under the terms of Board Order No. 8092.

When Mrs. Hilliard and her husband made application under the F.C.A.A. their stock and machinery were listed as follows:-

Three bottom plow - One seed drill - Half interest in threshing separator.
One sulky plow - One mower - One windmill
One disc plow - One rake - One cook car
One set of harrows - Two wagons - One bunk car.

Moreover, they farmed three quarter-sections, the [illegible] 9-7-25-4, [illegible] 21 & [illegible] 16-7-25-4.4th, in addition to the [illegible] 16-7-25-4, foreclosed by the Netherlands Investment Company and later sold to Robert Hilliard, a son of the applicant, for an amount stipulated by the Board of Review in its proposal.

The Dominion's claim, amounting to $971.55, is fully secured by the registration of liens as a first and prior charge against the NW¼ 9-7-25-W.4th. It is about to pay $1800 for only 47 acres of that quarter-section for an Airfield, which is very much more than would ever be realised from the land if disposed of for farming purposes. Your Board has recommended that the Dominion accept $420.30 as payment in full and discharge its liens in order that other creditors occupying secondary position only with regard to registered security, may be reimbursed, and also in order that Mrs. Hilliard owner of a fair stock and complete line of farm equipment, whose land is being farmed on a crop arrangement plan, may be provided with funds for her immediate needs.

Mr. Turner

Your letter to Mr. Hewlett seems to correctly express the departmental position for the present at least. As you know, certain questions have been before Treasury Board for months but as we have had no intimation that the policy has been changed we will have to proceed along the same lines as heretofore. It might be well, however, to show the letter to Mr. T.L. Cory in case there is any legal point involved.

Dear Sir:- Re: C.N.R. Field - Standoff, Alta.
File L.A. 7-7-25 West 4.

I acknowledge with thanks your letter of the 26th of April under files 15774.7, 8-4357 and 15.47c0. I am enclosing a plan which indicates the land to be acquired for this airfield under the agreement with Mrs. Corine Milliard. The most southerly 639.3' is to be conveyed by Mrs. Milliard to the Dominion Crown and this represents an area of 47.93 acres. In addition Mrs. Milliard is to convey an easement for a right of way for power line to Outer Marker indicated in pink color on the plan. Confidentially, the compensation being paid to Mrs. Milliard for the right of Easement for the power line is $55.00 and for the transfer of title to 47.93 acres $1659.32, or a total compensation of $1714.32.

Noted K.D.

In addition to the Dominion Government Liens against the title, there are three mortgages, one to Guelph & Ontario Investment & Savings Society $1400.00, one to the Bank of Montreal, $1920.00 and one to the Royal Bank of Canada $1039.00. In addition there are outstanding taxes secured by tax encumbrance registered by the local Municipality. I do not know the status of the mortgages nor the actual amount of taxes owing but it will be necessary that all these claims be cleared from the title and, as already stated, the advice as to the actual amount being paid is given to you confidentially.

Dear Mr. Rose,

Re - Mrs. Corinne Hilliard,
[redacted] 9-7-[redacted]-W.4th Mer.

Yours of the 19th instant, with enclosures, received.

The facts are not quite as stated by Mr. C. Rider Davis in his to you of the 13th instant. Mr. Hilliard made one payment only of $40 on account of this indebtedness. The liens were originally registered against the [redacted] 9, and [redacted] 16-7-[redacted]-W.4th. They were released from the last mentioned land in 1936 on the recommendation of the Seed Grain Adjustment Board, and in order to facilitate a sale of the land to a son of the Hilliards by the Netherlands Investment Company who had foreclosed. Adjustments of seed grain, fodder and relief indebtedness are made by Treasury Board on the recommendation of joint Boards appointed by the Dominion and the Province.

In November, 1942, the Alberta Board reported that 47 acres of the [redacted] 9-7-[redacted]-W.4th, had been expropriated for an airport and recommended acceptance of [redacted] for a discharge of the Dominion liens in connection with which there was then due approximately $965. This recommendation was not acceptable to the Department and was referred back for reconsideration.

In January of this year the Board advised that the sum involved in the sale of the 47.93 acres was $1300, that in addition to the Dominion liens Mrs. Hilliard would be required to pay $697 to clear title to the area involved and recommended acceptance of $640.30 by this Department for a complete discharge of its liens from all lands stating that this would leave Mrs. Hilliard approximately $200.

George H. Rose, Esq., K.C., M.P.,
House of Commons,
O t t a w a.

(Over)

The main feature that is considered is the ability of the party owning the land to pay the indebtedness registered against it. In most cases where an adjustment is made the claim is that the land is not worth the amount charged against it for seed grain, taxes and other encumbrances, and that the adjustment must be made to enable the farmer to carry on.

Mr. Howlett, Secretary of the Board was advised that we would recommend acceptance of $600 by the Dominion for a release of its liens in so far as the 47.93 acres taken for airport purposes are concerned. It has since been learned that the compensation being paid to Mrs. Hilliard for the right of easement for a power-line is $65, and for the transfer of title to the 47.93 acres, $1649.32, or a total compensation of $1714.32, and not $1300 on which the Seed Grain Adjustment Board's recommendation was made.

In the face of this information we can hardly adopt the suggestion made by Mrs. Hilliard or the Seed Grain Adjustment Board. However, the Department will recommend acceptance of $600 for removal of the liens from the 47.93 acres sold so that she may complete the transaction. This is considered equitable under the circumstances.

Yours very truly,

W. J. F. Pratt,
Private Secretary.

GOVERNMENT OF THE PROVINCE OF ALBERTA
Department of Municipal Affairs

Edmonton, Alberta
August ,1943.

Mr.A.Soutter,
Chairman,
Seed Grain and Relief Adjustment Board,
Edmonton.

Dear Sir,

Re - N½ 9-7-25-W. th (47.93 acres)
Christopher Hillard Dec.
Board Order No.2092 amended

I would refer to the above Board Order which was issued by your Board covering a report submitted by me under date of January 28th,1943. The Board Order in this instance recommended that upon application of the sum of four hundred and twenty dollars and thirty cents ($420.30), to the credit of the advances received by the Late Christopher Hillard, Liens taken as security for the same be discharged and the balance of the indebtedness written off.

As I have previously advised, this settlement did not prove acceptable to the Department of Mines and Resources at Ottawa, which Department expressed the opinion that a sum of at least six hundred dollars ($600.00), should be paid for a release of the Liens in as far as they affect the land expropriated for an airport and that the balance of the account should be retained against the remainder of the quarter section.

I accordingly notified Mr.C.Rider Davis, who was acting in behalf of the applicant, (Mrs. Hillard), and have now received advice from him that he is instructed by Mrs. Hillard to tender the six hundred dollars ($600.00) required in this behalf, when a settlement on this basis is definitely approved by the Dominion Government. It would appear that in my previous report the figure given as being payable to Mrs. Hillard for compensation was incorrect. Since I am now definitely informed by Mr.C.Rider Davis that this compensation amounts to one thousand, six hundred and fifty-nine dollars and thirty-two cents ($1,659.32) instead of one thousand three hundred dollars ($1,300.00) as I was given to understand in the first place.

In view of the foregoing therefore, it will seem necessary to issue a new Board Order in this instance to comply with the terms laid down by the Department of Mines and Resources.

(over)

The description of the land from which the Dominion Lien required to be removed upon payment of the six hundred dollars ($600.00), is as follows:-

"All that portion of the North West quarter of Section nine (9), in Township Seven (7), in Range Twenty-five (25) West of the Fourth Meridian, in the Province of Alberta, lying to the south of a line drawn easterly across said quarter section parallel to the southern boundary thereof from a point in the Western boundary of said quarter section distant Northerly thereon 639.3 feet from said southern boundary, excepting thereout and therefrom,
FIRSTLY: All that portion taken for the surveyed trail from Macleod to the United States boundary and, SECONDLY: All that portion taken for right of way of the Canadian Northern Railway, according to a plan of record in the Land Titles Office for the South Alberta Land Registration District as No. R. W. 2. The land above described containing exclusive of said exceptions 47.9 acres, more or less. Reserving unto His Majesty all Mines and Minerals and the right to work the same."

Re: Account of Christopher Hilliard,
N.W.¼ 9-7-25-W4.

Dear Madam:

During the year 1915 while homesteading the above mentioned land, Mr. Christopher Hilliard received seed grain and fodder as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $618.73 of which $379.80 is principal and $238.93 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Dear Sir:

Re: N.W. 9-7-25-W.4th

This will acknowledge your letter of the 7th of March, 1956, written on behalf of the present owner of the above land, Mrs. Corrine Hilliard, concerning the seed grain account of her late husband, Christopher Hilliard, which is still charged against the above land.

You have referred to a settlement made in 1943 at the time that the Department of Transport expropriated approximately 49 acres of this land for a temporary Air Force landing. Mrs. Hilliard is, apparently, now of the opinion that the payment of $600.00 which she made at that time was in full settlement of our account. However, in checking our files we find that the Seed Grain Advisory Board agreed to release our liens from the 49.73 acres in the airfield only, the balance of the indebtedness to be held against the remainder of the land.

According to the information you have given us, the present owner is an old lady in poor financial circumstances and in ill health. Under these circumstances and in view of the previous payment, possibly the Board will be willing to give consideration to the cancellation of the balance of the account. We are taking this matter up with them within the next few days and as soon as they have reached a decision, you will be further advised.

Yours very truly,

C. K. LeCapelain,
Chief, Lands Division.

RE: Account of Christopher Hilliard
N.W. ¼ 9-7-25-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to $420.30 were advanced to Christopher Hilliard on the security of the above mentioned land. Payments of $40.00 and $ 600.00 were received in 1925 and 1943, respectively, and applied to the principal and interest. Under authority of Order-in-Council P.C. No. 63/7263 dated the 17th of September, 1943, 47.93 acres of this quarter section was released as security for the liens on the payment of $600.00 and the balance of the indebtedness has since remained as a charge against the remainder of the N.W. ¼ 9-7-25-W.4th. The present standing of this account is:-

Principal	Interest	Total
$379.80	$238.93	$618.73

Patent was issued in the name of Christopher Hilliard for the N.W. ¼ 9-7-25-W.4th on the 22nd of January, 1914, and the land later became subject to the 1915 liens.

Due to crop failures and drought this quarter section of land has never been revenue producing sufficiently to enable the repayment of the liens. In 1943 47.93 acres of this quarter section was expropriated for an airport at which time the sum of $600.00 was collected and applied to the principal and interest of the account.

On the 7th of March, 1956, Mr. G. Rider Davis, Q.C., Barrister, Solicitor, Etc., of Fort Macleod, Alberta, wrote as follows:

"Mrs. Corrine Hilliard of Fort Macleod, Alberta, has referred your letter of February 28th to me for a reply.

In 1943 the Department of Transpo t expropriated approximately 49 acres of the above quarter section of land for a temporary Air Force landing field south of Fort Macleod. The Seed Grain Branch of your Department was advised in regard to the payment covering the expropriated land and the amount of the Seed Grain Lien, including accrued interest, was paid by Mrs. Hilliard out of the funds payable by the Department of Transport to her. She is now at a loss to understand why there is any indebtedness in respect of 1915 Seed Grain indebtedness.

Mrs. Hilliard is now an old lady, in poor financial circumstances and in ill health and your letter has caused her a great deal of worry and suffering.

I shall be pleased if you will look into this matter and I am of the opinion that the old Seed Grain indebtedness against the lands of her late husband, Christopher Hilliard, has been paid in full.

..... 2

In view of the poor financial circumstances of the present owner and the substantial payments already received, it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Sir:-

In reply to your inquiry of the 1st instant, I am attaching hereto a statement in duplicate of the seed grain and relief indebtedness of S. L. Reade.

Encl.

Security.

N.E.¼ 6-11-10 W.4th Mer.

This is the homestead of Stanley L. Reade, patented in his name on the 14th March, 1911. There is no information on file as to the value of the land. Mr. Reade deserted his wife and children in 1915, and went to the States.

S.E.¼ 7-11-10 W.4th Mer.

This was formerly S.L. Reade's pre-emption, cancelled in 1917. The present entrant, R. J. Schonert, paid the sum of $83.00 on the 17th December, 1927, on account of the indebtedness, this amount being held in Suspense Account. The file has been sent to the Province, and there is no further information available, other than that Mr. Schonert has not yet made application for patent.

Re: Stanley L. Beede, Dominion Liens.
N.E.¼. 6-11-10-W. 4th Mer.,
S.E.¼. 7-11-10-W. 4th Mer.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2290, hereby recommends that the Dominion Liens charged against the N.E.¼. 6-11-10-W. 4th Mer., for advances made to Stanley L. Beede, be discharged.

The Board submites the report of the Chairman of the Debt Adjustment Board, dated January 17th, 1934, which report gives full details of all liens registered against the said land, and states in support of the recommendation:-

1. That at the time the advances were made the debtor was the registered owner of the N.E.¼. 6-11-10-W. 4th Mer.

2. That in the year 1913 this quarter section was subdivided and registered as a plan of subdivision known as "Grandview" Bow Island No. 6600.

3. That the owners of the subdivided property were unable to dispose of same and title eventually passed to the Municipal District of Bow Island No. 94, under Tax Recovery Proceedings.

4. That in the year 1933, the Municipal District of Bow Island No.94, applied to the Board of Public Utility Commissioners of the Province of Alberta, under the provisions of the Public Utilities Act 1933, for the cancellation of the plan of subdivision, and that the Order was issued and registered and the land has reverted to its original status as the N.E.¼. 6-11-10-W. 4th Mer.

5. That at the time the application for cancellation was made the arrears of taxes charged against the lots in the subdivision amounted to $696.357.57, all of which has been written off as uncollectible.

...

6. That the land is situate in an extremely dry district and has no value for farming purposes and is at the present time leased to the Department of Militia and Defence as an emergency landing field at a rental of $1.00 per annum, and the application for cancellation was made so as to permit the Municipal District of Bow Island No. 94, to grant this lease.

7. That there is no possibility of securing any revenue from the land and it is desirable that the liens be discharged.

8. That at the time the advances were made the debtor held pre-emption entry to the S.E.¼ 7-11-10-W. 4th Mer.

9. That such entry was cancelled in the year 1917 and in the year 1927 H. J. Schenert secured homestead entry for this quarter section and paid the sum of $85.00 on account of the liens charged against the said land and it is understood that this amount is held in suspense.

10. That as far no application has been made for the adjustment of the liens charged against the S.E.¼ 7-11-10-W. 4th Mer.

11. That there is no possibility of making any collection from the debtor under his personal covenant.

The Board therefore recommends that the liens charged against the N.E.¼ 8-11-10-W. 4th Mer., be unconditionally discharged, and the total amount payable thereon be written off as uncollectible, as far as this quarter section only is concerned.

The Board further recommends that the amount payable upon said liens be retained as a charge against the S.E.¼ 7-11-10-W. 4th Mer., until an application for adjustment is made and a recommendation submitted in connection therewith, the purpose of this recommendation being to secure a discharge of the liens only from the N.E.¼ 8-11-10-W. of 4th Mer.

Dear Sir:-

Re: Dominion Liens.
Stanley L. Reade
N.E. 6-11-10-4
S.E. 7-11-10-4.

Stanley L. Reade obtained the undermentioned advances from the Department of the Interior:-

1918	Relief	$49.10
1918	"	80.00
1918	Seed Grain	125.00
		$254.10

Liens on N.E.¼ 6 and S.E.¼ 7-11-10-4 are security for the indebtedness.

He has made no repayment and his indebtedness amounts, with interest to January 31, 1934, to $398.48.

N.E.-11-10-4.

This was the debtor's homestead, patented in his name on [illegible] 14, 1911.

In 1913 this quarter section was subdivided into 32 blocks of some 45 to 48 lots to the block and the plan of subdivision was registered as "Grandview", Bow Island No. 3600. The Municipal District of Bow Island acquired title to the property for arrears of taxes amounting to $696,537.57 and on June 22nd. 1933 applied to the Board of Public Utility Commissioners for an order cancelling the plan of subdivision.

In support of the application, the Secretary-Treasurer of the [illegible] District swore that the land is situated two miles from the town of Bow Island and is worth not more than $5.50 per acre for farming purposes.

On October 13, 1933, the Board of Public Utility Commissioners issued an order cancelling the plan of subdivision in its entirety and providing for reversion of the land to its former status, to be known and designated as S.E.¼ 6-11-10-4.

On October 26, 1933, as a result of registration of the order of the Board of Public Utility Commissioners, title to land designated as aforementioned, issued to the Municipal District of New Island #94 subject to a lien for the relief advances of $99.10, registered as instrument #1507 E.K.

The Municipal District of New Island #94 has applied for release of the lien.

The land is leased to the Department of Militia and Defence as an emergency landing field at a rental of $1.00 per annum. The title was acquired and the application for cancellation of the plan was made in order to facilitate the granting of this lease. The income from the rent will not suffice to pay the costs of acquiring title and of the application for cancellation of the plan and certainly not to pay the relief indebtedness as well.

I therefore recommend that the lien be released from title to S.E.¼ 6-11-10-4.

S.E.¼ 7-11-10-4.

This was the debtor's preemption. His entry was cancelled in 1917.

E.J. Schonert obtained entry for the land and, on December 17, 1927 paid $83.00 on account of the seed grain and relief indebtedness. This sum is held in suspense account by the Department of the Interior. No application for patent has yet been made by the present entrant.

It may safely be assumed from the date of entry that he assumed liability for the seed grain and relief indebtedness unconditionally.

I therefore recommend that it remain a charge on S.E.¼ 7-11-10-4, subject to adjustment on the application by the present entrant or by any other interested party.

Re: Stanley L. Reade, Dominion Liens,
N.E.¼, 6-11-10-W. 4th Mer.,
S.E.¼, 7-11-10-W. 4th Mer.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the Dominion Liens charged against the N.E.¼, 6-11-10-W. 4th Mer., for advances made to Stanley L. Reade, be discharged.

The Board submites the report of the Chairman of the Debt Adjustment Board, dated January 17th, 1934, which report gives full details of all liens registered against the said land, and states in support of the recommendation:-

1. That at the time the advances were made the debtor was the registered owner of the N.E.¼, 6-11-10-W. 4th Mer.

2. That in the year 1913 this quarter section was subdivided and registered as a plan of subdivision known as "Grandview" Bow Island No. 3600.

3. That the owners of the subdivided property were unable to dispose of same and title eventually passed to the Municipal District of Bow Island No. 94, under Tax Recovery Proceedings.

4. That in the year 1923, the Municipal District of Bow Island No.94, applied to the Board of Public Utility Commissioners of the Province of Alberta, under the provisions of the Public Utilities Act 1923, for the cancellation of the plan of subdivision, and that the Order was issued and registered and the land has reverted to its original status as the N.E.¼, 6-11-10-W. 4th Mer.

5. That at the time the application for cancellation was made the arrears of taxes charged against the lots in the subdivision amounted to $696.557.57, all of which has been written off as uncollectible.

...

3004893

6. That the land is situate in an extremely dry district and has no value for farming purposes and is at the present time leased to the Department of Militia and Defence as an emergency landing field at a rental of $1.00 per annum, and the application for cancellation was made so as to permit the Municipal District of Bow Island No. 94, to grant this lease.

7. That there is no possibility of securing any revenue from the land and it is desirable that the liens be discharged.

8. That at the time the advances were made the debtor held pre-emption entry to the S.E.¼, 7-11-10-W. 4th Mer.

9. That such entry was cancelled in the year 1917 and in the year 1927 R. J. Schonert secured homestead entry for this quarter section and paid the sum of $83.00 on account of the liens charged against the said land and it is understood that this amount is held in suspense.

10. That so far no application has been made for the adjustment of the liens charged against the S.E.¼, 7-11-10-W. 4th Mer.

11. That there is no possibility of making any collection from the debtor under his personal covenant.

The Board therefore recommends that the liens charged against the N.E.¼, 6-11-10-W. 4th Mer., be unconditionally discharged, and the total amount payable thereon be written off as uncollectible, as far as this quarter section only is concerned.

The Board further recommends that the amount payable upon said liens be retained as a charge against the S.E.¼, 7-11-10-W. 4th Mer., until an application for adjustment is made and a recommendation submitted in connection therewith, the purpose of this recommendation being to secure a discharge of the liens only from the N.E.¼, 6-11-10-W. of 4th Mer.

Re: Account of S. L. Reade
S.E.¼ 7-11-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and relief amounting to $204.10 were advanced to S. L. Reade on the security of the above mentioned land. A payment of $83.00 was received in 1927, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$180.15	$322.62	$502.77

The S.E.¼ 7-11-10-W.4th was formerly the pre-emption entry of the debtor whose entry was cancelled in 1927.

According to an Abstract of Title dated the 16th of February, 1956, this quarter-section of land now stands in the name of a Mr. Earl S. Halpin of Bow Island, Alberta, clear of any encumbrance.

As the liens are not registered against the land and there is no further security for our advance it is recommended that the balance of the indebtedness be cancelled.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the liens charged against the S.E.¼, 31-10-10-W. 4th Mer., for advances made to Edmund A. Nevers, for the account of C. A. Nevers, Estate, be discharged.

The Board submits the report of the Acting Director, Debt Adjustment Act, dated October 19th, 1929, which report gives full details of all liens registered against the said land, and states in support of the recommendation;-

1. That the S.E.¼, 31-10-10-W. 4th Mer., was the unpatented homestead of the late C. A. Nevers.

2. That this entrant died before completing his homestead duties, and that his brother Edmund A. Nevers was appointed Administrator for the Estate, and as Administrator charged the liens against the said land.

3. That the Administrator abandoned the land and the homestead entry was cancelled and that it is now vacant Crown land.

4. That the land is situate in a very dry District and is of low value being suitable only for grazing purposes, and it will not be possible to bring the land back into use, so long as it is encumbered with the liability of the original entrant.

5. That the Administrator left the District several years ago, and there is no Estate from which this account can be collected.

6. That the Municipal Seed Grain and Joint Relief indebtedness charged against this land was disposed of by Board Recommendation No. 1220.

The Board therefore recommends that all liens charged against the said land be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

EDMONTON ALBERTA

E. J. Fream, Esq:,
Chairman, Seed Grain and Relief Adjustment Board,

Dear Sir:

Re: E.A. Nevers,
Seed Grain and Relief, Bow Island #94

This man obtained Seed and Relief in 1919 - 1922; his outstanding account on the 31st, December,1928, is as follows:-

Seed Grain,	Principal	$158.10		
	Interest	108.17		
			$266.27	
Rye,	Principal	$25.00		
	Interest	14.53	39.53	
Relief,	Principal	183.86		
	Interest	100.71	284.57	

Nevers took a homestead, but abandoned it; he owns no land.

A chattel mortgage was taken to secure these advances, but upon investigation no record could be found of any stock having been left by Nevers at the time of his departure some years ago, and as his whereabouts are unknown there is no hope of recovering anything from this source.

Nevers left years ago and has not been heard of since; he was a poor moral risk and we can not look for any payment from him. This account is listed as an uncollectible by the Municipal District or Bow Island.

I would recommend, therefore, that this account be written off an uncollectible in as far as this man's indebtedness to the Municipal District and the indebtedness of the Municipal District to the Province of Alberta is concerned.

Yours truly,

W. Loree
Acting Director.

RE: S.E. 31-10-10-W.4th

Dear Sir:

We wish to thank you for your letter of the 4th of August, 1954, enclosing copies of Board Orders Nos. 1220 and 2214 concerning the account of E.A. Nevers, charged against the above land.

We note that in your original letter of the 9th of July, 1954, that you stated that no final action appeared to have been taken to approve Board Order No. 2214, which concerns the cancellation of the Federal indebtedness. We assumed from this that you have the approval of Board Order No. 1220 concerning the Joint-Provincial and Federal Seed Grain account. We spent considerable time trying to locate the Orders-in-Council dealing with these two Board Orders but were not successful in gaining any further information. It is possible that since they date back to 1930 that some time in the past they have been lost. However, in 1952 authority was received on Order-in-Council P.C. 124/752 dated 8th of February 1952, to release the Federal Seed Grain liens for $274.40, $45.00 and $60.00, in the name of E.A. Nevers from the title to the S.E. 31-10-10-W.4th.

We shall therefore authorize and request the Registrar to remove these Federal liens from this land. This may take a few weeks as Mr. LaCapelain, Chief of the Lands Division, who usually attends to such matters, is presently in the Yukon Territory. If you have the approval of Board Order 1220, you will be able to clear the Joint-Provincial and Federal liens for $158.00, $25.00 and $60.90.

Yours very truly,

K.J. Christie,

Dear Sir:

Re: S.E. 31-10-10 W. 4.

We have your letter of September 1st, 1954, concerning the Federal and Joint Provincial and Federal accounts of E. A. Nevers charged against the above land. Our release of the Federal liens was forwarded to the Registrar, Land Titles Office, Calgary, Alberta, on 10th September, 1954, under the authority of Order in Council, P. C. 124-752 dated February 8th, 1952.

It appears that either no action was taken concerning the Joint Provincial and Federal accounts or that the Order in Council has been mislaid. Will you be good enough, therefore, to prepare another Board Order recommending that the Joint Provincial and Federal indebtedness of E. A. Nevers be cancelled. Upon the receipt of this we will endeavour to secure the authority of an Order in Council as soon as possible.

r left no property or chattels. The administrator, who could

.....

not be personally held responsible, also left for parts unknown.

Under the circumstances outlined above the Joint Relief Advances account in 1927 was classified uncollectible by the Municipal Authorities. On August 2nd,1929 this account was submitted to the Seed Grain and Relief Adjustment Board. Board Order No. 1,220 recommended that the account be considered uncollectible and the relative liens discharged.

Under date of January 21st,1930 the Board had for consideration the matter of Dominion Advances and Board Order No. 2,214 provides that all liens be unconditionally discharged and the total amount owing be written off as uncollectible.

Formal action to carry out the provisions of these two Board Orders does not appear to have been taken, until recently when the situation was submitted to the Department of Northern Affairs and National Resources, Ottawa and a release of the liens for Dominion Advances liens has been forwarded to the Land Titles Office.

Action is still required to discharge the liens for Joint Relief Advances in order that the Department of Lands and Forests may issue a notification for a clear title.

It is therefore recommended that the account for Joint Relief Advances be written off in its entirety and the liens discharged.

Provincial Seed Grain Advances in the amount of One Hundred and eighty-three dollars and ten cents ($183.10) together with accrued interest have already been cancelled.

Sir,-

With further reference to your letter of the 14th ultimo, enclosing an Assignment from William F. LeBaron, covering a portion of the NW¼ of section 21, township 9, range 17, west of the 4th meridian, required for canal right of way in connection with the Taber Irrigation District, I beg to say that this has been examined and is returned herewith for certain corrections.

The first paragraph of the recital should be filled in, showing the date upon which Mr. LeBaron obtained pre-emption entry. The affidavit as to execution is also unsatisfactory, in as much as the name of the Province in the upper left hand corner has not been inserted, nor has the person before whom the affidavit was taken stated in what capacity he acted.

As the NW¼ of section 21 was entered for as a pre-emption, you will be required to complete payments at the rate of $3.00 per acre, on the area acquired for right of way. You will be definitely advised as to the amount when the transfer has been registered.

A registration fee of $2.00 will be required in this connection.

Ottawa, 21st February, 1920.

Memorandum:-

W.M.Bailey, Esq.,
Reclamation Service.

The four transfers on the accompanying files cover land required for irrigation purposes in connection with the Taber Irrigation project.

Some time ago you informed this Branch verbally that the Deputy Minister had approved of the issue of the patent as a special grant instead of a lease, as under ordinary circumstances. Please attach to each of these files a copy of the memorandum with the Deputy Minister's approval. Upon the return of the files the patents will immediately be put through.

MEMORANDUM:

Mr. Sheppard,
Land Patents Branch.

In reference to your memorandum of the 21st instant, I beg to say that you have evidently misunderstood what I told you over the telephone respecting the Deputy Minister's approval of this sale for right of way purposes, as no direct decision on this point was given by him.

The facts are these -
By an agreement dated the 18th of July, 1919, the C.P.R. Company were to construct for the Taber Irrigation District, works for their irrigation project, and to acquire at its own cost the necessary right of way. The agreement reads in part as follows:-

"The Company agrees to acquire at its own cost "and expense, the lands required for the right "of way of the main canal as shown on the said "plans marked 1187-1 and 1187-2, and to convey "or procure to be conveyed to the Board, the "said lands".

In order that the company may be in a position to comply with this condition of the agreement, they wish to secure title to the right of way in fee simple. The Law Clerk is of the opinion that the Taber Irrigation Board would be justified in refusing to accept title to the right of way by License of Occupation. I beg to quote from his memorandum as follows:-

"I have examined the assignments referred to in "your memorandum hereunder, and it seems to me "that the Taber Irrigation Board would be justified "in objecting to a license of occupation rather "than an ordinary patent".

As the Minister has approved of the agreement of the 18th of July, 1919, the department is, therefore, bound to issue unconditional patents for the right of way, in order that the C.P.R. Company may be in a position to comply fully with the terms of the agreement.

I hope that with this explanation, you will be able to proceed with the issue of patents.

Re: N.E.¼, 21-9-17-W.4th Mer.,
Sale to BERON, Bromhead.

The Seed Grain & Relief Adjustment Board, appointed under Order P.C. 2200, hereby recommends that the sum of $75.00, be accepted in full settlement of all liens, Provincial Seed Grain and Joint Relief, charged against the N.E.¼, 21-9-17-W. 4th Mer., for advances made to Wm. Le Beron, and that after giving effect to the said adjustment any balances remaining unpaid on said liens be retained as a charge against the debtor under his personal covenants.

The Board submits the report of the Chairman, Debt Adjustment Board, dated January 17th, 1936, which report gives full details of all liens registered against the said land, and states in support of the recommendation:-

1. That at the time the advances were made the debtor was the owner of the said land subject to a first mortgage in favor of The Canadian Bank of Commerce, which had priority to all liens.

2. That the claim of the first mortgagee is considerably in excess of the value of the land and arrangements are being made by which the mortgagee will take title to the land in settlement of the indebtedness.

3. That as a consideration for the adjustment with the debtor the mortgagee require that the liens be discharged and have tendered the sum of $75.00 in settlement thereof and it is advisable that this offer be accepted as in the event of foreclosure proceedings being taken all security will be

4. The amount so paid be apportioned to the liens charged against said land as follows:-

Seed Grain Liens	$ 40.00
Joint Relief Liens	35.00
Total	$75.00

the debtor is still residing in the District and it is
ible that any balance remaining unpaid on this account
tained as a charge against him under his personal
nant, until a further recommendation is submitted in
nection therewith.

The Board therefore recommends that upon payment
one-half the amount apportioned to Joint Relief Lines,
herein provided for, under the terms of the agreement now
n effect that all liens charged against the said land be
discharged.

The Board further recommends that after giving effect to
said adjustment any balance remaining unpaid on account of the
said liens be retained as a charge against the debtor under his
personal covenant until a further recommendation is submitted
in connection therewith.

Dear Sir: Re: N. S. 21 - 9 - 17 West 4
E. F. LeBaron, Barnwell

This man obtained several advances from the Provincial Government, included in which were the undermentioned items charged against the above described property:

Joint Relief Lien - Feb.16/22 Reg.5951 DY	$70.00
Joint Relief Lien - Mar.24/22 Reg.1800 DY	$30.00
Seed Grain Lien - Mar.24/22 Reg.702 DX	$105.00

No payments whatever have been received in respect of these liens owing to the inability of the debtor to conduct his operations successfully, and the Canadian Bank of Commerce, who have a prior mortgage against the property amounting to approximately $10,000.00, are making some arrangement with LeBaron to effect settlement by taking possession of the land.

Before accepting title, however, the Bank will require to secure a release of these liens and they

..... have advised .....

have advised that they are prepared to pay the sum of $75.00 for this consideration. There seems no doubt but that the bank could by foreclosure proceedings eliminate the Provincial liens and under the circumstances, I would recommend that the offer be accepted and that the sum tendered be distributed to:

Seed Grain Principal	$40.00
Relief Principal	35.00

After application of these sums to this account, I would recommend that the liens be discharged insofar as they affect the N. ½ 21 - 9 - 17 west 4th, but that the balance of the Lollaron indebtedness be retained, pending a settlement with the debtor in respect of other securities held by the Government.

There seems no doubt but that the bank could by foreclosure proceedings eliminate the Provincial liens and under the circumstances, I would recommend that the offer be accepted and that the sum tendered be distributed to:

Lead Grain Principal	$40.00
Relief Principal	35.00

After application of these sums to this account, I would recommend that the liens be discharged insofar as they effect the W. ½ 21 - 9 - 17 West 4th, but that the balance of the LeBaron indebtedness be retained, pending a settlement with the debtor in respect of other securities held by the Government.

Yours very truly,

W. Lowe

Re: N.E.¼, 21-9-17-W.4th Mer.,
W.F. Le Baron, Barnwell.

The Seed Grain & Relief Adjustment Board, appointed under Order p.C. 2200, hereby recommends that the sum of $75.00, be accepted in full settlement of all liens, Provincial Seed Grain and Joint Relief, charged against the N.E.¼, 21-9-17-W. 4th Mer., for advances made to W.F. Le Baron, and that after giving effect to the said adjustment any balances remaining unpaid on said liens be retained as a charge against the debtor under his personal covenant.

The Board submits the report of the Chairman, Debt Adjustment Board, dated January 17th, 1935, which report gives full details of all liens registered against the said land, and states in support of the recommendation:-

1. That at the time the advances were made the debtor was the owner of the said land subject to a first mortgage in favor of The Canadian Bank of Commerce, which had priority to all liens.

2. That the claim of the first mortgagee is considerably in excess of the value of the land and arrangements are being made by which the mortgagees will take title to the land in settlement of the indebtedness.

3. That as a consideration for the adjustment with the debtor the mortgagees require that the liens be discharged and have tendered the sum of $75.00 in settlement thereof and it is desirable that this offer be accepted as in the event of foreclosure proceedings being taken all security will be lost.

4. That the amount so paid be apportioned to the liens charged against said land as follows:-

Seed Grain Liens	$ 40.00
Joint Relief Liens	35.00
Total	$75.00

5. That the debtor is still residing in the District and it is desirable that any balance remaining unpaid on this account be retained as a charge against him under his personal covenant, until a further recommendation is submitted in connection therewith.

The Board therefore recommends that upon payment of one-half the amount apportioned to Joint Relief Liens, as herein provided for, under the terms of the Agreement now in effect that all liens charged against the said land be discharged.

The Board further recommends that after giving effect to said adjustment any balance remaining unpaid on account of the said liens be retained as a charge against the debtor under his personal covenant until a further recommendation is submitted in connection therewith.

Dear Sir:

Re: N. E. 21 - 9 - 17 West 4
W. F. LeBaron, Barnwell

This man obtained several advances from the Provincial Government, included in which were the undermentioned items charged against the above described property:

Joint Relief Lien - Feb.16/22 Reg.5951 DY	$70.00 ✓
Joint Relief Lien - Mar.24/22 Reg.1805 DY	$90.00 ✓
Seed Grain Lien - Mar.26/22 Reg.702 DX	$183.00

No payments whatever have been received in respect of these liens owing to the inability of the debtor to conduct his operations successfully, and the Canadian Bank of Commerce, who have a prior mortgage against the property amounting to approximately $10,000.00, are making some arrangement with LeBaron to effect settlement by taking possession of the land.

Before accepting title, however, the Bank will require to secure a release of these liens and they

..... have advised .....

have advised that they are prepared to pay the sum of $75.00 for this consideration. There seems no doubt but that the Bank could by foreclosure proceedings eliminate the Provincial liens and under the circumstances, I would recommend that the offer be accepted and that the sum tendered be distributed to:

Seed Grain Principal	$40.00

After application of these sums to this account, I would recommend that the liens be discharged inasfar as they affect the W. 2. 21 - 9 - 17 West 4th, but that the balance of the LeBaron indebtedness be retained, pending a settlement with the debtor in respect of other securities held by the Government.

Mr. Sherwood,
Patents Branch.

Re. NW¼ 33-13-17-4.

With reference to your memorandum hereunder I beg to say that the area of The Southern Alberta Land Company's railway, viz.- 7.99 acres over the quarter section referred to above should be reserved out of the patent of Mr. A.M.Smith.

It is not sufficient in this case that patent should issue to Mr. Smith for the full 160 acres simply subject to certain rights and liberties previously granted to The Southern Alberta Land Company by license of occupation, as the department wishes to be in a position to retain control of all the right of way if at any time The Southern Alberta Land Company's irrigation scheme should be cancelled.

I note that Mr. Smith has paid for 160 acres. This, however, seems to be quite proper as he received from The Southern Alberta Land Company $119.85 for the 7.99 acres sold to them.

MEMORANDUM:

E.F. Drake, Esq.,
Superintendent of Irrigation.

It is desired to issue patent to Mr. Arthur M. Smith for the north-west quarter of section 33 Township 13-17 W. 4th Meridian. A license of occupation has been issued to the Southern Alberta Land Company Limited for an irrigation diton across this quarter section and the Registrar was informed that it was proposed to issue Mr. Smith's patent with a reservation as defined in our letter of the 12th March, 1917.

The Surveyor of the Land Titles Office objects to this as he says it does not refer to a plan signed by a qualified land surveyor.

Will you kindly advise me whether the plan on file in your branch, of which the tracing beneath under reference 3881099 is an extract, has been signed by a qualified land surveyor. EDMONTON,

Dear Sir;-

5389936

Re N.E. ¼, 32, & N.W. ¼, 33, 13-17-W. 4th Mer., Smith T. Shaffer.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that all Lions Municipal Seed Grain and Joint Relief, registered against the N.E. ¼, 32, and the N.W. ¼, 33, Tp. 13, Rge. 17, W. 4th Mer., for advances made to Smith T. Shaffer, be adjusted as follows:-

1. to The N.W. ¼, 33-13-17-W. 4th Mer., Seed Grain Liens $22.70; Joint Relief Liens $110.87;

2. To the N.E. ¼, 32-13-17-W. 4th Mer., Seed Grain Liens $22.70; Joint Relief Liens $110.87.

The Board submits the report of the Acting Director, Debt Adjustment Act, dated March 22nd, 1929, and states in support of the recommendations;-

1. That the debtor Smith T. Shaffer, has had an equitable interest only in the said land, having purchased from A. M. Smith under Agreement for Sale, and that the debtor did not have the permission of the registered owner to encumber the said land.

2. That the debtor has abandoned the land, which reverted to the registered owner and that the latter has not yet attempted to redeem the land which is under Provisional Title to the Municipal District of McLean No. 96, through Tax Recovery Proceedings.

3. That in the event of the debtor redeeming the said land within the time allowed for such purpose, it will be necessary to discharge all Liens registered against this land, and to write off the total amount payable thereon as being uncollectible.

4. That in the event of title to this land finally passing to the Taxing Authorities, it has been ascertained that a fair

53/0222

sale value of the N.E. ¼, 32-13-17-W. 4th Mer., is the sum of $720.00, and that as the total amount payable upon the said liens and for Taxes, is less than the fair value of the land, it should be possible for the Municipality to dispose of the land for a price sufficient to pay the amounts apportioned to the said liens in full.

The Board therefore recommends that in the event of the registered owner redeeming the land from Tax Sale, that all liens registered against the same be discharged, and the total amount written off as uncollectible, but that in the event of Title passing to the Municipality that the amount of the Liens charged against the N.W. ¼, 33-13-17-W. 4th Mer., be apportioned:-

To Seed Grain .....$ 22.70
To Joint Relief 110.87

and that the amounts so apportioned be retained against this quarter section until the land is sold by the Municipality, and the amounts so apportioned, paid.

Also that the amount of the Liens chargeable to the N.E. ¼, 32-13-17-W. 4th Mer., be apportioned:-

To Seed Grain .....$ 22.70
To Joint Relief 110.87

and that the amounts so apportioned be retained as a charge against this quarter section until the land is sold by the Municipality and the total amount so apportioned, paid.

Dear Sir:

Re: Smith T. Shaffer,
NE¼. 32 & NW¼. 33- 13- 17- W.4.
Municipal District Seed & Relief.

The Municipal District of McLean #96 issued to Smith T. Shaffer, of Retlaw, Alberta, the following advances:-

Seed Rye:
Sept. 1, 1921.....$30.00

Relief:
1921..... 67.00
1922..... 80.30

There have been no repayments and the outstanding unpaid amounts appear, as at December 31st, 1928, as:-

Seed Rye:
Principal.....$30.00
Interest 15.40
$45.40

Relief:
Principal.....147.30
Interest 74.44
221.74

As security for the above advances the Municipal District took the promissory notes of the borrower and registered liens against title to the NE¼. 32 and NW¼. 33- 13- 17- W.4 for the amount of each advance, with the exception of the Relief advance of $67.00 in 1921, for which advance security in the form of a chattel mortgage was accepted, and one Relief advance of $36.00 on March 3, 1922, for which advance a promissory note only was taken.

E.V. Fream, Esq.,
Edmonton, Alberta.
T.S.102.

Shaffer held this land under a sale agreement from one A.M. Smith of Arpin, Wis., U.S.A, and did not have Smith's permission to place the liens.

After several years of crop failures Shaffer abandoned the land and, after disposing of his possessions, moved to the United States of America where he still resided when last heard of in 1927.

There is no likelihood of recovery of any part of these advances by reason of Shaffer's personal covenant, and the chattel security has disappeared. The Municipal District secured provisional title to the land on May 3, 1928, under the provisions of the Tax Recovery Act of 1922, and, unless the land is sooner redeemed by Smith, will acquire final title on May 3, 1929. Revival of former title by Smith would place him in the position of being able to have the liens removed without consideration.

I am informed by reliable authority that the land is fine sandy loam, inclined to be too sandy, and that the property is fenced.

The fair sale value of NW¼. 33- 13- 17- W.4 is given as $740.00 and of the NE¼. 32- 13- 17- W.4 as $720.00.

The Municipal District claims against the parcels are:-

NW¼. 33- 13- 17- W.4.

Taxes		$149.68	
Seed Rye	(one-half of total)	22.70	
Relief	(one-half of total)	110.87	$283.25

NE¼. 32- 13- 17- W.4.

Taxes		$140.65	
Seed Rye	(one-half of total)	22.70	
Relief	(one-half of total)	110.87	274.22

It is quite evident that, upon sale of the lands, after final acquisition, there would be available sufficient funds with which to pay all taxes, seed and relief claims, and if final title is acquired it is recommended that these accounts be paid in full from the proceeds of sale of the lands.

If the owner of the land, A.M. Smith, revives his title I would recommend that the account be written off as uncollectable both as it affects Shaffer's indebtedness to the Municipal District and the indebtedness of the Municipal District to the Provincial Government.

Yours truly,

W. J. Lorek

Sir:-

Referring to the above Board Order, dated the 13th June, and the accompanying letter from the Acting Director of the Debt Adjustment Act, I beg to state that the records of this office do not agree with the statement of relief advances therein. There is no record of advances in 1921, but those for 1922 on which the Dominion Government has paid fifty per cent share are as follows:-

Relief. 2/1/22	$11.00
Relief. 1/2/22	10.90
Relief. 10/3/22 . ..	11.20
Relief. 31/3/22 . ..	11.20
Relief. 5/5/22	67.00
	$111.30

The statement of 1922 advances in the letter above referred to gives the total of 1922 advances as $80.30. Would you kindly have details furnished, in order that we may check same with our records as there appears to be an error in the 1922 amount.

Sir,

Re: N.E.¼ 32-13-17-W.4th Meridian.
S.E.¼ 33-13-17-W.4th Meridian.
J. T. Schaffer.

The indebtedness in this case having received the investigation of the Seed Grain Adjustment Board of Alberta, who recommend that the indebtedness be apportioned equally as between the two quarter sections, if titles vest in the Taxing Authorities. It has been ascertained that a fair sale value of the N.E.¼ 32 is the sum of $720.00 and that as the total amount payable upon the said liens and for Taxes, is less than the fair value of the land, it should be possible for the Municipality to dispose of the land for a price sufficient to pay the amounts apportioned to the said liens in full.

The Board therefore recommends that in the event of the registered owner redeeming the land from the Tax Sale that all liens registered against the same be discharged and the total amount written off as uncollectible, but that in the event that the title passes to the Municipality that the amount of the liens be charged against the S.E.¼ 33-13-17-W.4th be apportioned:

To Seed Grain ..... $ 22.70
To Joint Relief $110.87

and the amount apportioned be retained against this quarter section until the land is sold by the Municipality and the amount so apportioned paid.

N.E.¼ 32-13-17-W.4th Meridian.

The amount of the liens chargeable to this quarter be apportioned:

To Seed Grain ..... $ 22.70
To Joint Relief $110.87

The amounts so apportioned be retained as a charge against this quarter section until the land is sold by the Municipality and the total amount so apportioned paid.

Order in Council P.C. 126/253 dated the 5th February, 1930 passed authorizing the acceptance of the above.

Payment should be made as set forth in circular letter of which you were previously advised.

whereby we can arrive at the amount of fodder and relief he received in September, 1914, the lien for $301.00 must remain a first charge against his land.

His argument is that he did not receive any seed grain at that time which is correct as we did not distribute any, but you will see that it was not possible for the agent to have fixed a seed grain price in the fall of 1914 for the spring of 1915, and that Mr. Howe is endeavouring to take advance of an error on the part of the Agent and not pay his just indebtedness.

In September, 1914, when Mr. V.V. Bowe made application for Seed Grain, fodder and relief, the relief agent in error took a lien for $301.00, which he stated covered the above items.

Now as you are aware, it was an absolute impossibility for the relief agent to tell at that time what the price of seed grain was going to be in the spring of 1915.

I have written repeatedly asking Mr. Bowe to state how much fodder and relief he got out of this $301.00, and he has never furnished this information.

INTERIOR.

I notice that you have credited the $301.00 with the amount of seed grain received in 1915. This you will see is not possible and there is no doubt in my mind but that Mr. Bowe is indebted for something over $100. for fodder and relief received in 1914.

I may say that until such time as Mr. Bowe furnishes the information requested or makes an effort whereby

I beg to acknowledge the receipt of your letter of the 14th instant having reference to the Seed Grain, Fodder and Relief indebtedness incurred by Victor Vincent Howe on the security of the land above described and which he states is paid in full.

In reply I beg to advise you that at the present time the exact amount of Seed Grain, Fodder and Relief received by Mr. Howe on the security of this land is under question and Mr. Howe, several times, has been requested to furnish a statutory declaration setting forth the exact amount of Fodder and Relief received by him and covered by the lien for $266.40 executed on the 21st of September, 1918 and up till present he has not complied with this request and until such time as he has done so, no action can be taken to discharge the liens incurred by him or the security of this land.

Sir,

re Victor Vincent Rowe,
N.W.L. 16-16-11-24th.

I beg to acknowledge the receipt of your letter of the 24th ultimo enclosing a statutory Declaration executed by Victor V. Rowe having reference to the [illegible] Drain lien for $240.40 registered against the land above described.

In reply I beg to advise you that my letter of the 27th January last is incorrect. Owing to a clerical error the amount of the lien was quoted as $240.40 instead of $[illegible].

Before any action can be taken in regard to releasing the lien held by Mr. Rowe on this security of this land it will be necessary for him to furnish a further Statutory Declaration setting forth the exact amount of fodder and relief received by him which was covered by the lien for $[illegible] above mentioned.

I might point out that a Declaration in the nature of the one already submitted in this case is of no value to the Department. As stated above the Declaration submitted must contain a detailed statement of the amounts of fodder and relief received and covered by the lien in question.

Your obedient servant,

GEO. D. POPE.

I, Victor Vincent Bowe of the Town

do solemnly declare that the lien given by me on the 21st day of September, 1914 for Feed and Seed Grain amounting to $301.00 was made up as follows:-

Total		$265.80 and

that the balance of $35.20 was for relief.

[illegible]:

Sir: 1920 W. Hill.

Re C.W.[illegible]-1[illegible]-11-W4th.

In the Fall of 1[illegible]14 Vincent V. Howe made application to the Department for Seed Grain, Fodder and Relief. On the 21st of September, 1[illegible] placed a lien for $[illegible].41 which supposedly covered Fodder and Seed Grain received by him. In the Spring of 1[illegible] he also made application for Seed Grain, Fodder and Relief and received advances amounting to a considerable sum.

Mr. Howe protested that he did not receive Seed Grain in 1[illegible], which is quite correct as the Department did not issue Seed Grain that year. He claims that the Seed Grain received by him in 1[illegible], amounted to $[illegible].[illegible], but admits that the lien for $[illegible] was registered against him.

At your request there has been sent to you a Statutory Declaration in duplicate of the Fodder and Relief supplied and the lien for $[illegible].41 and he has now supplied a declaration to the effect that the lien is incorrect [illegible] Seed Grain and $[illegible].20 Relief. He also states that he received $[illegible] worth of Feed [illegible]. [illegible] the Seed Grain and Relief [illegible] over-paid the Department the difference of $[illegible].

I do not [illegible] that Mr. Howe will be entitled to the extra $[illegible] unless there remains only two hundred [illegible] outstanding.

This matter, I may say, was taken up with the Agent of Indian Affairs, Battleford by Mr. Crawford, late of this office, and it appears from the letter that he was under the impression that Mr. Howe was to retain $[illegible] out of the Seed Grain and Fodder and Relief received in 1[illegible] and was to pay back $[illegible] out of [illegible] and Mr. Howe now states Fodder and Relief in the sum of $[illegible], already to $[illegible] and I would suggest that the Department agree Mr. Howe with two liens for $[illegible] and $[illegible], respectively, covering interest from the date of Seed Grain, Fodder, amount to the overpayment of $[illegible] and the $[illegible] lien would leave a balance of $[illegible] still outstanding. Mr. Howe must then be advised that upon payment of this balance plus the necessary interest the Department will cancel the lien for $[illegible].

Yours truly,

J D Alexander

Mr. Hill.

re V. V. Bowe,
N.W.18-10-11-W4
S.W.19-10-11-W4.

I attach hereto copy of Order #1252 covering $85.00, and also copy of account rendered by Bigelow and Fletcher for $51.00 dated September 26th, 1914. The order for $51.00 #1253 is shown on account, but was not attached to same. These evidently are the two items you refer to, and evidently the same two accounts referred to by Mr. Bowe reference 3686848 on file 1681267.

EWCL.

These two amounts added to those already referred to in your statement of 16-8-20 of $248.59 Fodder and Relief would make the total $384.59, to which interest on the items above of $136.00 should be added. Applying payment made of $656.42, there would appear to be a balance still due of about $107.00.

There does not appear to be liens for the two items of $85.00 and $51.00 but evidently the one for $301.00 executed at Grassy Lake September 21st, 1914, was intended to cover this as well as seed grain. The excess amount of $165.00 was evidently included in the seed grain lien executed at [illegible] February 17th, 1915.

Dear Sir,

RE - S.W.¼-19-10-11 W. 4th. M.

I am in receipt of your letter respecting the above land and note the contents -

I am not desirous at the present of placing a loan on this land as the time is not favourable for so doing and in addition it would be impossible in this district where we have been without crops for several years -

I have arranged to have about 100 acres of wheat on this land for next season - I may add I have lost the whole crop on this land for three years in succession - cut worms and soil drifting being the cause -

At the present time I am quite unable to pay the amount due which I was under the impression had been paid by my Banker when the last payment was made to your Department in either 1915 or 1916 but now find he sent you $100.00 less than I asked him to forward -

I wish to apply to your Department for an extension of time till after I have one more chance to get a crop when if there is anything left after payable expenses I will clear the matter up -

Will you please let me have a line to let me know that this will be satisfactory to you and oblige

Yours faithfully

Victor Vincent Bowen

S.W. ¼- 19- 10- 11- W. 4th M.,

I beg to acknowledge the receipt of your letter of recent date which was forwarded here by the Agent of Dominion Lands at Lethbridge, in connection with your application for patent for your pre-emption above described, which is held up on account of non payment, wherein you state that if the Government would reduce the interest you would pay the $117.25 due on account of principal.

In reply I may say that the payment on account of pre-emptions with interest is provided for by the Dominion Lands Act and there is no authority under which the entrant for pre-emption could be relieved of such payment.

Under the circumstances before patent could issue for the quarter section in your name it will be necessary for you to remit to the Agent at Lethbridge the amount due, $192.63. I would suggest that you have this matter attended to at the earliest date possible.

I beg to advise you that I am in receipt of a report from Mr. Inspector Wilcox, who recently visited you regarding the Seed Grain, Fodder and Relief indebtedness charged against the South West of Section 18, Township 10, Range 11, West of the 4th Meridian, and the amount outstanding in connection with your pre-emption entry on the South West of Section 19, Township 10, Range 11, West of the 4th Meridian.

By this report, I am informed that on completion of your harvesting operations you hope to make a substantial payment in connection with each account. STATEMENT

of Seed Grain, Fodder and Relief indebtedness,

Vincent Victor Bowe.
N.W.18-10-11 W.4th.
S.W.19-10-11 W.4th.

Federal.

As per statement attached.

In explanation of the credit of $165.00 for goods not received, the officer in charge of relief distribution at Grassy Lake, Alberta, took a lien from Mr. Bowe in the amount of $301.00 dated the 21st September, 1914, for "Provisions, feed and seed grain". It was evidently the intention of this officer to include the probable amount of seed grain to be advanced the following spring, and the same action was taken by the same officer in at least five other cases. The orders covering the feed oats, provisions and coal supplied were checked, on receipt of a statutory declaration from Mr. Bowe as to the facts of the case, and it was found that the actual amount received was feed oats, $75, and chicken & hog feed, $10.00, $85.00, from the Alberta Farmers' Co-operative Elevator Co., Burdett, provisions, $36.00, and 5 tons coal, $15.00, $51.00, from Messrs. Bigelow & Fletcher, Burdett. The lien was therefore reduced to $136.00. Had it not been for the disputed item, the account would have been paid in full in 1917.

The seed grain application gave the cultivation on the half section as 160 acres, for which 150 bushels of wheat and 48 of oats was supplied.

from drought.

S.W.19-10-11 W.4th.

This is the pre-emption of V. V. Bowe on which there is a balance due of $200.83 to complete p[a]yment of the purchase price and on the 1st November, 19[2]

- It is

V.V.Bowe, N.W.18-
S.W.19-10-11 W.4th.

It is described as chocolate loam with clay subsoil, all fit for cultivation, 78 acres in crop to wheat last year.

In October, 1927, Mr. Bowe wrote the Agent Dominion Lands, Lethbridge, asking that the Department waive the interest on the purchase price of his pre-emption, as crops had been very poor in the district for the past ten years and he had had to pay for his seed and $395.00 for back taxes out of that year's crop. He was advised that there was no authority under which the entrant for pre-emption could be relieved of such payment.
